Acts 23:12-35

God's Providence In Our Problems

The background is a textured, cracked, brownish-gold surface. Overlaid on this is a dark, irregular shape representing a body of water or a landmass. A series of glowing orange-yellow dots connected by a dotted line forms a path that starts in the upper left, curves around the top, and then descends towards the right. Two specific points on this path are labeled: 'EPHESUS' and 'ANTIOCH'.

God is already working before we know  
we need God's help.

EPHESUS

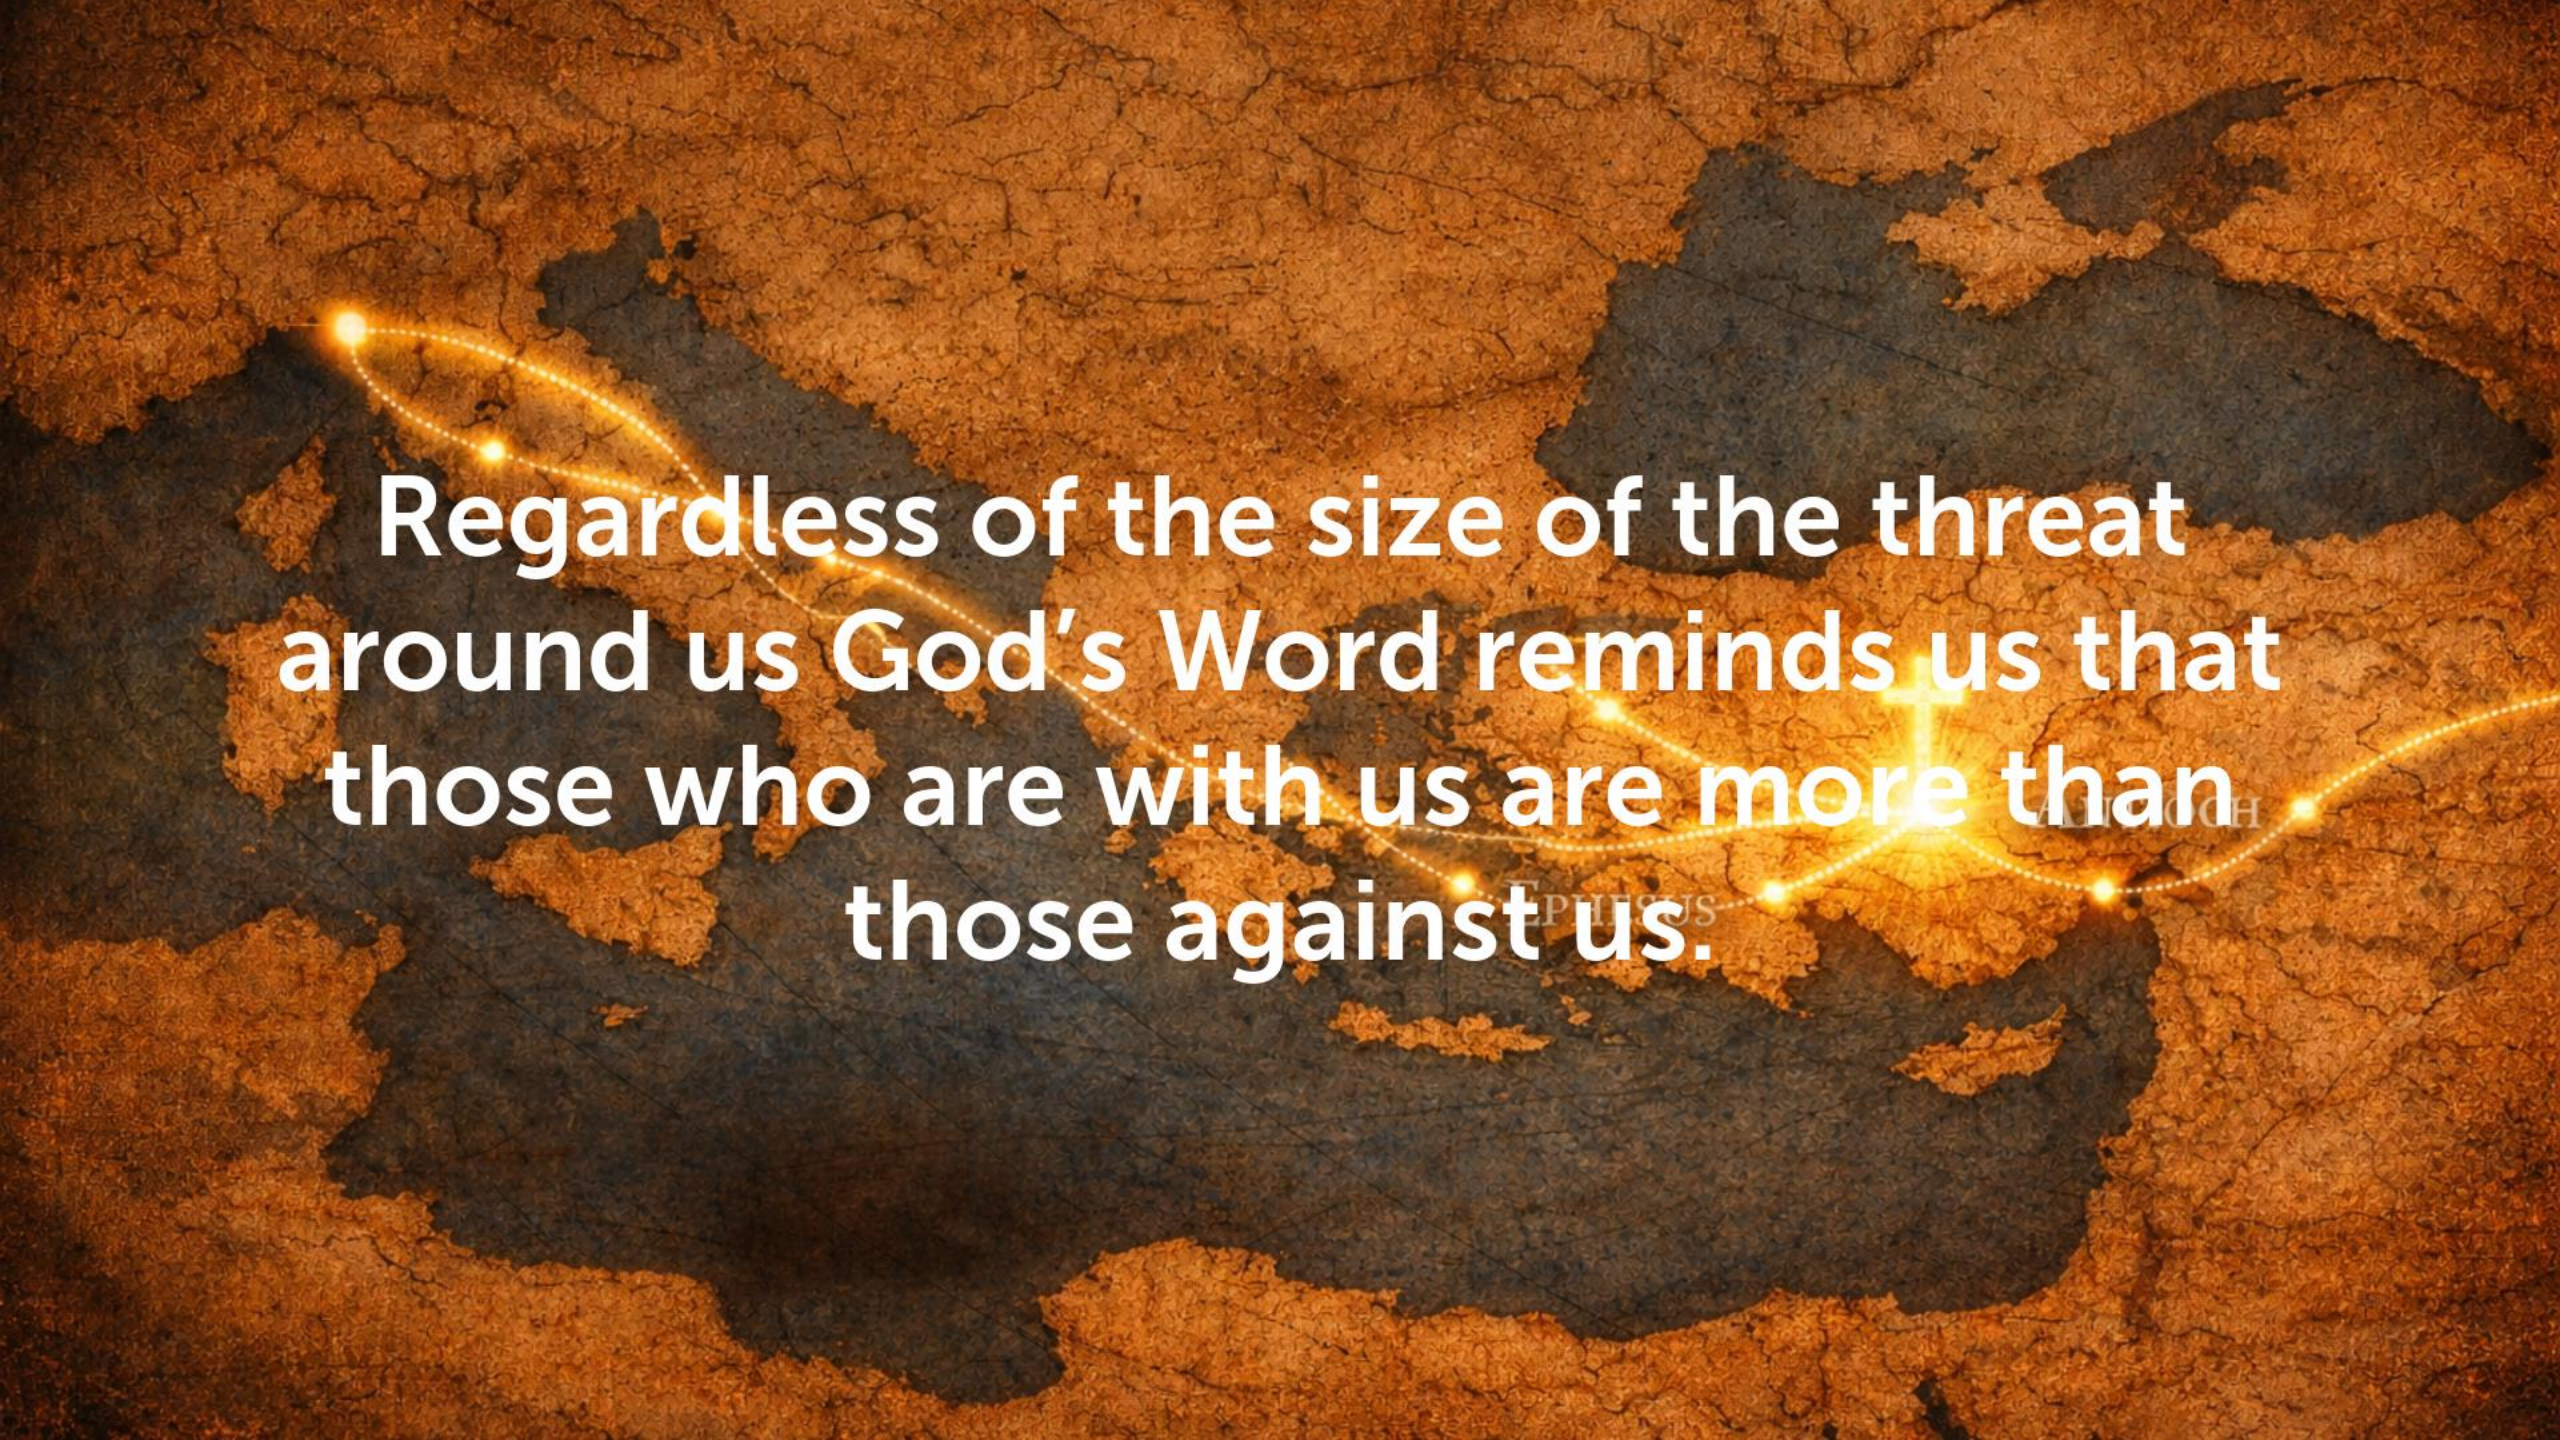

ANTIOCH

God doesn't need outwardly impressive  
people to accomplish His purposes; He  
needs obedient people.

ANTIOCH

EPHESUS

Regardless of the size of the threat  
around us God's Word reminds us that  
those who are with us are more than  
those against us.

We don't measure God's faithfulness by  
how peaceful our circumstances are.

EPHESUS

**We should not mistake the lack of  
spectacular events for the absence of  
God's hand.**
