

# Battle Prep: Phase 2

Joshua 5

Until repentance  
becomes more than a  
word we say and  
becomes the posture  
we live, we will not  
see the power of God  
move among us.

God's provision is  
always on time.

God's provision is  
always for His  
purpose

Sometimes God calls  
us to wait and depend  
on Him. Other times,  
He calls us to go and  
work.

Victory will not come  
through our strategy  
but through God's  
authority.

Christ did not win our  
independence—He  
won us the  
opportunity to  
depend on Him.
