ANTIOCH

EPHESUS

The Scripture isn't about you, and it's most valuable to you when you are able to make sound connections to Christ from each passage.

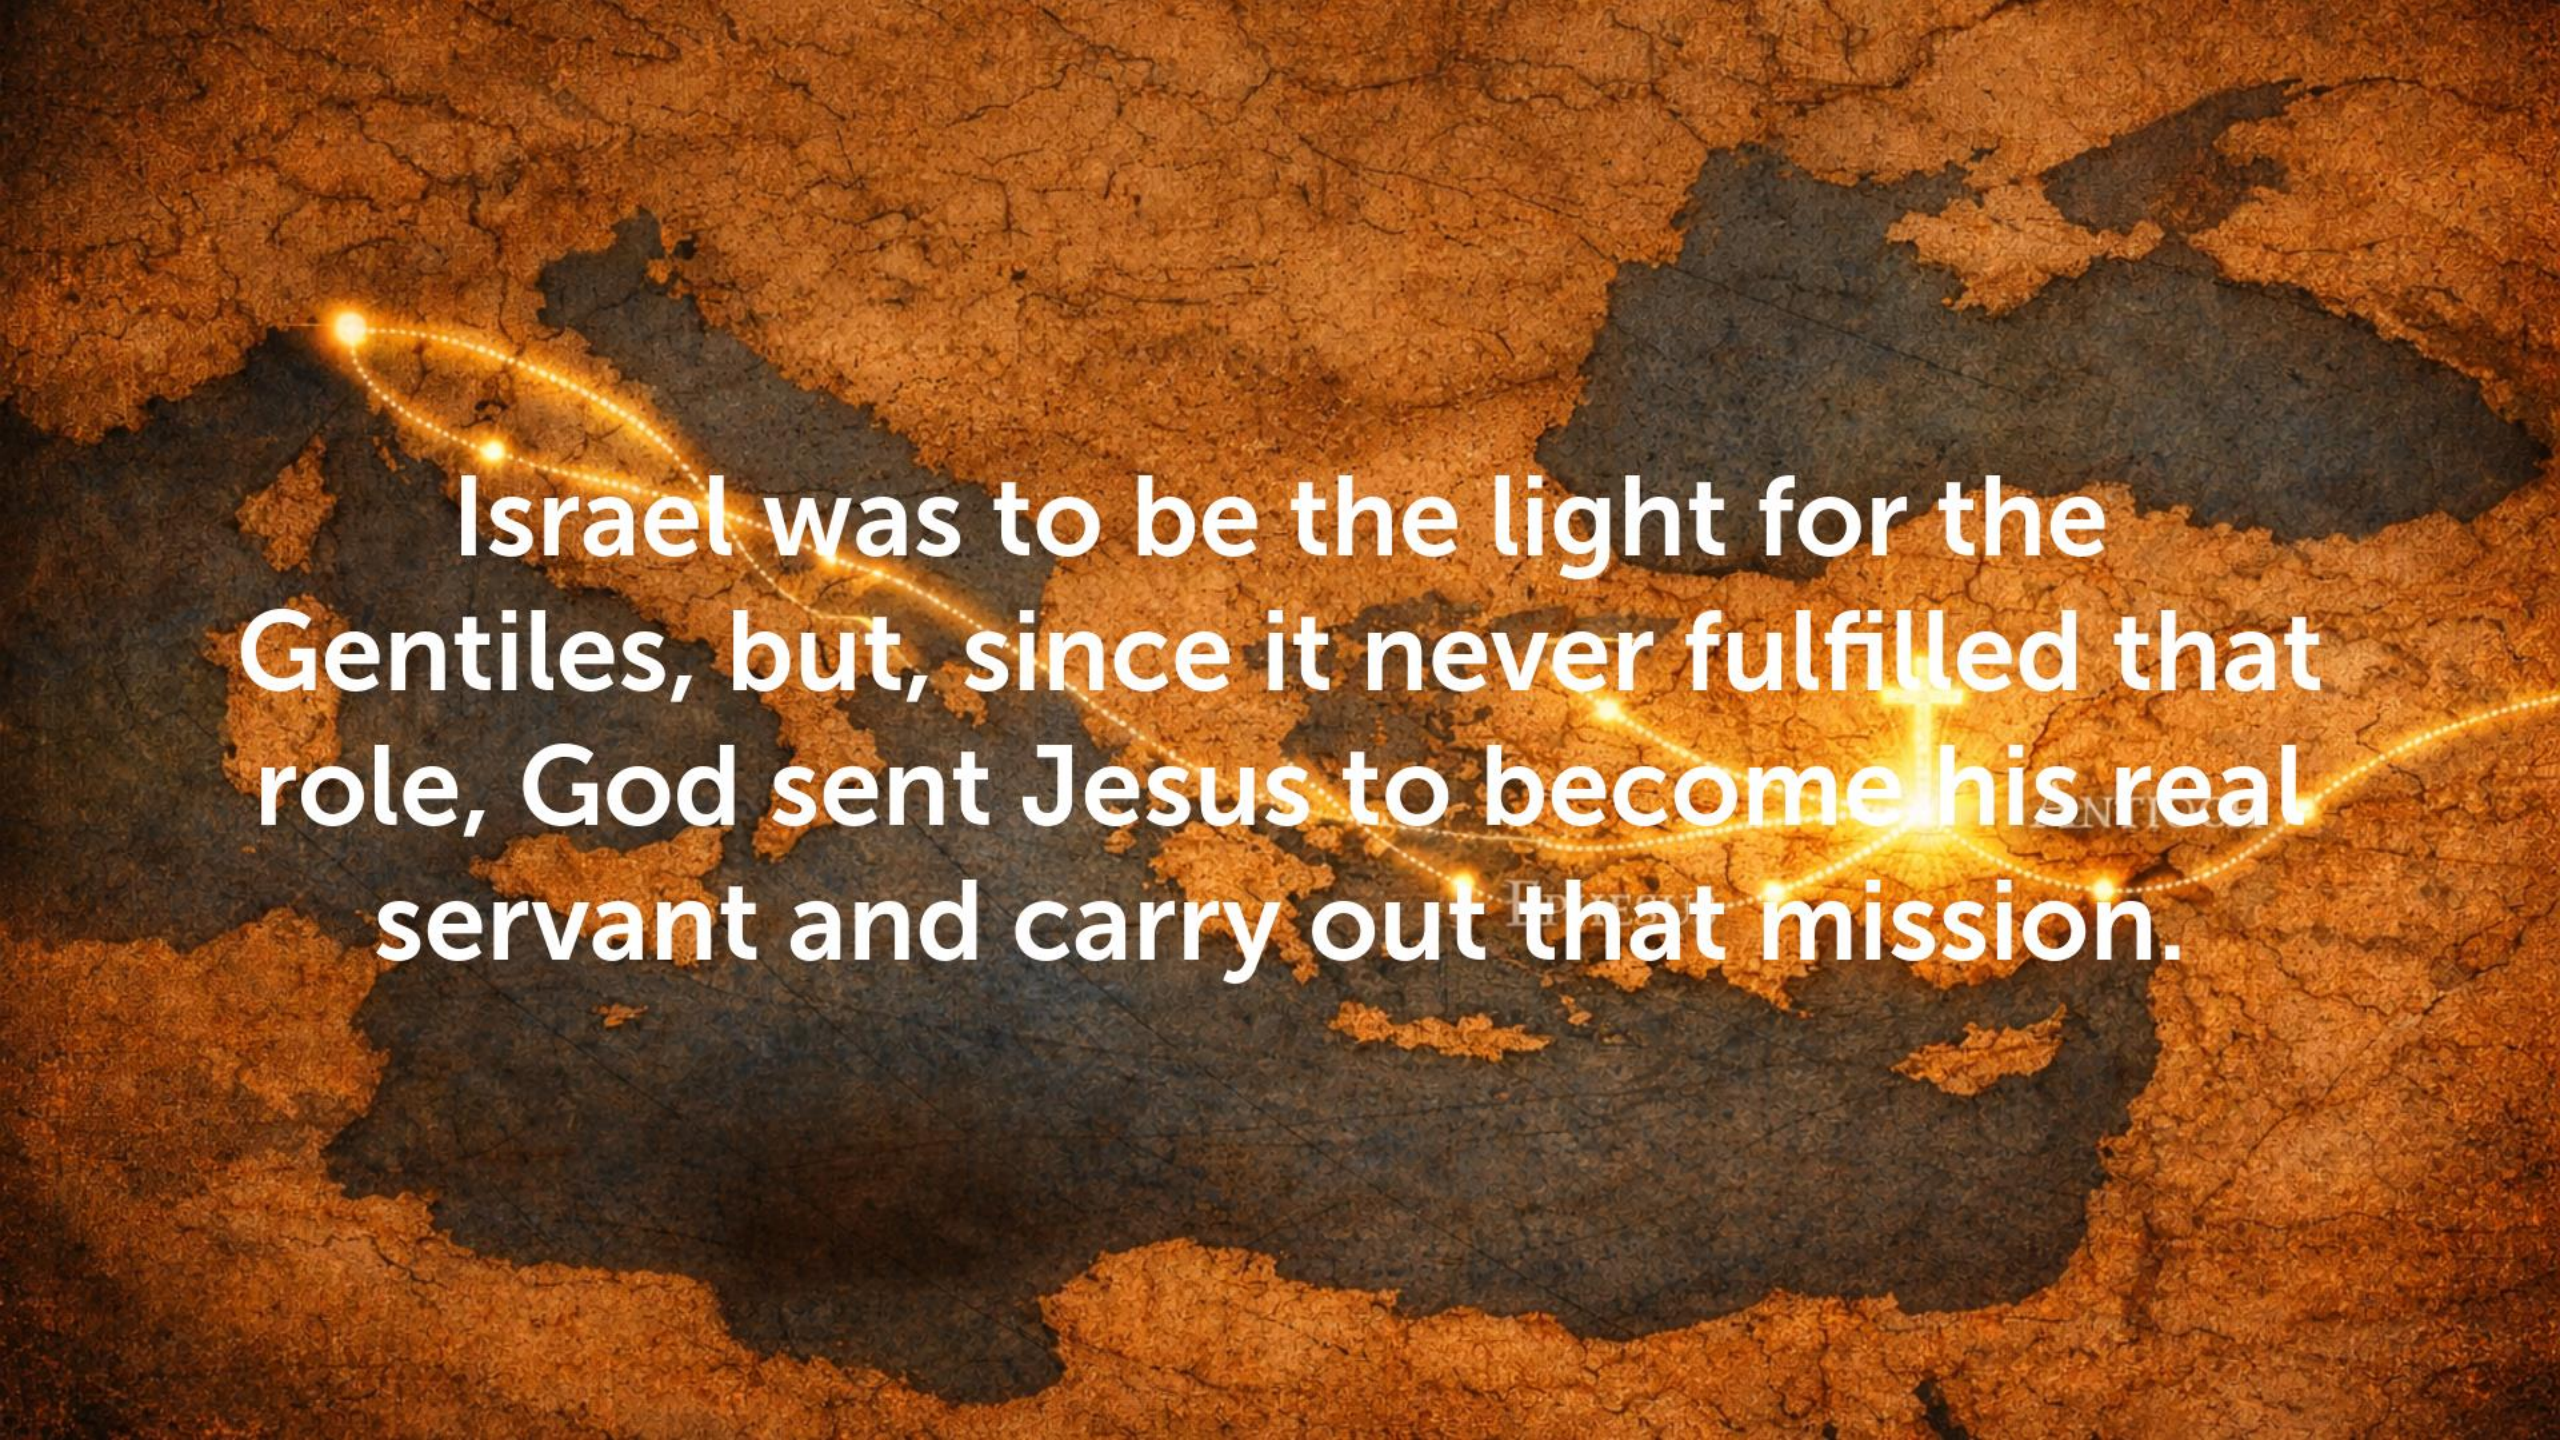

The only hope humanity has is for God
to be both sovereign and gracious.

EPHESUS

**God did accomplish His purpose
through Israel, not by their obedience or
faithfulness, but through their
blindness.**

ANTIOCH

EPHESUS

The background of the image is a world map. The landmasses are depicted with a cracked, brown, parchment-like texture. The oceans are represented by dark, solid blue areas. Overlaid on the map are several glowing orange lines that form a series of loops and arcs, resembling a celestial or orbital path. These lines are composed of small, bright orange dots connected by a thin, shimmering line. The text is centered over the map, primarily over the Atlantic and European regions.

Israel was to be the light for the
Gentiles, but, since it never fulfilled that
role, God sent Jesus to become his real
servant and carry out that mission.
