

# **Our Basic Needs**

**Joshua 20:1 - 22:34**

The cities of refuge  
are a reminder of our  
desperate need to  
find refuge in Jesus  
from the wrath and  
justice that we  
deserve.

The promises of God  
are experienced as we  
live in community  
together.

When we gather  
together as the  
people of God, we  
express our identity in  
Christ through  
worship, fellowship,  
and service.

The church is a place where we support one another—where we share burdens and strengthen each other in the faith.

God has elected the church to be ambassadors of His mission, equipped by His Spirit, and mobilized by His Son to cooperate in advancing His glory to the ends of the earth

Worship clarifies  
misunderstandings,  
brings peace, and draws  
us into the presence of  
God.
