

The background features a dark blue field on the right and a textured green area on the left. A yellow line curves across the top right, and a series of vertical yellow lines of varying heights are positioned at the bottom left.

The Groundwork For Revitalization

Nehemiah 1

God is interested in these walls and these people because God is fulfilling His promise to bring salvation to the ends of the earth.

Obedience to the Word of God is the blueprint for revitalization.

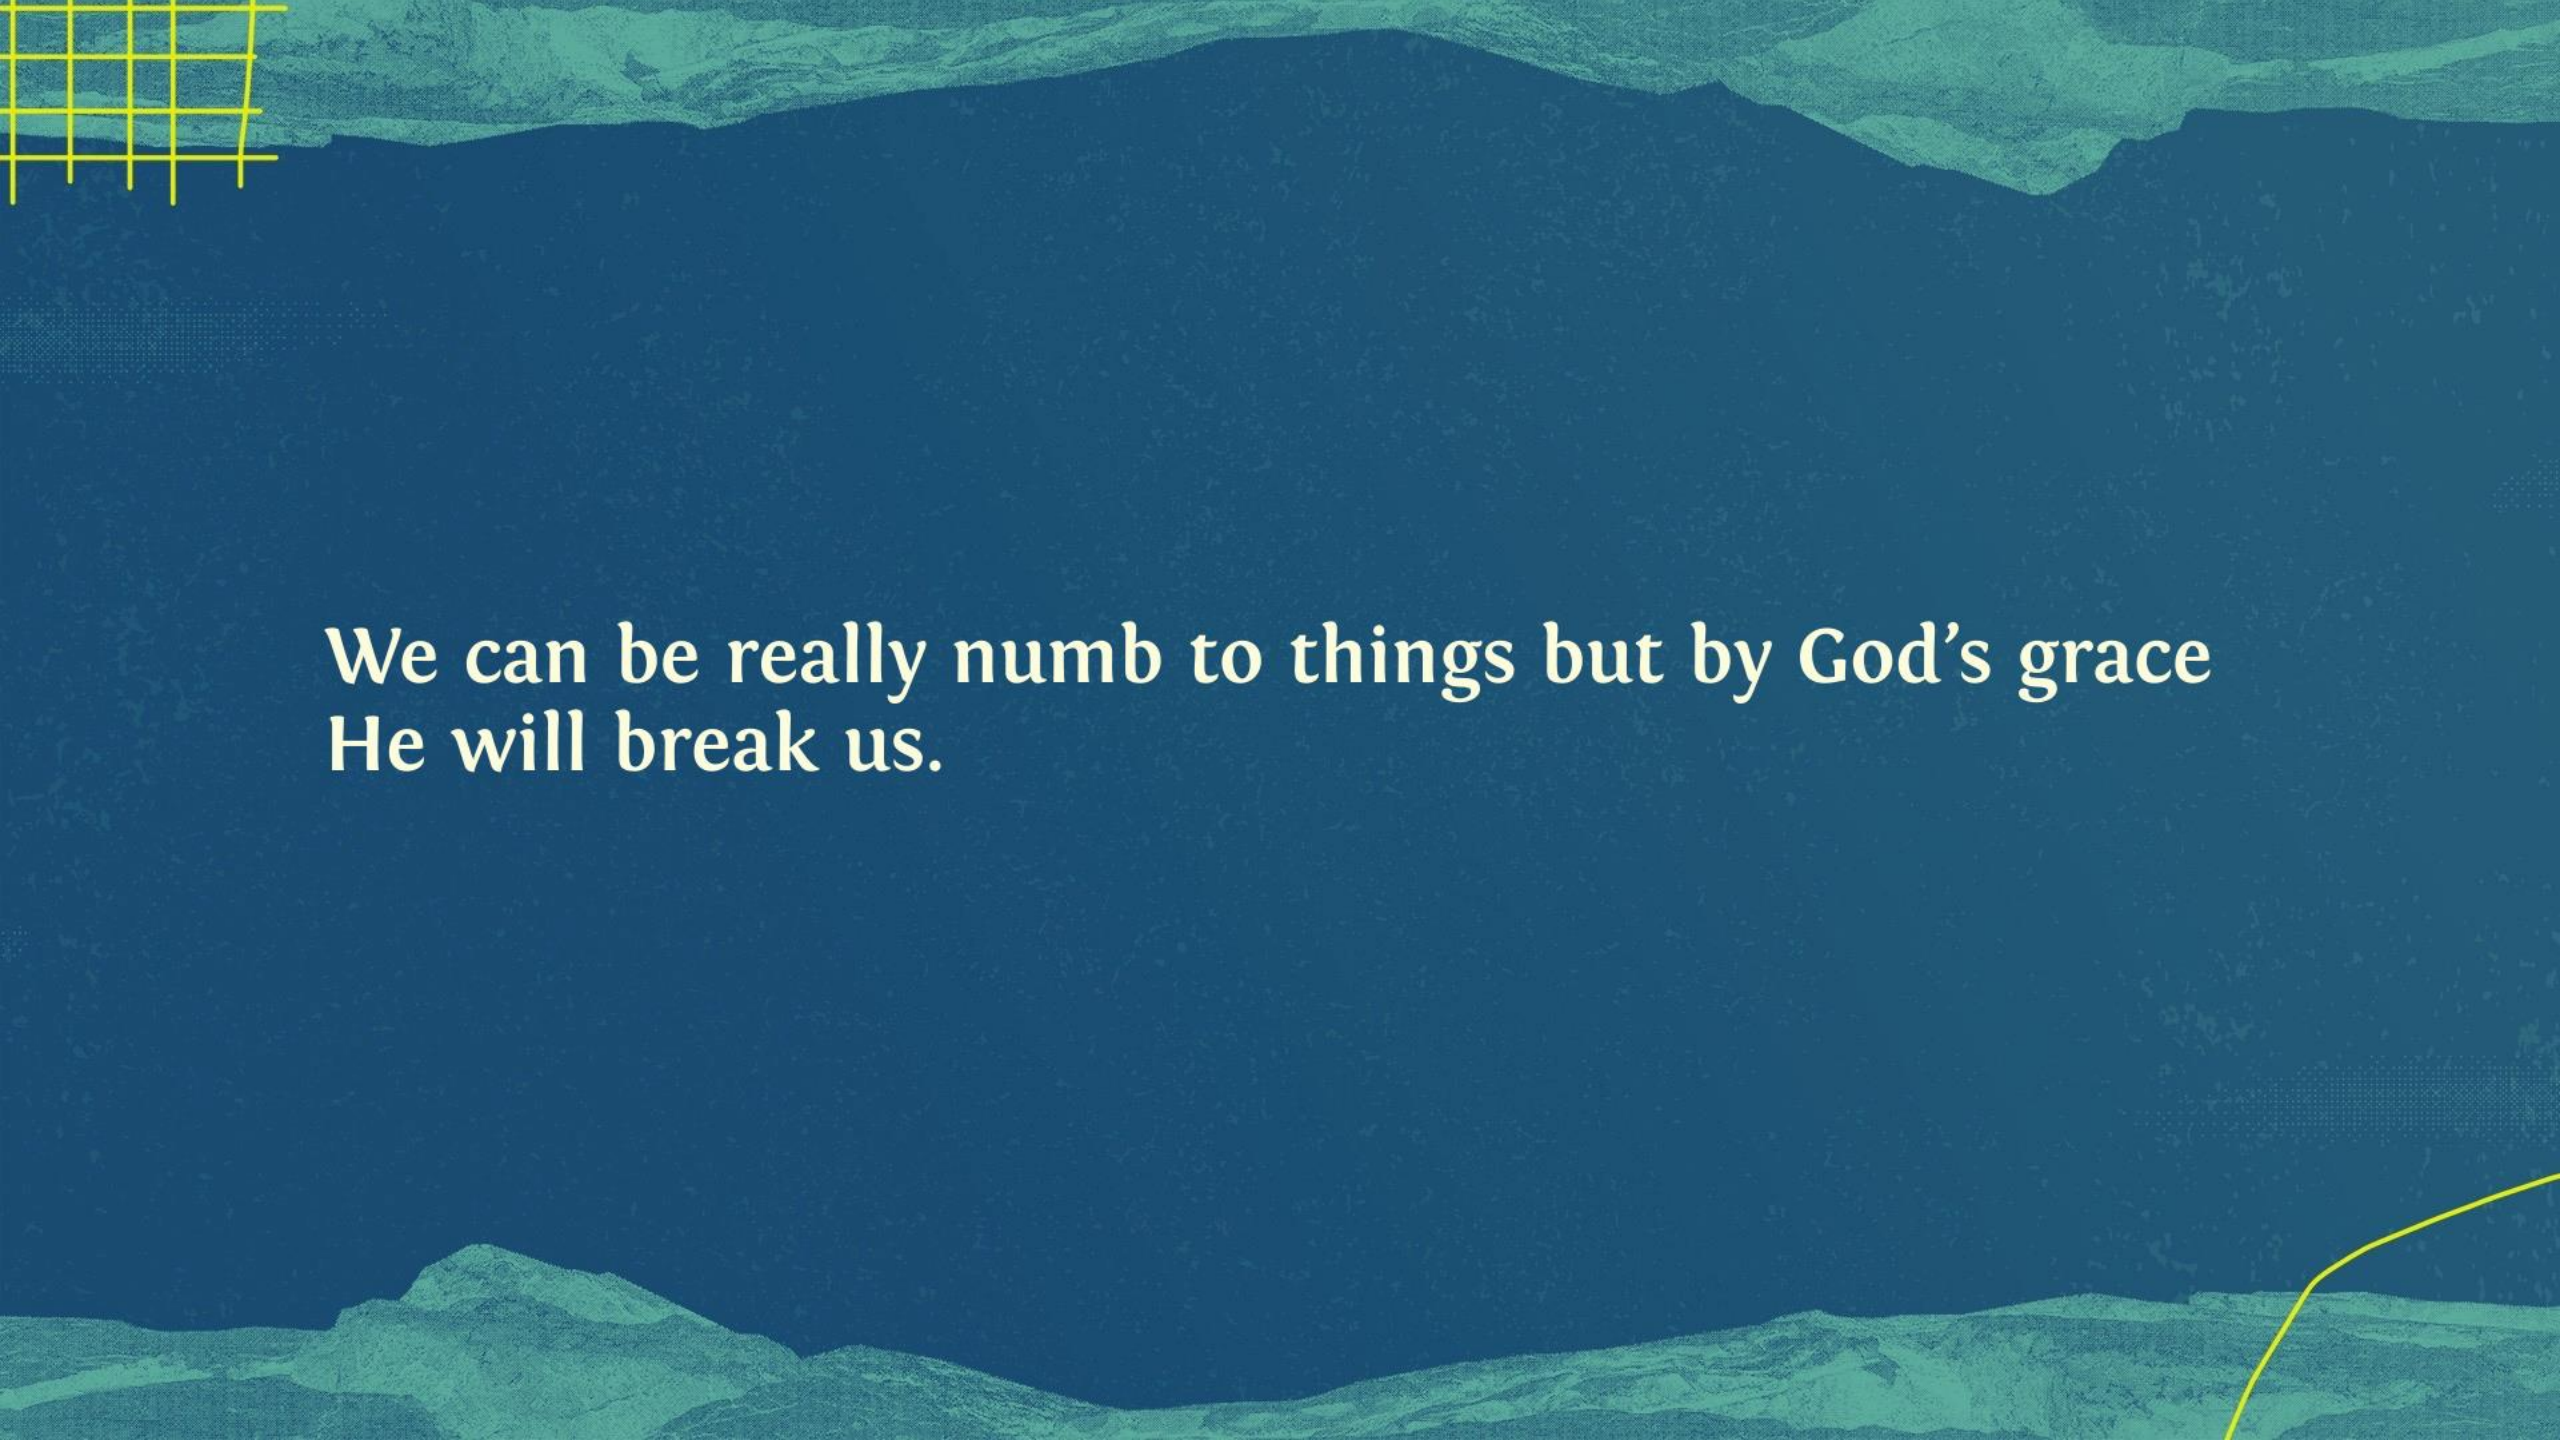

God does not need our qualifications, he wants our
faithfulness.

An honest assessment is not a selfish assessment.

Prayer is essential for doing a great work of God.

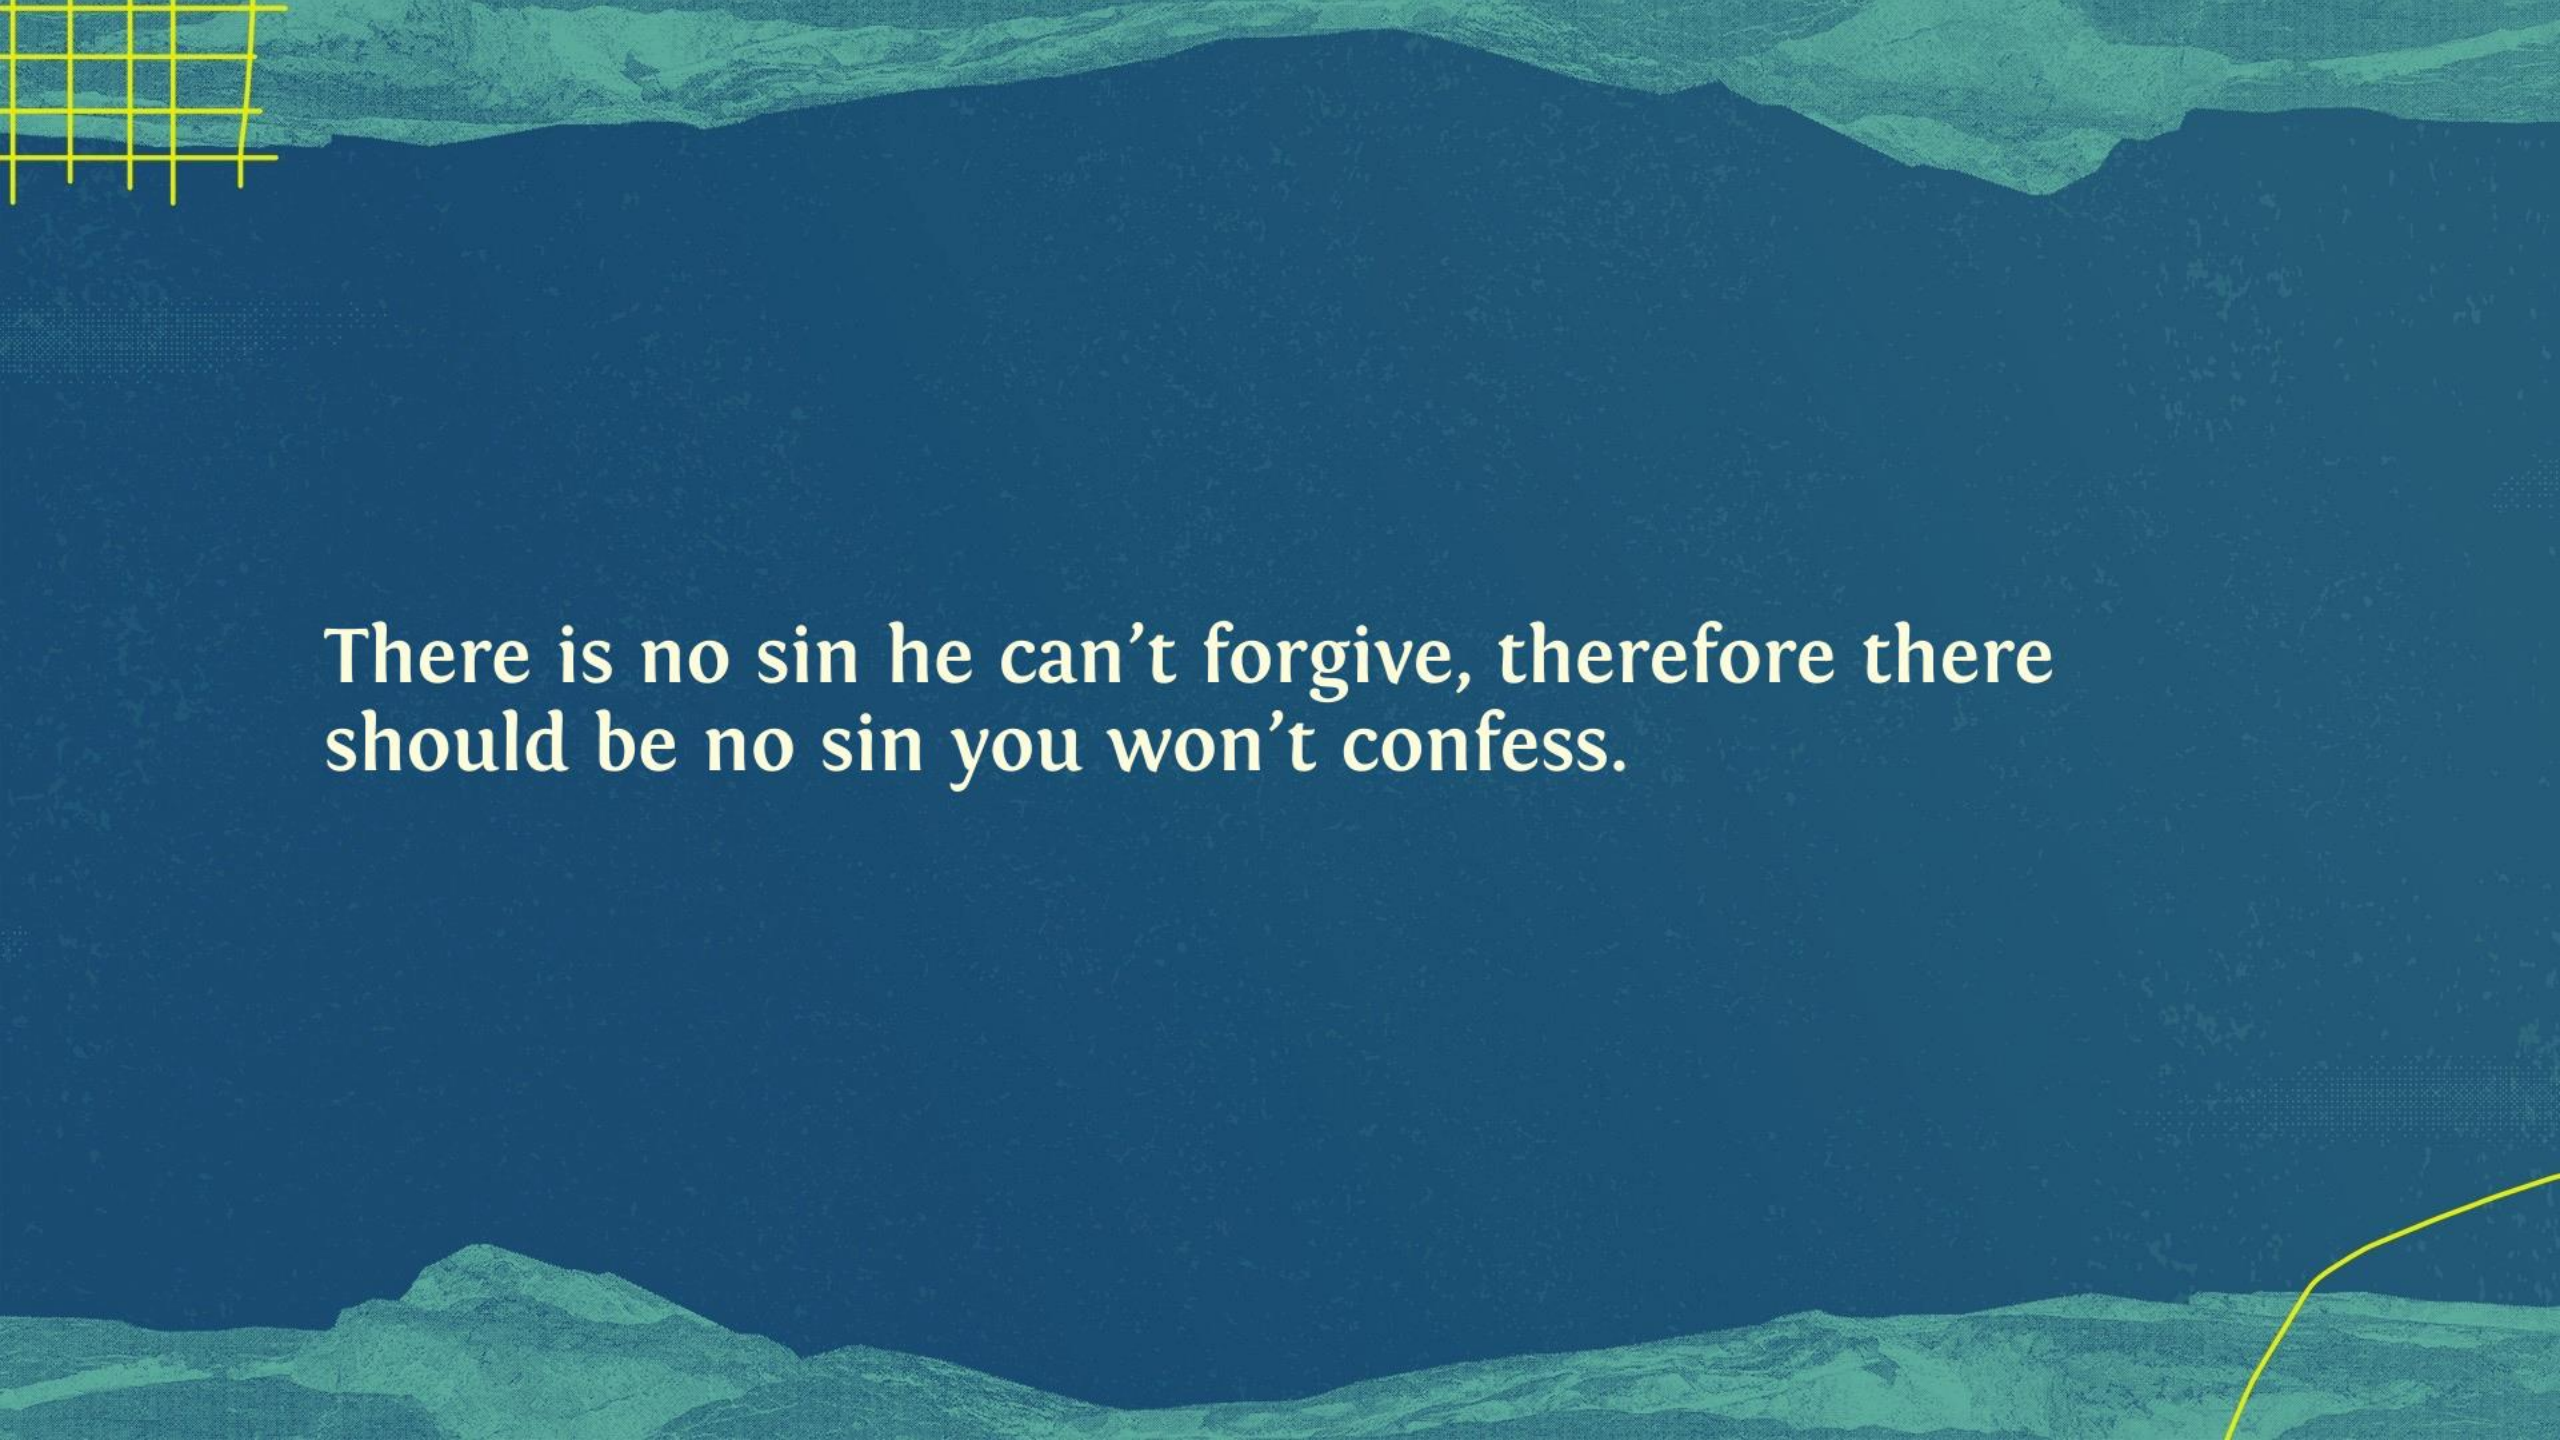

We can be really numb to things but by God's grace
He will break us.

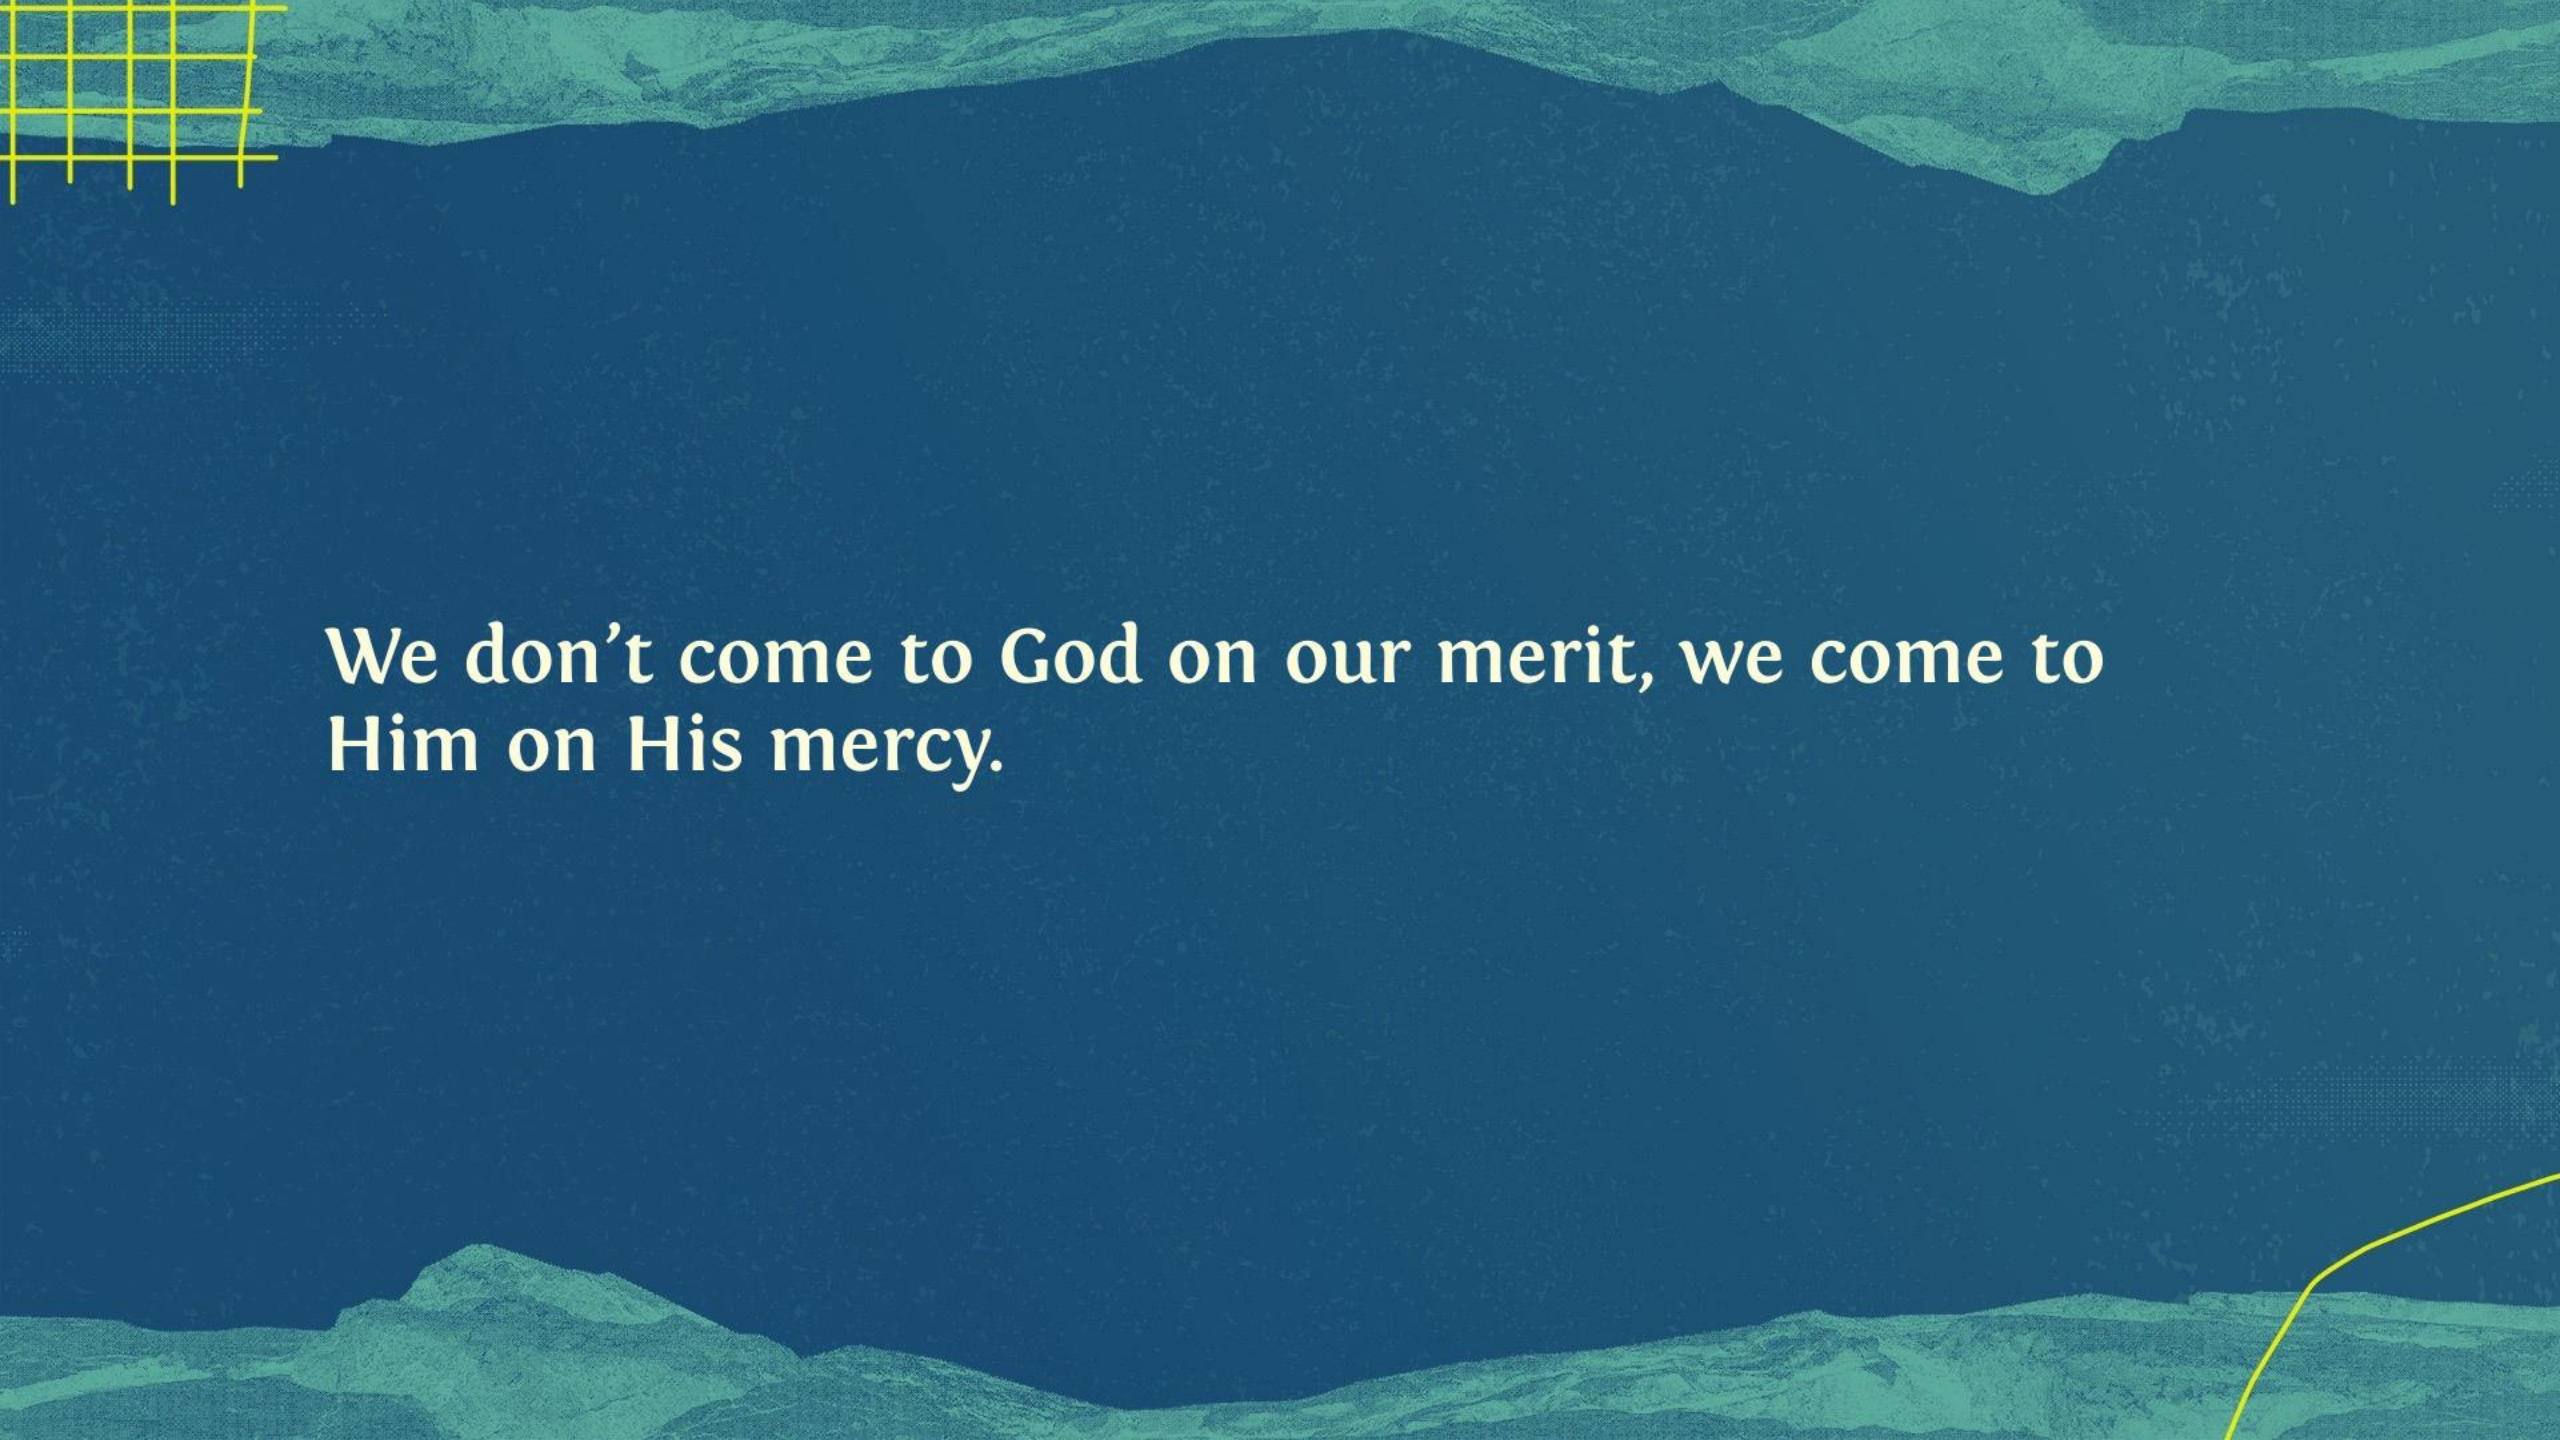

We don't begin with the size of our problem before God, but we begin by declaring the greatness of God over all things.

There is no progress in the Christian life apart from repentance.

There is no sin he can't forgive, therefore there should be no sin you won't confess.

We don't come to God on our merit, we come to Him on His mercy.
