

# **The Dangers of Success**

**Joshua 7: 1-9**

If the only time God  
hears from you is  
when you're in  
trouble, then you are  
unprepared and  
vulnerable to the  
dangers of success.

When self becomes  
our focus, sin  
becomes our practice.

When God becomes  
our focus, worship  
becomes our practice.

Sin doesn't just affect  
the sinner — its  
impact spreads, and  
so do its  
repercussions.

Yesterday's victory  
will not guarantee  
today's success.

Defeat comes when  
we elevate ourselves  
to the throne of our  
own lives.
