

FIRST LUTHERAN BROOKINGS

...engaging life and the world, by and through God's grace.

Volume 25 Issue 3 June - July 2024

Beloved in Christ,

“Who am I created to be?” Chances are this is a question you’ve returned to multiple times over your lifetime. No matter how well formed our sense of identity may seem, to be human is to wonder who we are, who we are meant to be, and why we were made. We are always, in the best way possible, creatures still becoming, growing into who God has in mind for us to be. This becoming is a wonderful, awe-inspiring mystery and gift.

The Psalmist says it beautifully:

For it was you who formed my inward parts; you knit me together in my mother’s womb. I praise you, for I am fearfully and wonderfully made. (Psalm 139:13-14)

We’ve been blessed with the Word that tells us our Creator God is a loving God who formed us from the dust of the earth and breathed life into us for the sake of love. That we might have life abundantly. That we might share that life generously, trusting God to give us what we need. We were created good. We were created to be something. Thanks to Jesus’ cross and resurrection, the power of sin will not keep us from becoming what God envisions us to be.

This summer, 21 youth and 4 adults from our congregation will travel to New Orleans to join thousands of ELCA Lutherans at the Youth Gathering. Over the years, this faith-forming event has been part of so many people’s stories of who we are and who we understand God to be. This year’s theme, Created to Be, will lead a new generation of young people to grow in these understandings. Each day we will explore a different dimension of who God has created us to be:

We are created to be...

brave, to show up with an open mind and heart, willing to be challenged.

authentic, to bring our whole selves and know that we are loved by our Creator.

free, to be transformed by the gospel.

disruptive, to work for justice for all our siblings.

disciples, sent out into the world to love our neighbor just as we are loved by God.

In our summer worship services leading up to sending this group on their way, our whole congregation will explore these same truths and discover how the Gospel propels us to be exactly who God has created us to be. As we journey together in this, know who you are: beloved Child of God. And know that God’s love in Jesus is yours forever.

Peace,
Pastor Jess

First Lutheran Church Children's Ministry News June - July 2024 Newsletter

June is the beginning of Camp season. Lutheran Outdoors (LO) begins camp sessions June 9 and runs through August 9. If you have ever gone to Church camp you know there is something magical about it all. This is a wonderful opportunity to be with friends, make new friends, spend time off screens and with nature all while being filled with the Holy Spirit in ways you never would expect. Families, how does a calm, family vacation where someone plans everything for the kids, cooks, cleans, and gives you time to just be still sound? That is basically what you will experience at family camp at the LO camps in the beautiful Black Hills of South Dakota.

The wonderful thing about LO is that they don't want anyone to miss out on these amazing experiences due to finances; thus, they have scholarships. You can find this information on their website www.LOSD.org.

A wonderful thing about the First Lutheran Church community is that we also have scholarships for camp. Contact the office for this information. Church camp is an experience that will live in your memory and heart forever. Give it a try.

Just can't make it to camp. How about joining us for Vacation Bible School?

This is going to be an exciting year for Vacation Bible School. Our Children, Youth, and Family team are planning 4 exciting 1.5-hour sessions in July (22-25) to gather as families, get silly, praise God in fun ways, and spend time with God and each other.

Journey to Discipleship 24-25 and Steppingstones

Journey to Discipleship at First Lutheran Church follows the Brookings school District schedule when it comes to snow days, holidays, and such. This year the school district will be starting later due to construction. FLC will be keeping on track with our regular scheduling. This means that our RALLY DAY or kick off to the new educational season will be on September 8 between services.

This is a great opportunity to meet volunteers, classmates, check out the rooms, and just get excited to be together again. September 8 will also be our Back to School Blessing at both Sunday Services.

Our first day of Journey to Discipleship & family gathering will be:

**Wednesday, September 11 @6 pm
Sunday, September 15 @ 9:40 am**

Families will receive valuable information at the first meeting that will support many of your questions throughout the year.

Our first steppingstones of the year:

Sunday, September 15 4-year-old sanctuary crawl held at each service. This is where your 4-year-old will graduate from nursery care and receive their own specially made worship bag.

Sunday, September 22 - 3-year-old steppingstone where children receive their story bible from the congregation and welcome for those beginning Journey.

Did you know? Summer is a time when people are out enjoying the short-lived warm SD weather, outdoor activities, and traveling. The church offers one service during Sundays in summer. Because of these factors you may not be around as much to realize how much is being done inside the walls of the church during the summer months. This is a time of furious preparation for all the programming during the educational season. June-July and into the beginning of August are when the “magic” happens. We are setting up class lists, recruiting volunteers, training volunteers, cleaning rooms & equipment, planning lessons, ordering supplies, assigning classrooms, working on (yes) Christmas programs, Faithful events (Advent, Easter, lock ins, etc.) Meeting with our Children, Family, and Youth team, planning steppingstone classes/blessings, creating email lists, setting up classroom binders with attendance, allergy sheets, emergency info, everything guides will need to feel comfortable and informed during the Journey season. We work on information for parent meetings as well as take home materials.

This is also a time when staff are using up any personal days before they expire in September.

There is so much happening during these summer months.

To help us out we ask that you register your students as soon as possible, sign up to volunteer (even if it is a few times during the year), consider joining our children, youth, and family team, and keep up with information that comes out from our ministry.

THANK YOU SO MUCH!

NEW PROGRAMS

The church is working on a plethora of new programs as we work through our strategic planning, have acquired a few grants, and continue to welcome new congregants.

One such program is the Acorns and Oak Trees Grant that came from the SD Synod. This grant and donations from members have allowed a

very, very excited group of people to begin a new ministry for families with our youngest children. This spring a number of people were able to join Dr. Dawn Rundman for zoom sessions on how children’s brains develop and how to infuse faith into their lives in an easy, developmentally appropriate manner. Dr. Rundman has been a part of starting ministries for those with children in the youngest age group. After sharing how to start and successfully support such a ministry our participants are ready to get started on the next phase of the ministry.

If you are a parent, grandparent, family member, caregiver, or someone interested in connecting with others who have young children this is for you.

Watch the church communication channels for more information and contact information.

Nursery Care updates

FLC provides trained, paid nursery care providers for children birth to 3 years old. The plan is to start the summer with 1 care provider. Our practice is to have 2 care providers. We are asking parents using the nursery during the summer to consider spending time with the scheduled provider when your child attends. It is a safety issue when we do not have two people on duty with even one child. If we do not utilize the nursery or continue to run low on care providers, we will reevaluate the availability of the nursery.

FLC does our best to provide nursery during Journey to Discipleship classes to allow our adults to volunteer for those programs. We also do our best to provide care during some committee meetings, classes, and certain events. We are currently working to provide care services for children 4-8 years in a separate setting during various events. The shifts are often short. The care providers range from Middle School age to Grandparents

(continued on next page).

. With the growth that the church is experiencing right now we would prefer to have a large pool of care providers to ensure we have a safe, nurturing environment. We also find that there are times when illness is going through the staff or events in the community create staffing availability issues.

Once children turn 4 years old, they are provided with their own or a community use worship bag, children's bulletins, and we have a space at the back of the sanctuary where they can take a moment if needed. First Lutheran Church believes that God created little children to move, wiggle, make noise. We are all precious children of God who learn the rhythm of worship, the joy of praising God, and the feeling of belonging to this community through attending worship. We welcome all to worship.

If you or someone you know are have questions or are interested in working in our nursery contact Michelle EyKamp at nursery@firstlutheranbrookings.org.

These kiddos made 121 health hygiene kits, so Tim & Jen Swartz, Brenda Hayne & Mary Moeller brought ice cream treats to Volga Christian School.

Thank You

Dear Siblings in Christ of First Lutheran,

It is with great gratitude and a fair amount of sadness that I write to let you know of the upcoming departure of our Director of Youth Ministries, Madison McCabe. I am so thankful for the nearly four years of ministry and care that Madison has dedicated to our community of faith, particularly its young people. Madison has led through change and served as an agent of relationships helping young people connect with God and one another through Covid uncertainty, pastoral transition, and the ups and downs of life in middle school, high school, and beyond.

Now it's our turn to see Madison through a time of change as they prepare to move to be closer to their significant other. Let us pray that God continues to make a path clear into the future, as we trust that the Holy Spirit will accompany Madison all along their way. At the same time, we trust the Holy Spirit will guide us as a congregation and provide us with all that we need in order to continue life in the Gospel in the season to come.

Here is a note from Madison as we share this news with you:

Hi friends, What a privilege it has been to journey through life with y'all these last 4 years. When I was hired in 2020, I was asked what I hoped my ministry would look like in 5 years. As you might imagine, it has looked quite a bit different than that answer four years ago. The foundations have turned out to be the same: creating a space where youth feel comfortable to be their authentic selves, where they feel loved and safe enough to question and explore what their faith means to them. To leave this community and these young humans whom I have had the pleasure to grow alongside is a choice that pulls heart strings, but I know God to be ushering me along my path forward. I would love to chat more and say a proper goodbye to folks, so please do invite me for a walk or for a coffee. Your words of encouragement in this time of transition mean a great deal to me. I know it to be a blessing to feel the need to mourn, celebrate, and hesitate when leaving a community that has been so kind to me. Thank you for walking alongside me and I ask you to pray for the transitions ahead for all of our community. In peace and prayer, Madison

Madison will continue to serve in their role until the middle of August, and we have a few adventures together still ahead with the Youth Gathering in New Orleans and other upcoming activities for Middle Schoolers and High Schoolers to gather to enjoy this summer. Please be on the lookout for opportunities to thank Madison and celebrate their ministry as we send them off into their next chapter. Also in the coming weeks, we will assemble a team to help find who God is calling next to help us live out our mission among youth and their families. If you would like to nominate someone to serve on this search team, please let me know.

Scripture contains God's promises for every challenge we may face, and it holds blessings for us all in times of change. Hear this Word of God from Joshua 1:9: "I hereby command you: Be strong and courageous; do not be frightened or dismayed, for the LORD your God is with you wherever you go."

Trusting God together with you,
Pastor Jess Daum
