On Trial and On Mission

Who is it that my hardships give me an opportunity to show and share Jesus with?

ANTIOCH

EPHESUS

Our job is to share the comprehensive
benefits of the Gospel to a
comprehensive audience.

ANTIOCH

EPHESUS

The background is a textured, brownish-gold surface resembling cracked earth or parchment. Overlaid on this is a dark, irregular shape representing a body of water, likely the Eastern Mediterranean. A series of glowing orange-yellow dots connected by a dotted line forms a path across the map. The path starts in the upper left, curves down and right, then branches into two paths that converge at a bright, multi-pointed starburst in the lower right. The labels 'ANTIOCH' and 'EPHESUS' are placed near the starburst.

**Fear of disobedience to God is the
healthy fear.**

ANTIOCH

EPHESUS

God provides the power and God
provides the message which centers on
the person Jesus.

Jesus on center stage.
