EPHESUS

ANTIOCH

The background is a textured, brownish-gold surface resembling cracked earth or parchment. Overlaid on this is a dark, irregular shape representing a map of the Eastern Mediterranean. A series of glowing yellow-orange stars are connected by a dotted line, forming a path that starts in the upper left, curves around the text, and ends in the lower right. Two specific points on this path are labeled with the words 'EPHESUS' and 'ANTIOCH' in a serif font.

**Humility is about our posture before
God first and foremost.**

EPHESUS

ANTIOCH

The Gospel makes us humble by:

1. Exposing our sin.

2. Allowing the Holy Spirit to make us a loving people.

3. And making us courageous so that we do not fear the enemy.
