

Promises Made. Promises Kept

Joshua 1:1-9

The land wasn't just about a blessing — it was about a mission.

Until we understand
that God's promises
serve His purposes,
we'll never fully walk
in them.

God's grace allows us
to experience His
promises despite our
past.

God's promises are
unshakable because
His faithfulness is
unshakable.

We can be strong and
courageous because
of God's:

1. Promises v.6
2. Word v.7
3. Presence v.9

We cannot step into
the promises of God
until our sin against
God is dealt with.
