Acts 20:17-38

Learning to be faithful in God's Mission

We do not serve Jesus in order to get something, we serve Jesus because we already have something.

ANTIOCH

EPHESUS

How do we embrace a life of selfless surrender?

1. Consider the cross of Christ.
(Remember what your life cost.)

2. Receive the heart of Christ.

God does not save you without a plan to
use you.

The background is a textured, aged parchment map of the Eastern Mediterranean. A glowing orange path with several bright points starts from the upper left, curves around the coast of the Black Sea, passes through the Bosporus, and continues along the coast of Asia Minor. Faint labels for 'ANTIOCH' and 'EPHESUS' are visible on the map. The text is overlaid in the center-left area.

**When we think about our heavenly
reward, we would do well to remember
that they do not give medals to
spectators.**

Paul's example challenges us to have:

1. Commitment without regard for self.

(v.25)

2. Commitment without regret. (v.26)

3. Commitment with resolve for God's Word. (v.27)
