In order for the Gospel to truly produce change in us, we need it faithfully taught to us and we must faithfully receive what is taught.

If you want to unlock the persuasive power of the Scripture to change your life then you must first see Christ in the Scriptures.

EPHESUS

**We live in a Christian culture today
where far too many are content to sit
under the teaching of the Word but
neglect ever sitting with the Word
themselves.**

The Bereans teach us to:

1. Approach Scripture with an open heart.

The Bereans teach us to:

2. Approach Scripture with an eagerness
to learn its truth.

The Bereans teach us to:

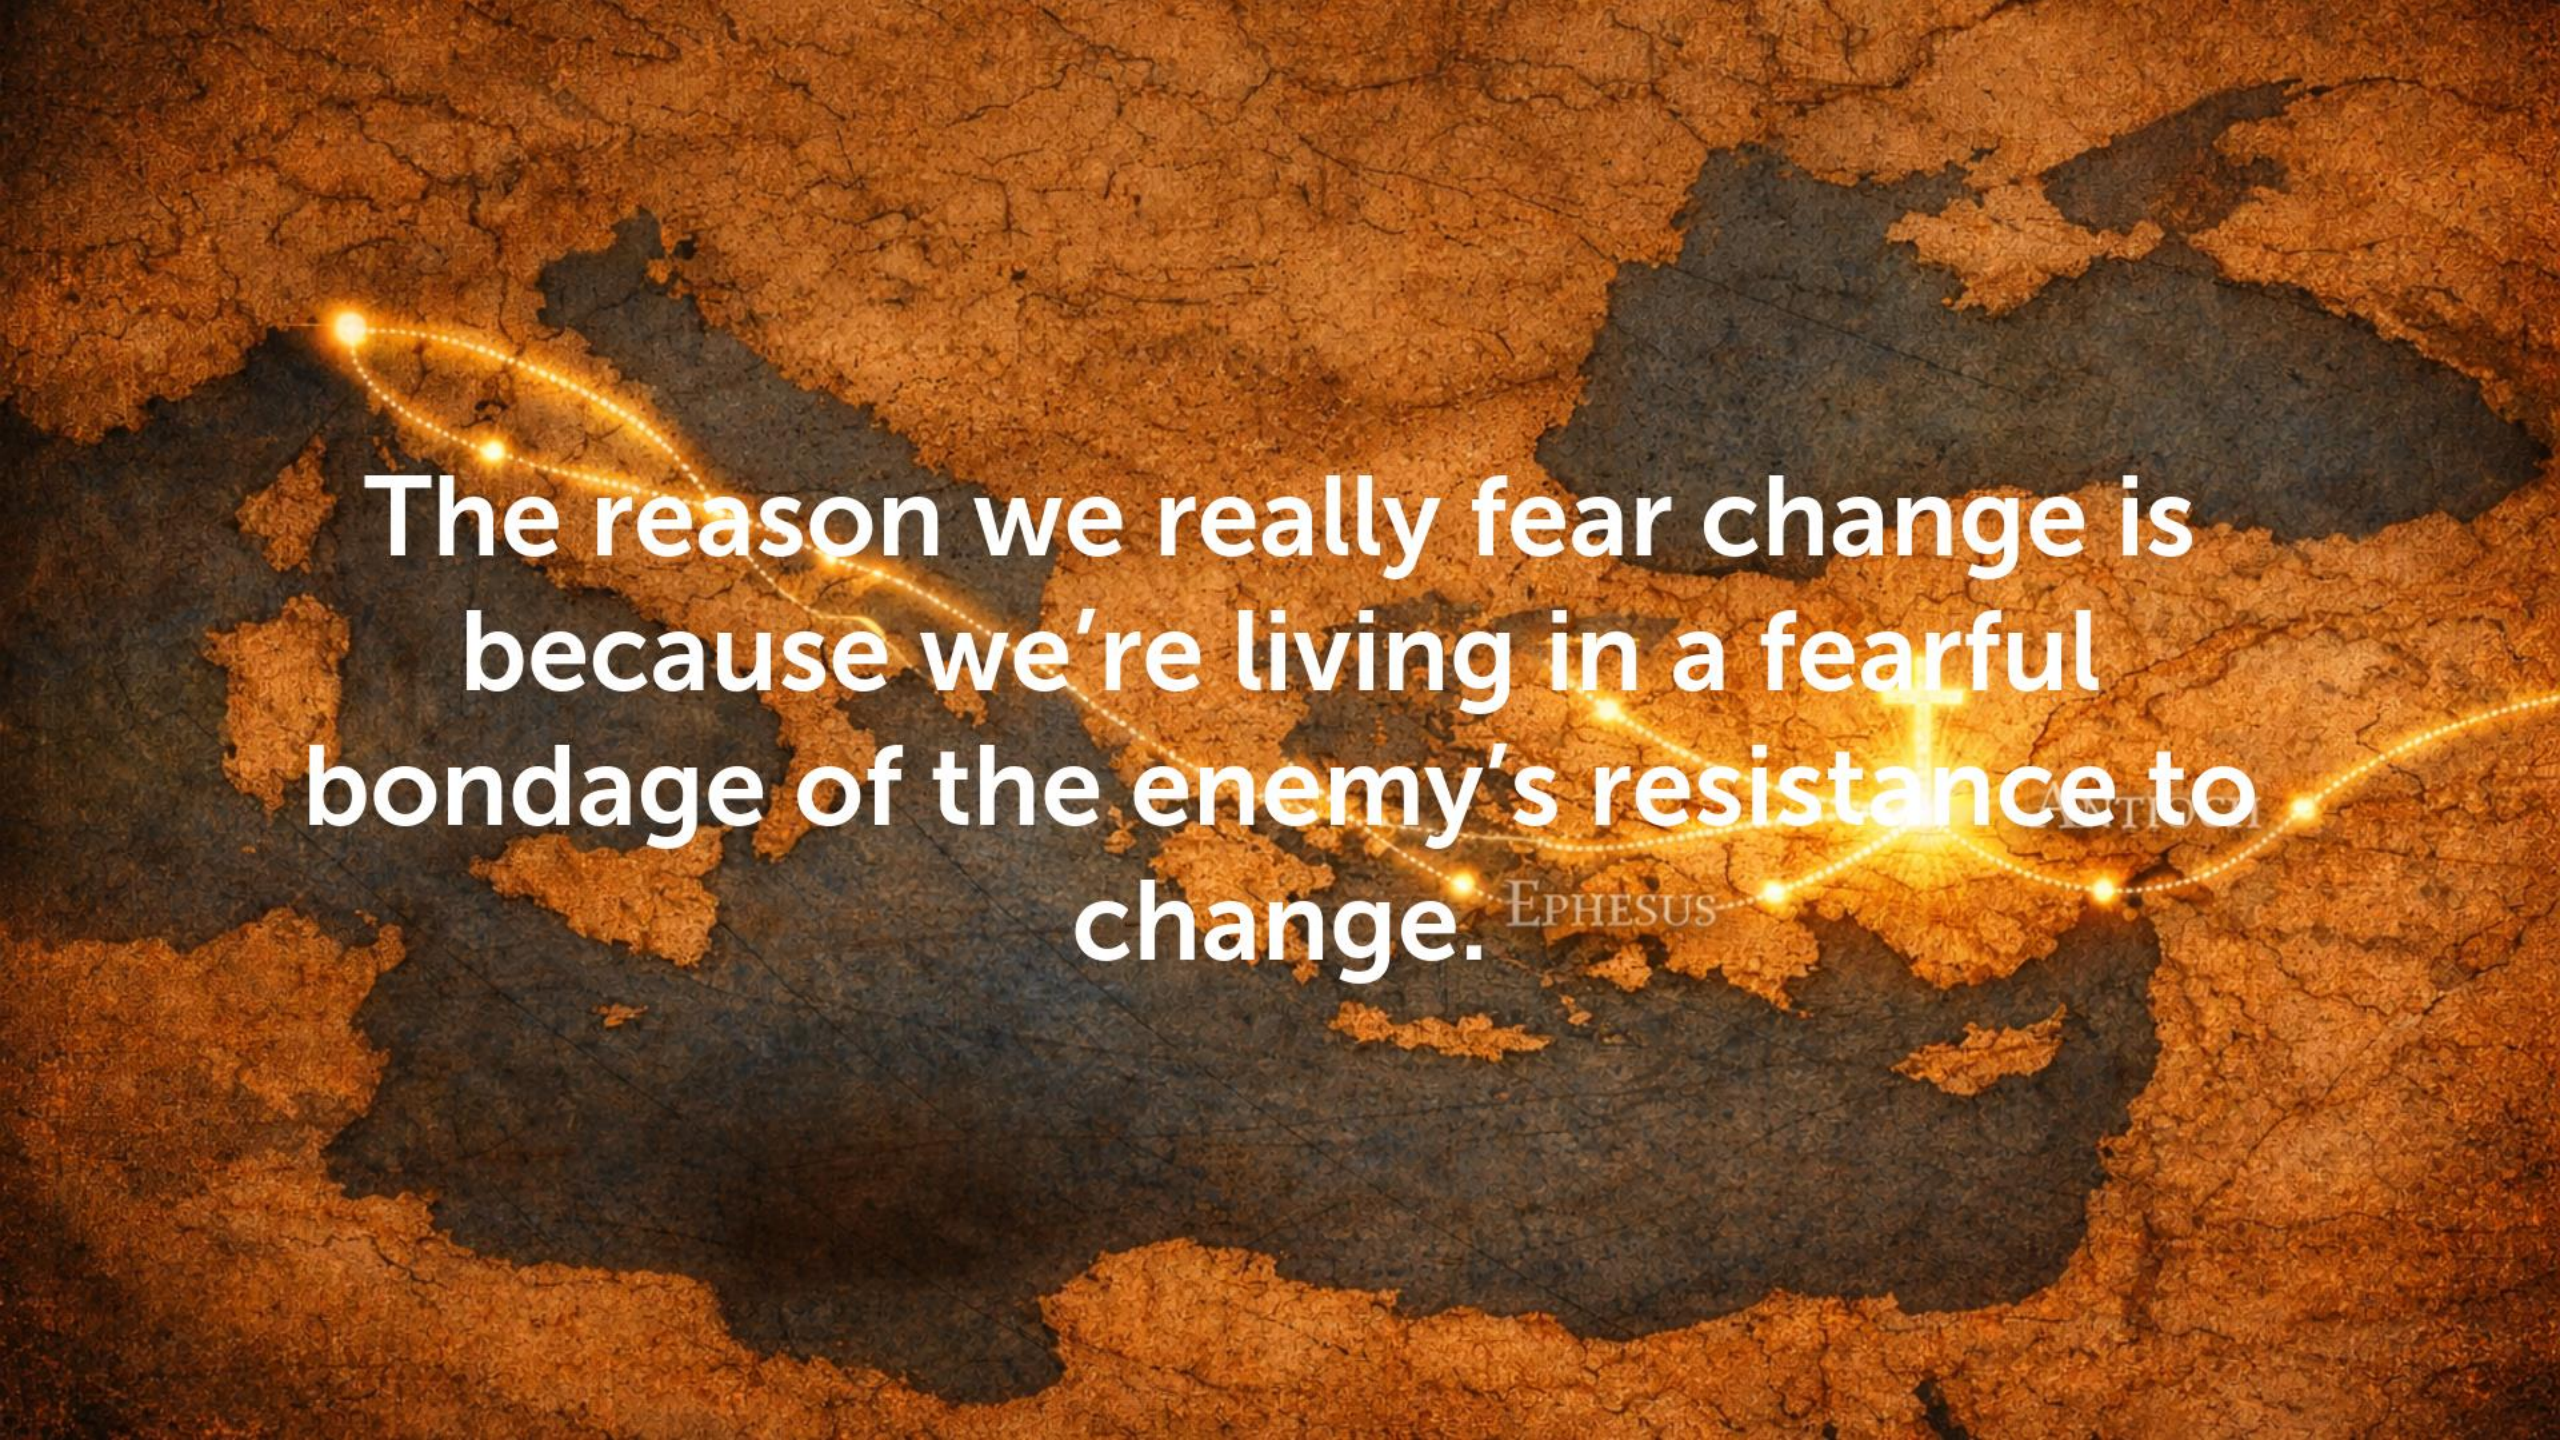

3. Approach Scripture with careful intent.

The Bereans teach us to:

4. Approach Scripture with daily consistency.

When we couple Christ-centered exposition of scripture with a Berean approach to scripture the gospel will always persuade change in our hearts.

The reason we really fear change is
because we're living in a fearful
bondage of the enemy's resistance to
change.
