
A SERMON SERIES THROUGH HAGGAI
RECOMMIT
RENEWED HEARTS | REBUILT LIVES | GOD'S GLORY
Don't Wast Your Life
Haggai 1:1-11

The people’s hard work returned void because their priorities were misaligned and their hearts had grown cold or indifferent to the things of God.

The path of authentic discipleship
begins by seeking first the kingdom of
God and his righteousness.

If you’re not careful, the routine of providing for yourself will create a dangerous complacency that ultimately results in you wasting your life.

Countless Christians have been laboring
in vain because their priorities have
been hijacked.

When the people work to glorify God,
God meets the needs of the people.
