

When We Are On God's Side

Joshua 10:1-15

Victory belongs to
those who stand on
God's side.

It is both
presumptuous and
dangerous to assume
God is automatically
endorsing our plans,
our politics, or our
nation.

God's people will
always be threatened
by those who oppose
God.

Obedience provokes
opposition.

Opposition isn't a sign of weakness; it is often a sign of God's strength in us.

Biblical faith is not wishful thinking or emotional hope. It is confidence rooted in God's proven character.

The great reward of being on God's side: Our confidence in God grows so strong that our lack of confidence in ourselves no longer hinders our faith.
