# MISSION

**POSSIBLE**

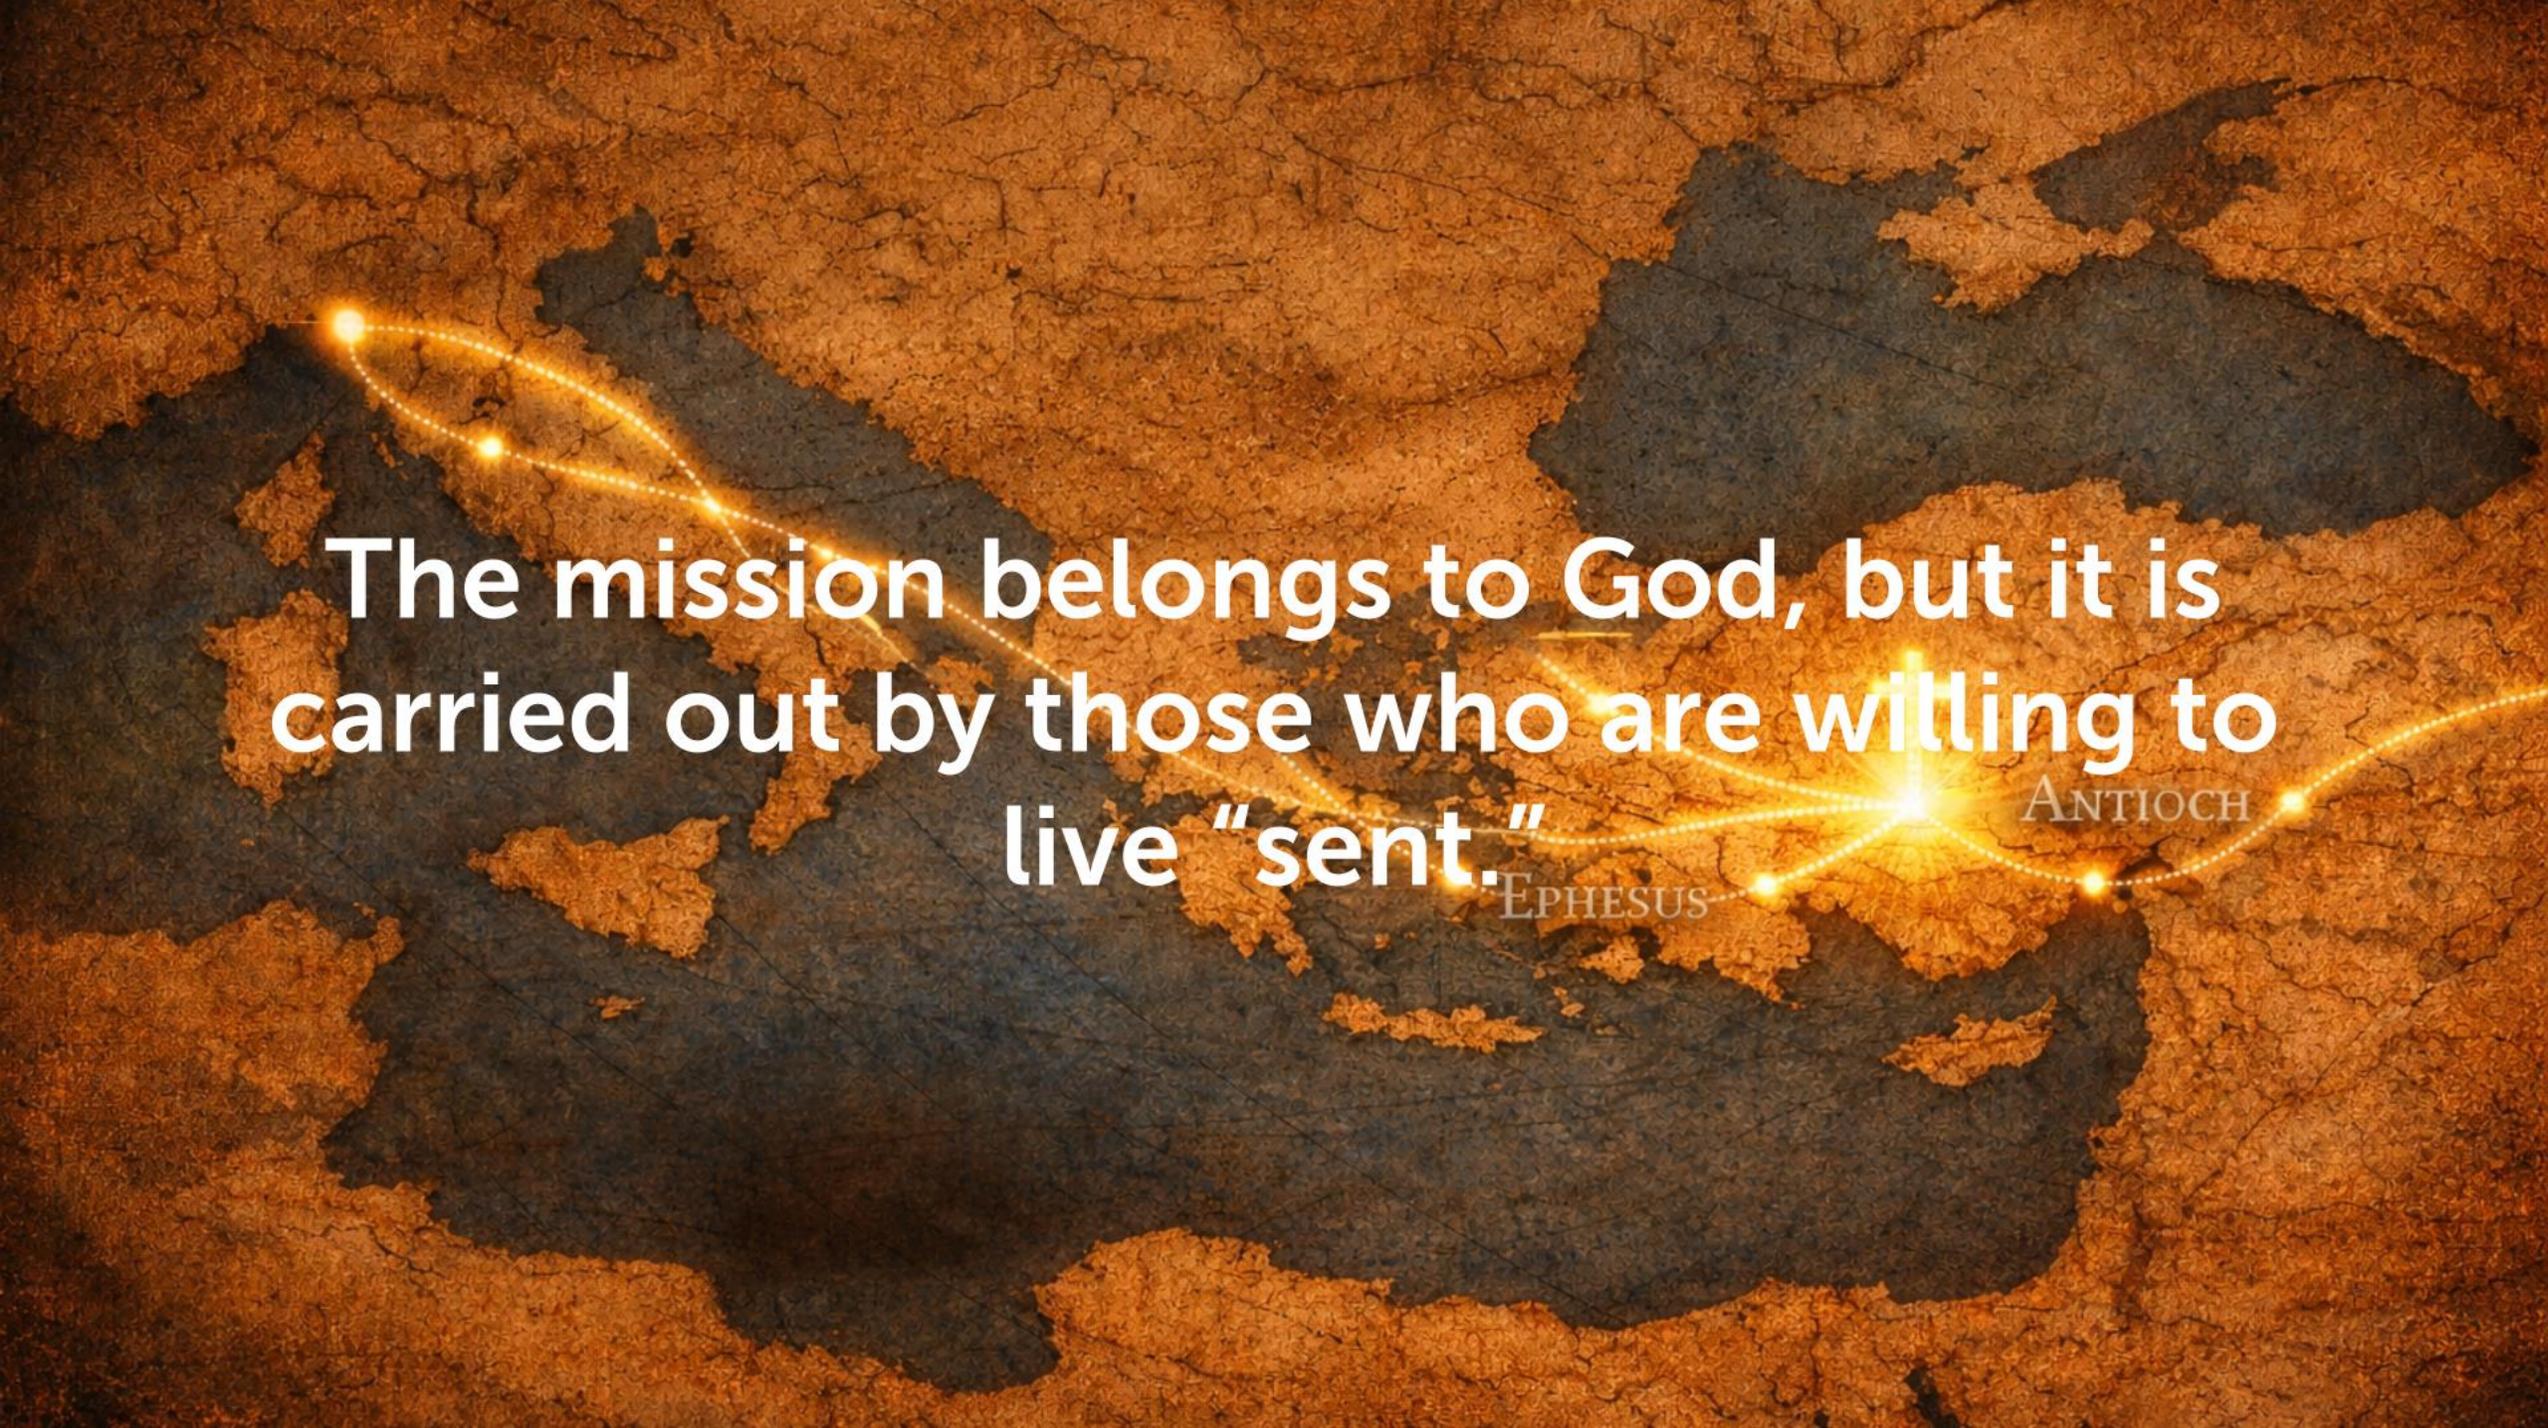

LIVING SENT

ACTS 13-28

EPHESUS

ANTIOCH

Called & Sent  
Acts 13:1-12

The mission belongs to God, but it is  
carried out by those who are willing to  
live "sent."

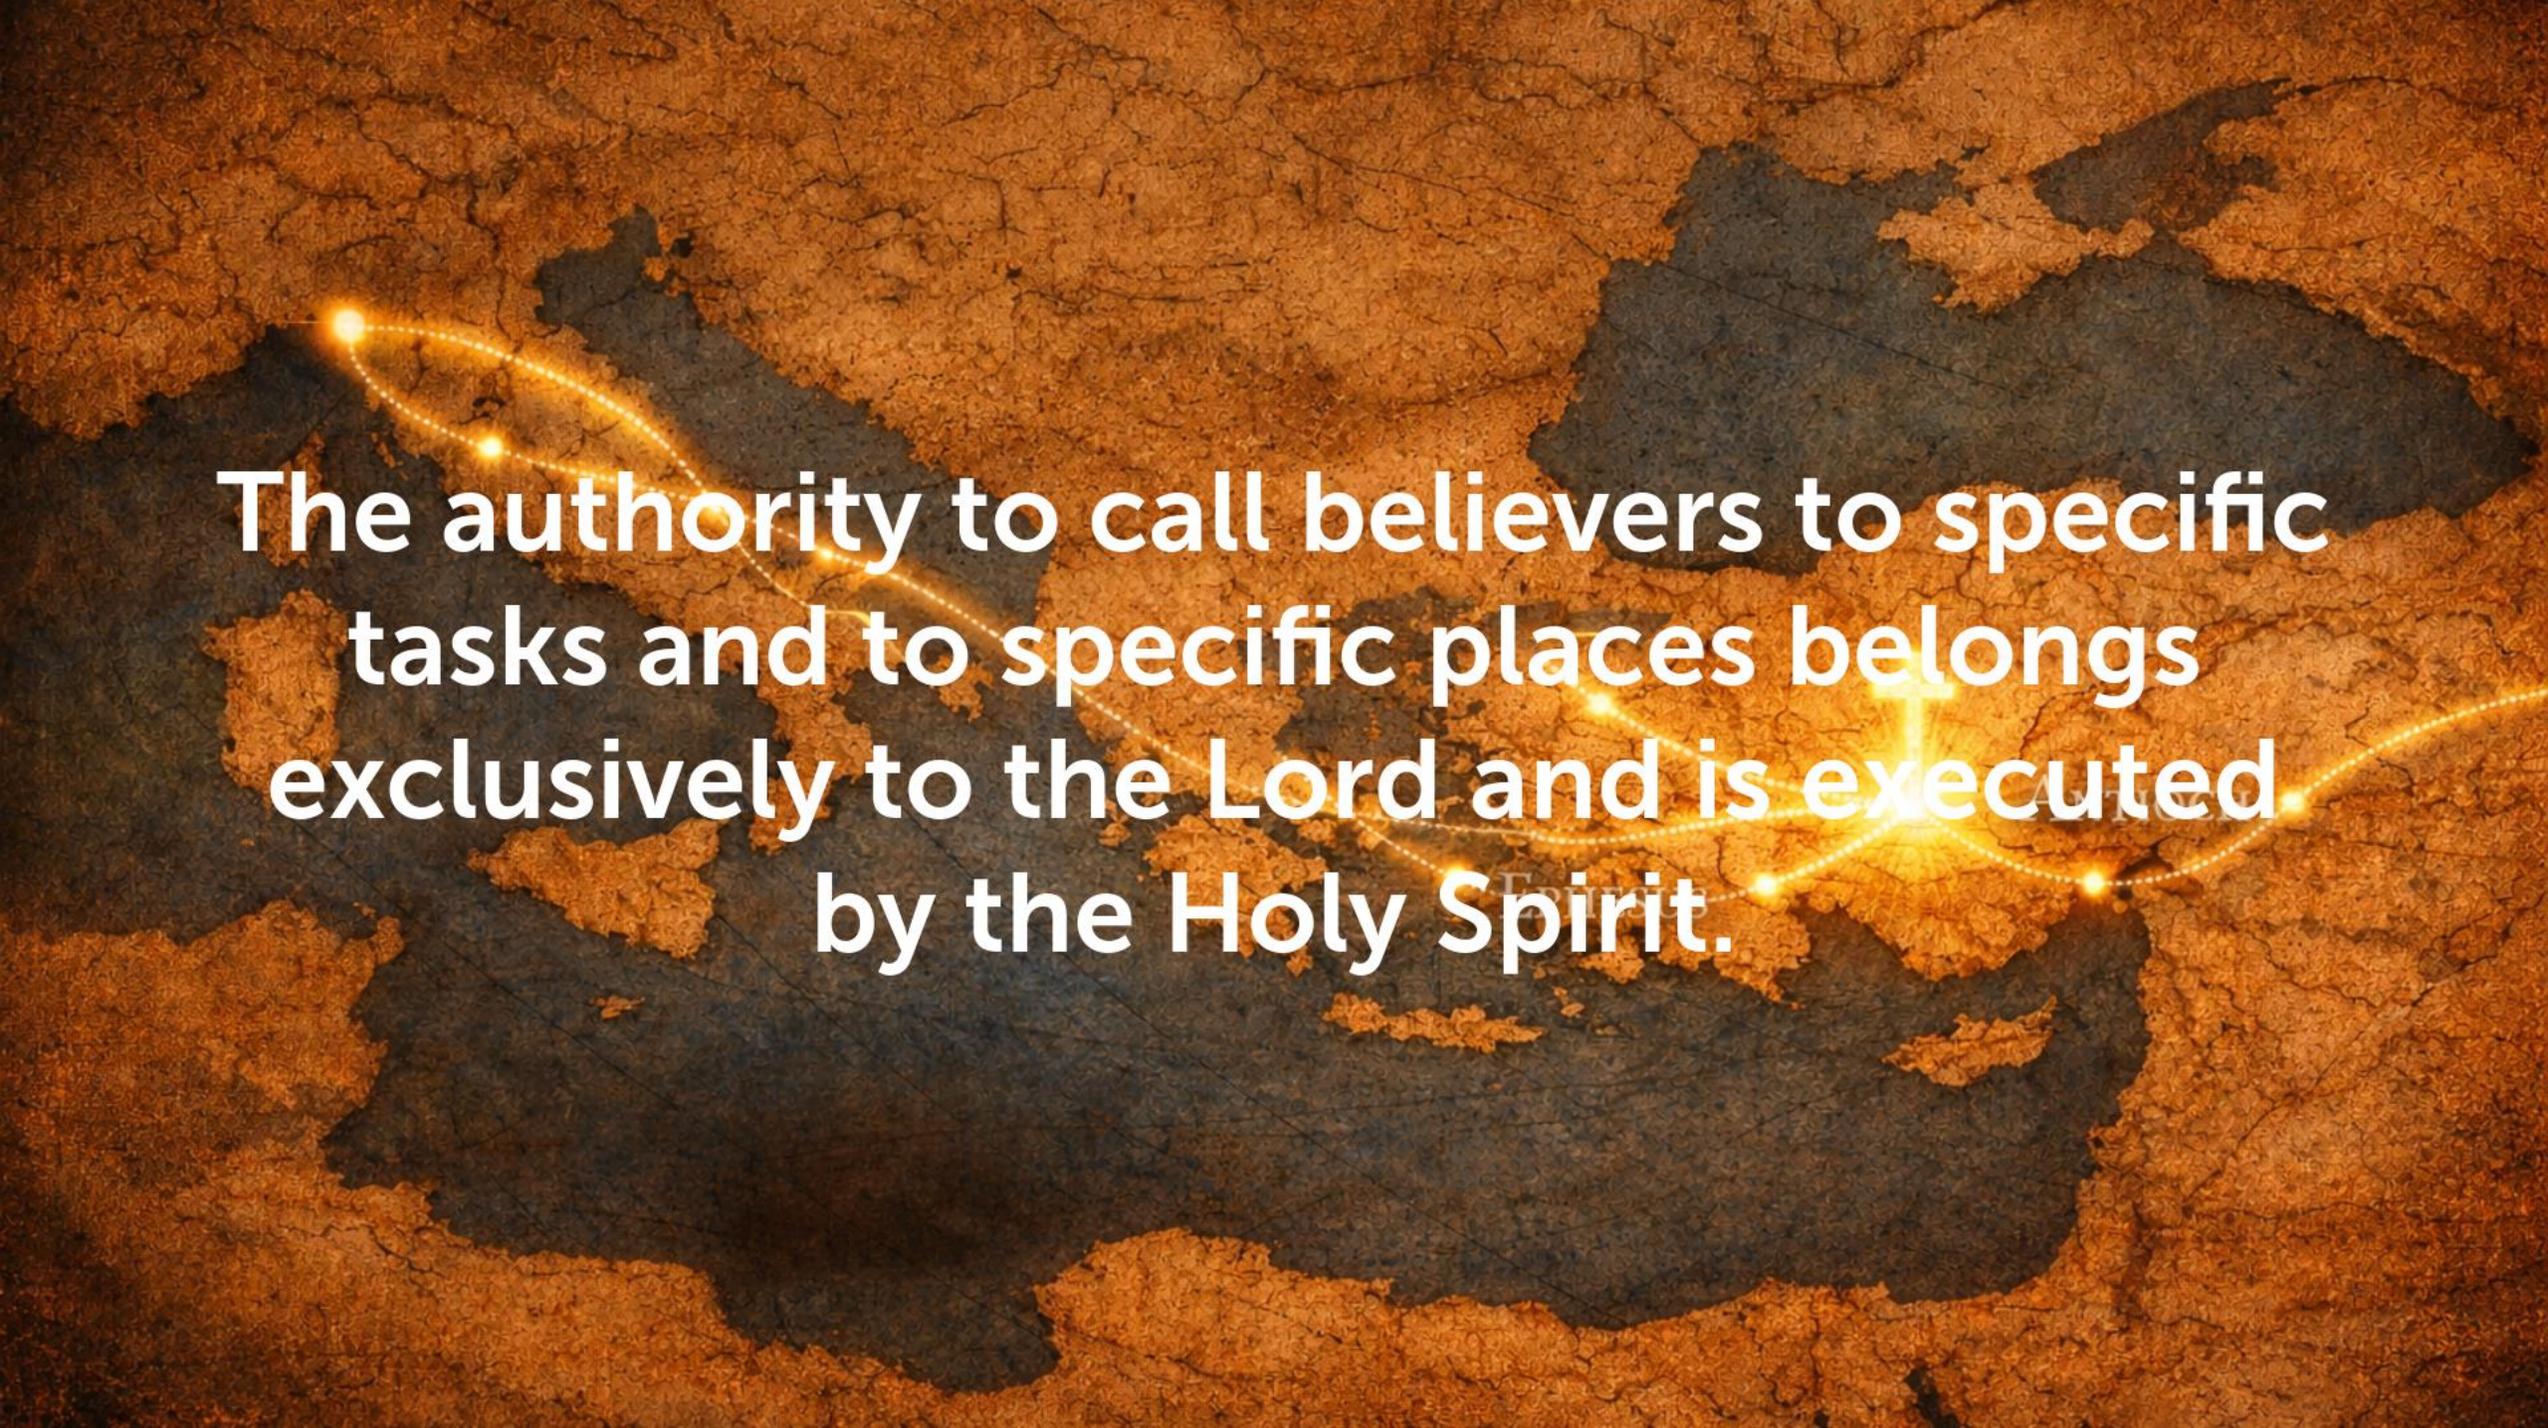

ANTIOCH

EPHESUS

**We have a desperate need to become  
overtly mission-minded**

ANTIOCH

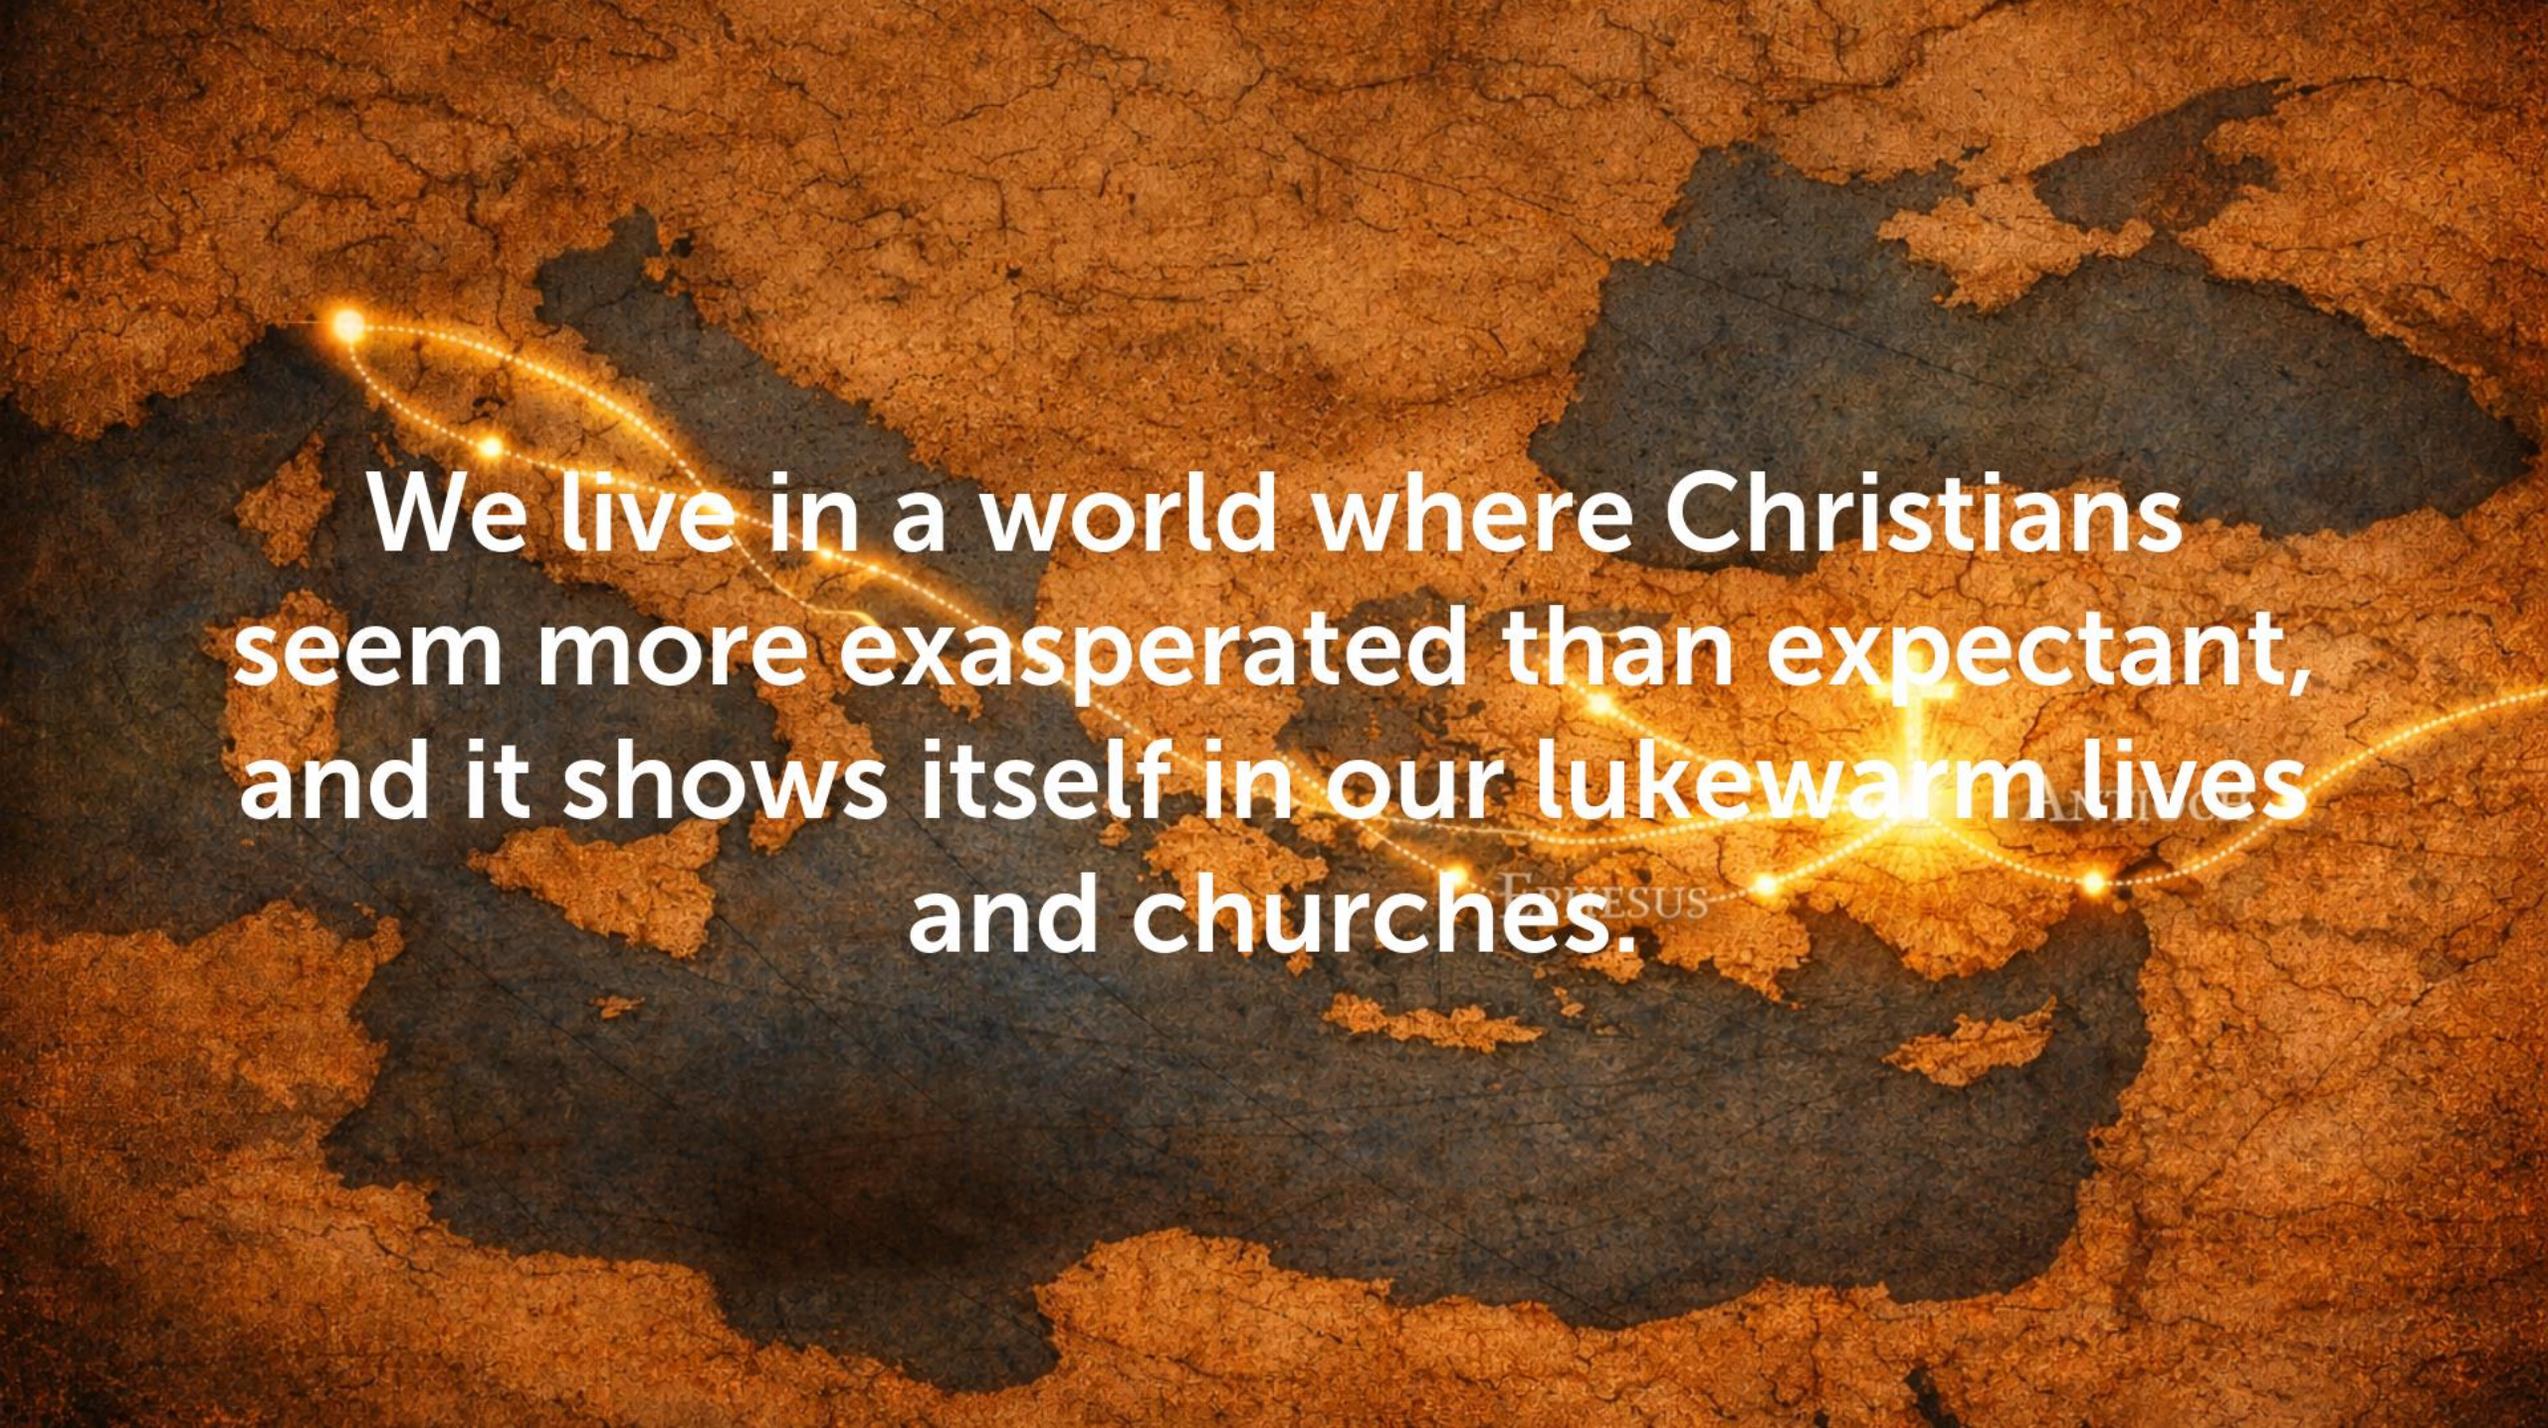

EPHESUS

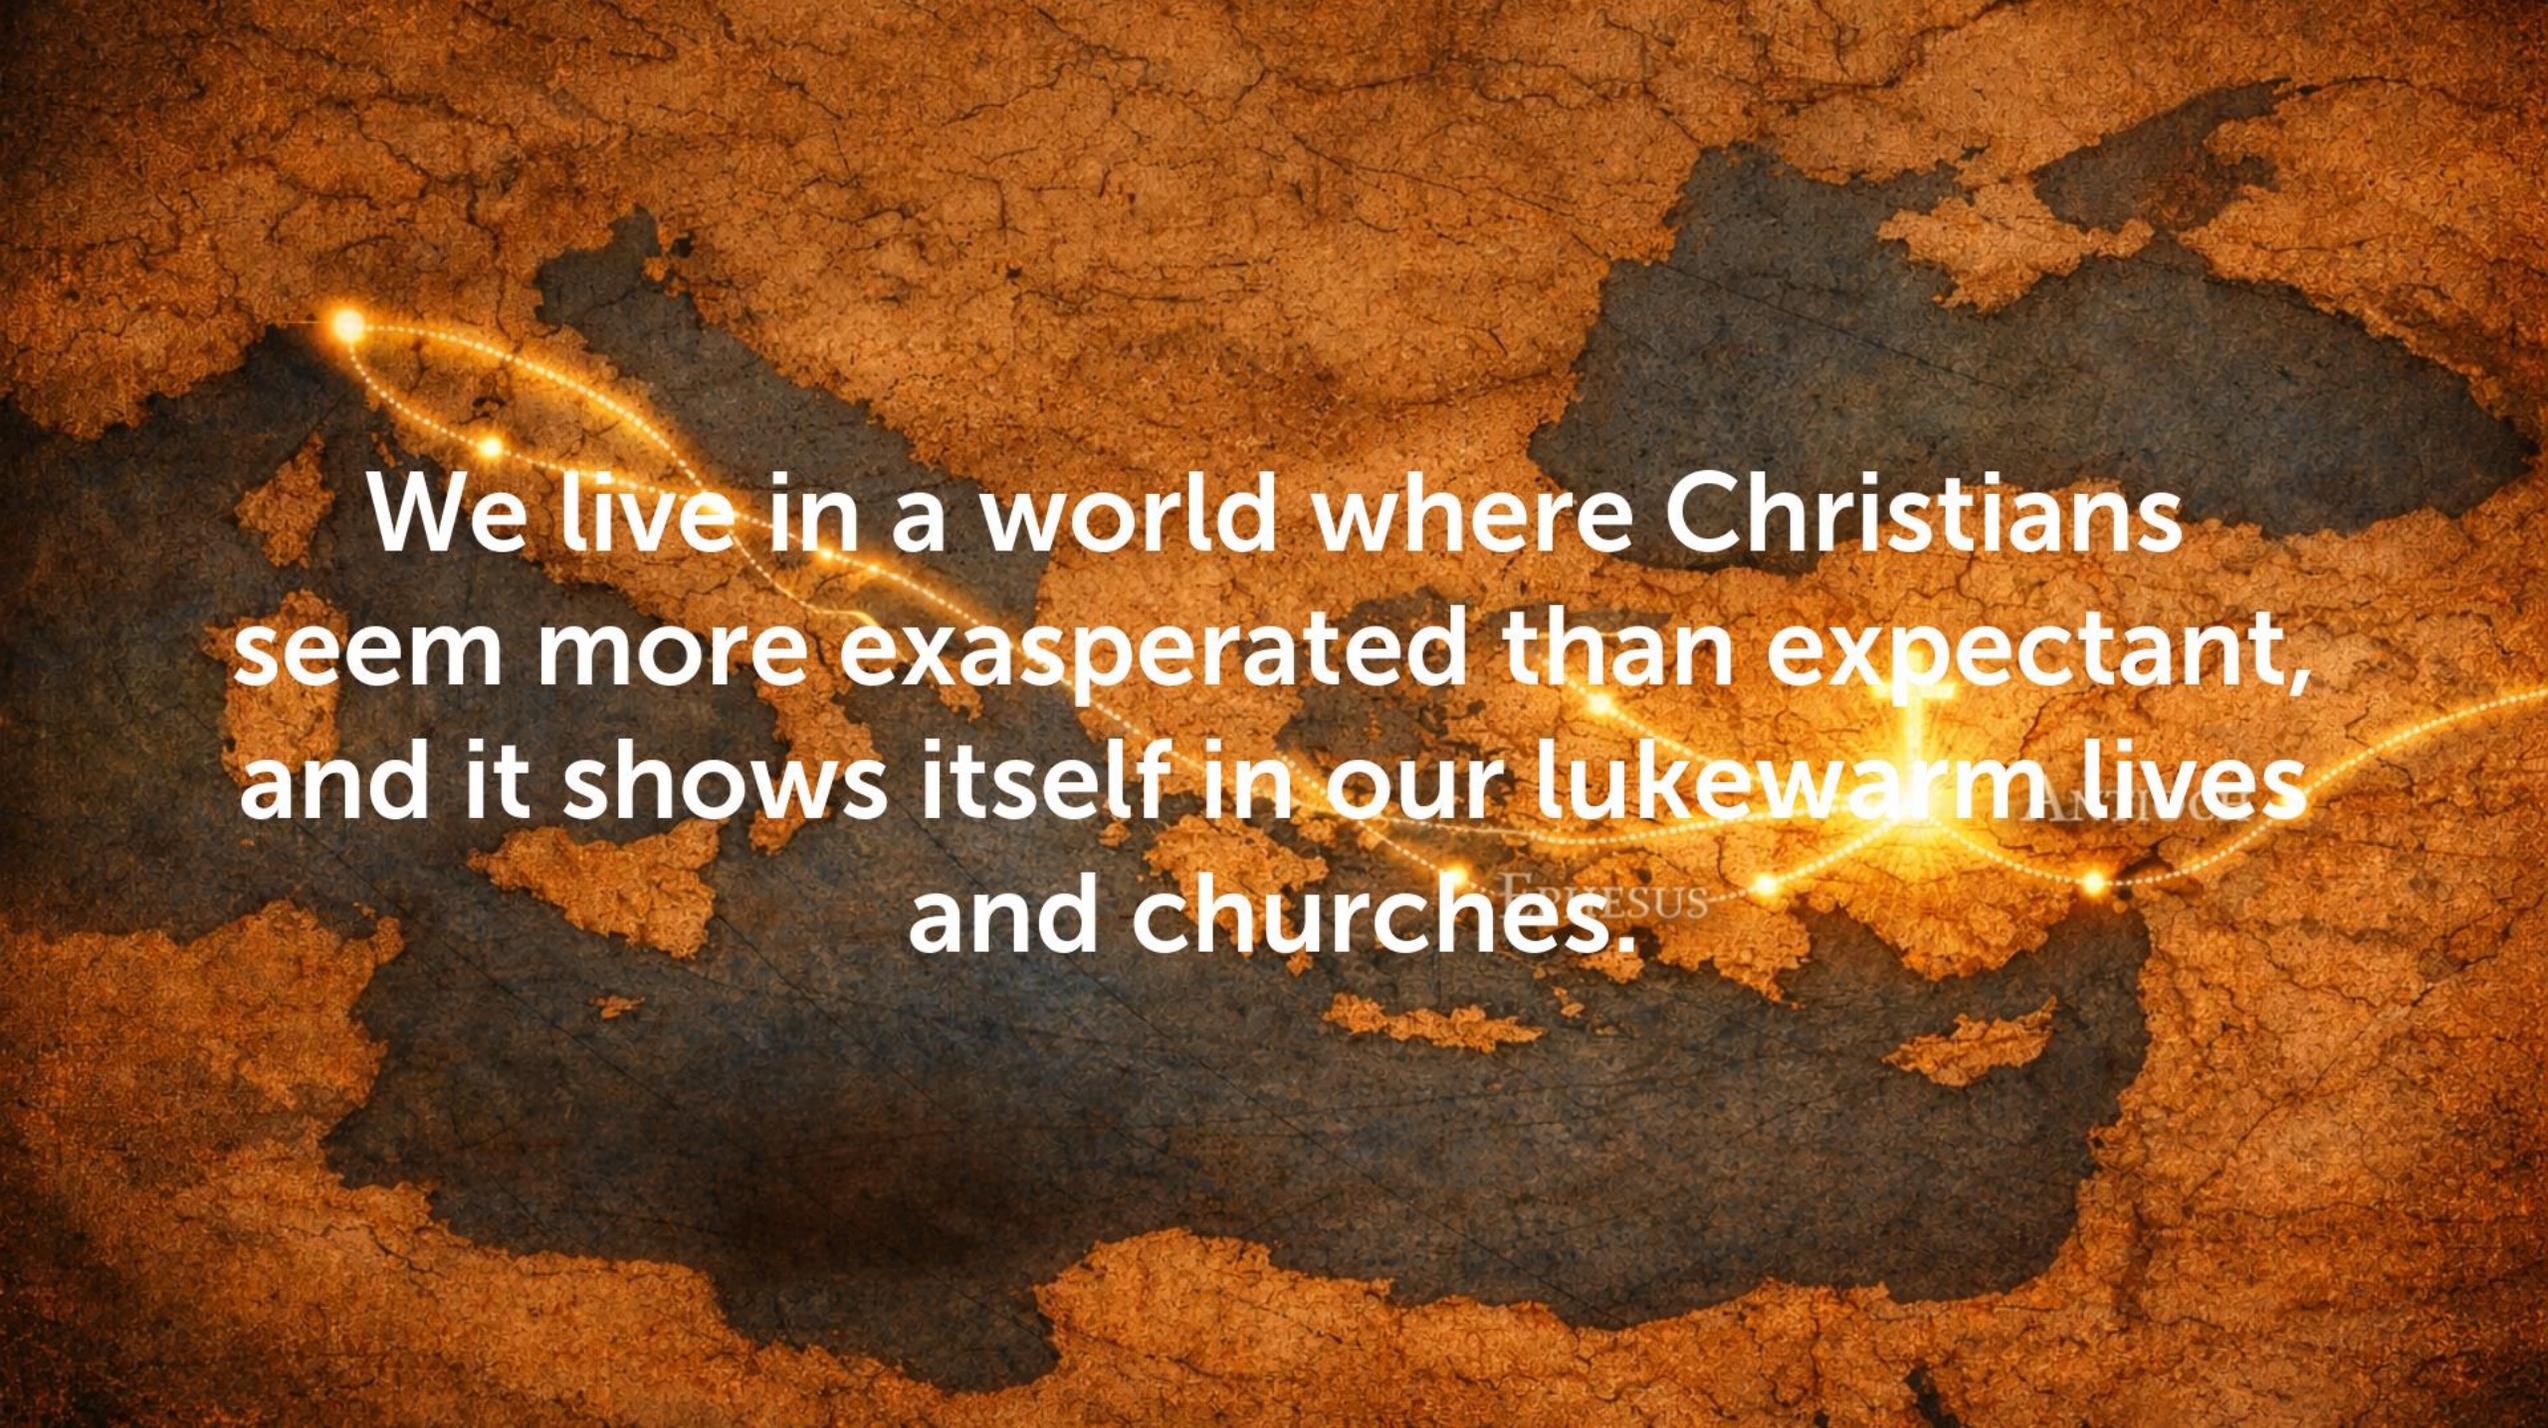

**The authority to call believers to specific tasks and to specific places belongs exclusively to the Lord and is executed by the Holy Spirit.**

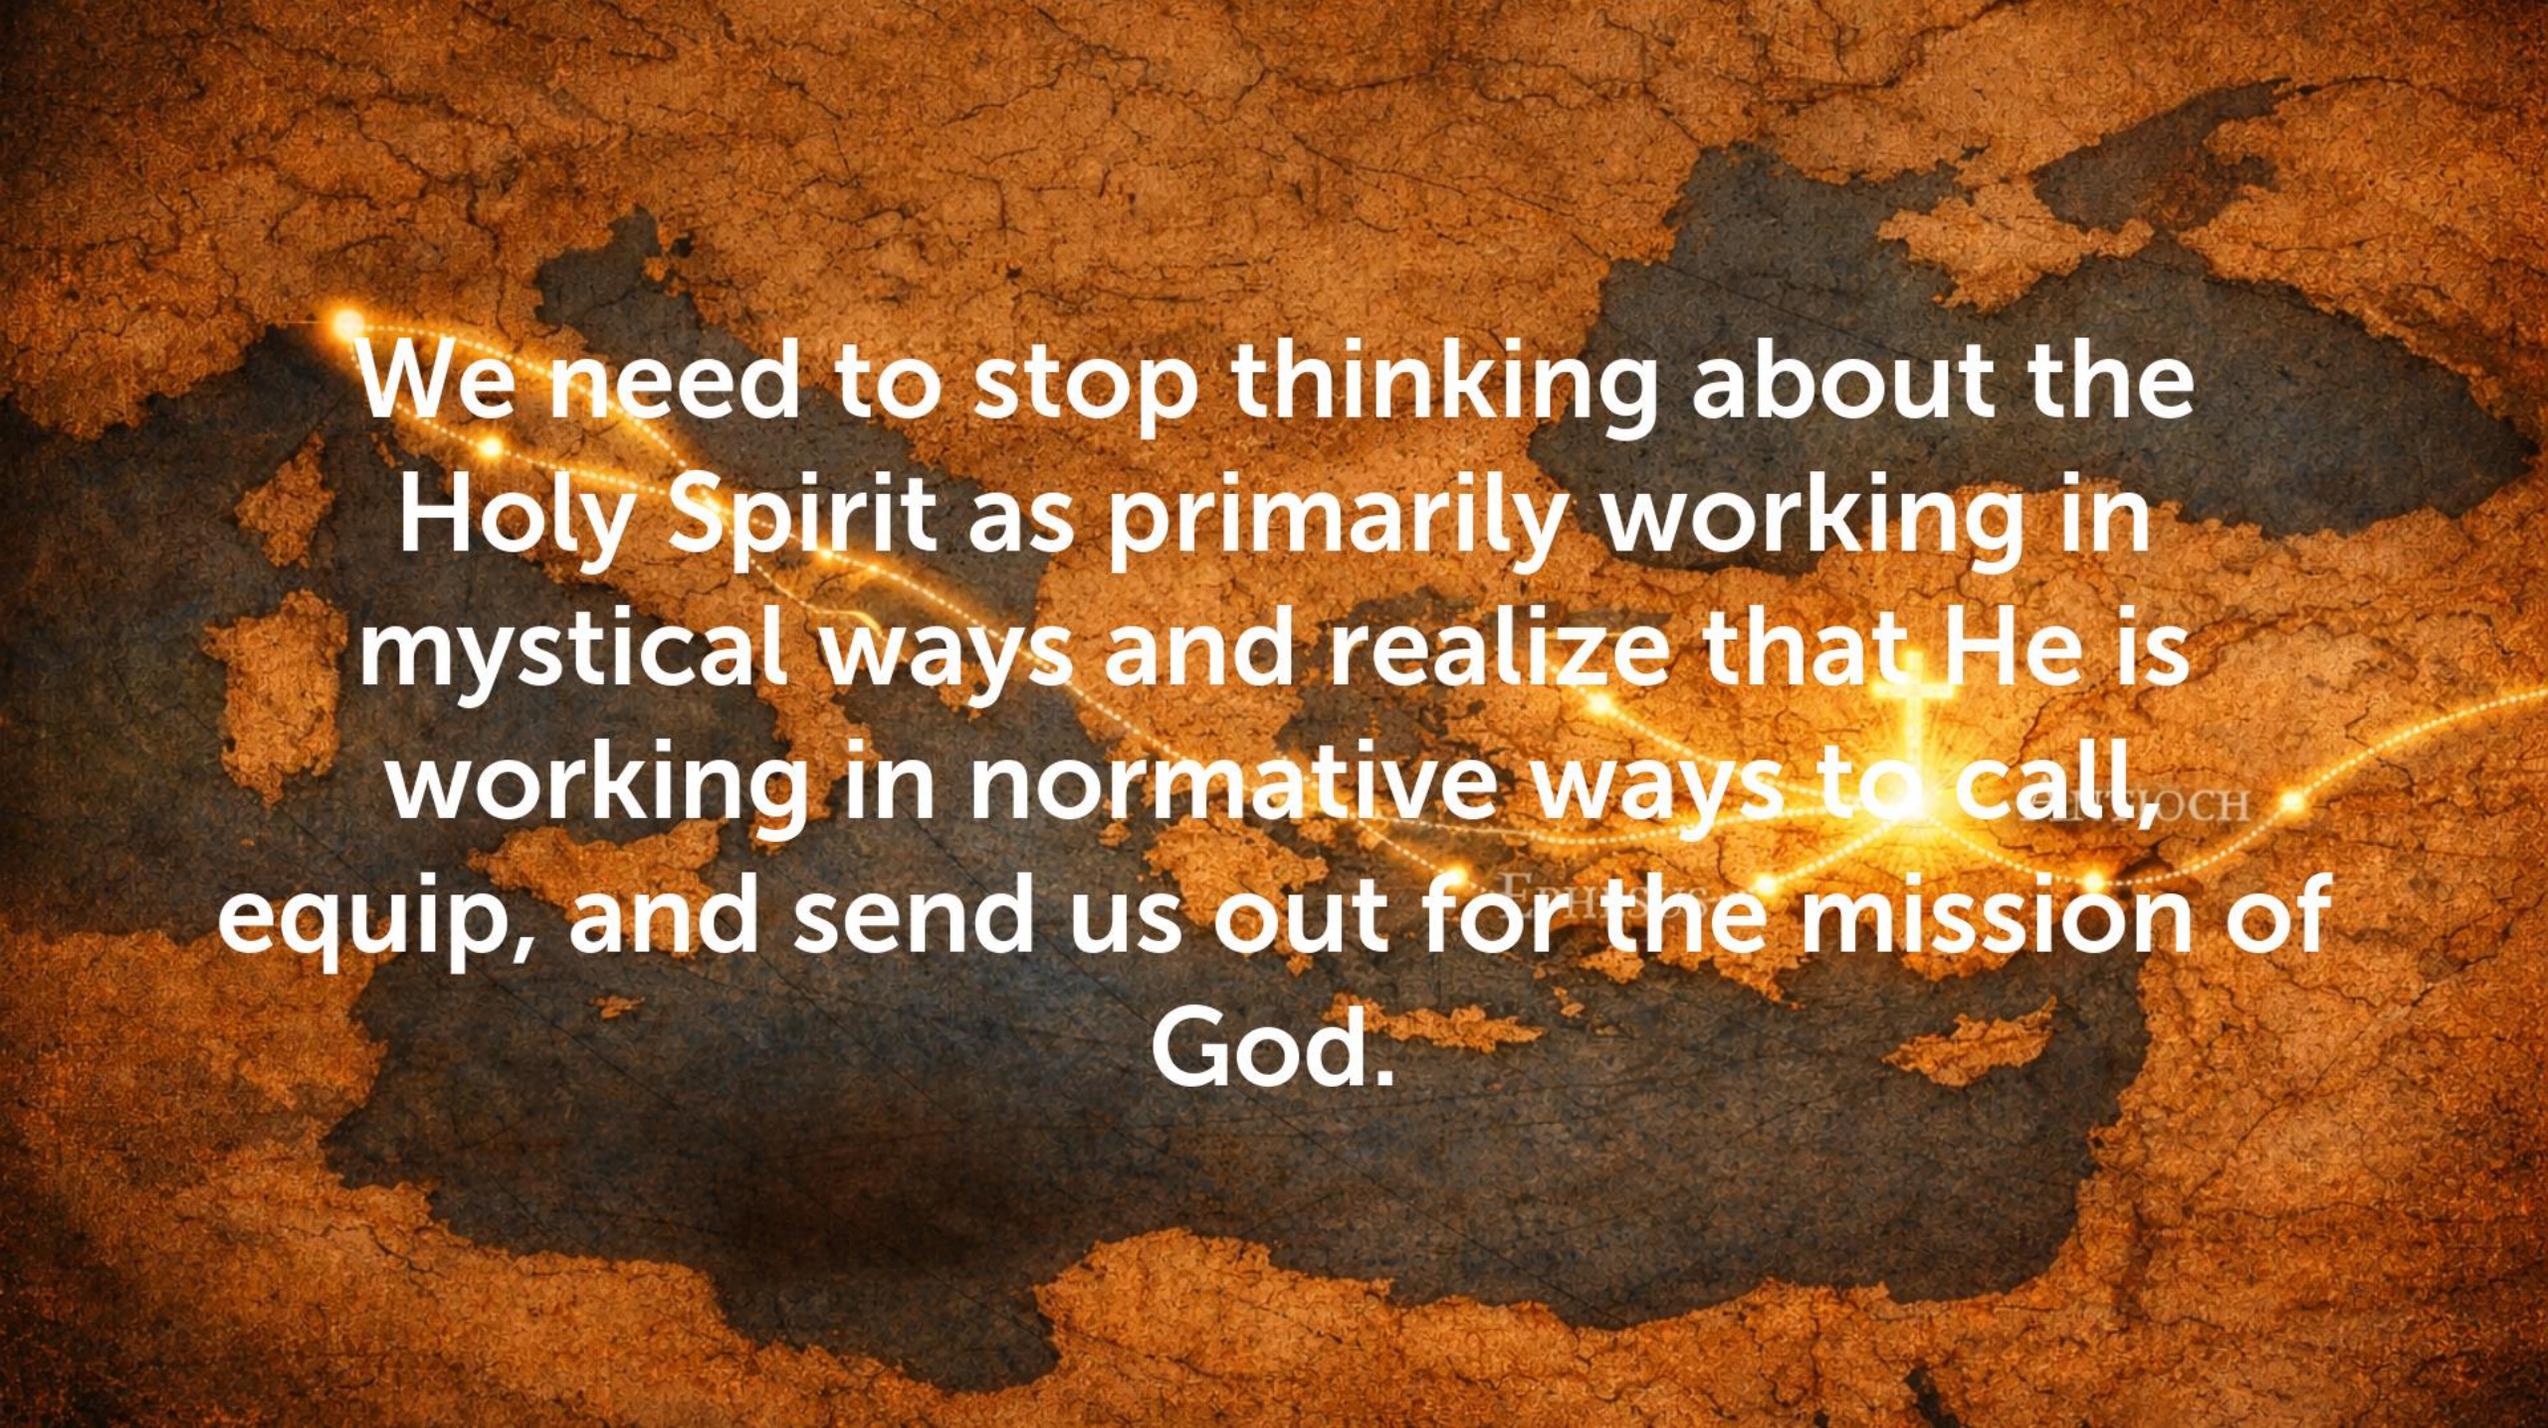

**The Holy Spirit always takes the lead in every successful, new initiative, but the church played its part by worshiping and fasting**

A world map is centered on a cracked, brown, textured background that resembles parched earth. The map's landmasses are a dark, charcoal blue color. Overlaid on the map are several glowing orange lines and dots, resembling a constellation or a network of light paths. The text is centered over the map in a white, sans-serif font.

**We live in a world where Christians  
seem more exasperated than expectant,  
and it shows itself in our lukewarm lives  
and churches.**

**We need to stop thinking about the Holy Spirit as primarily working in mystical ways and realize that He is working in normative ways to call, equip, and send us out for the mission of God.**
