

Crossing Over

Joshua 3

The Ark of the
Covenant points us
toward Christ, whose
sacrifice perfectly
covers our sin so that
God no longer sees
our sin, only His Son

We will never cross
over into God's
promises by following
our own wisdom, our
own plans, or our own
comfort zones.

Death doesn't have to
be our final
destination.

We do not add to
God's sufficiency—He
adds to ours.

The Ark made a way
for Israel to enter the
Promised Land. The
cross makes a way
for us to enter eternal
life.

Through Christ, the mercy seat is no longer needed—because He Himself is our sacrifice, our high priest, and our access to God.
