

FIRST LUTHERAN CHURCH BROOKINGS

Volume 27 Issue 5
October/November
2026

Fostering Faith. Creating Community. Loving All.

Dear First Lutheran Family,

How inspiring it can be to watch our congregation faithfully take care of business together! Our annual meeting on Sunday, September 27th, was a wonderful success. Thanks be to God for everyone who chipped in to check in voting members and serve lunch to 150 people, both those who committed in advance and those who saw a need and jumped into action.

That same spirit carried into the business of the church. 128 voters showed their profound care for our congregation, many staying a long time for five council ballots. I'm grateful for the tellers, those we planned for and those who were added, who worked hard to facilitate our election. We had no idea tallying would take quite so long, and thankfully, our newly formed Constitution and Bylaws Task Force can offer rules for improving the voting process next time!

Yet, even in the waiting, the Holy Spirit was at work. Between ballots, someone realized the physically demanding job of hauling out 400+ Lutheran World Relief quilts to the semi awaited just a handful of people, a task that would have taken them a very long time. An impromptu invitation was announced, and in minutes, many hands made incredibly light work of a massive job! It was a beautiful moment of spontaneous service. One member saw the silver lining of that "at ease" time and said, "God must have known we needed some good conversation and connection with each other at our tables."

The most difficult part of the meeting was choosing from eleven fantastic individuals whose hearts had been opened to serving through prayer and conversation. It took five ballots to call our three new council members: Mary Kleinjan, Mike Twedt (continuing), and Chris Larson. Thank you to all who took part in this churchly discernment process.

Looking ahead, I am especially excited to see how God will engage the gifts and willingness of the other eight individuals who were not elected to the council. Through discernment, they saw they had the space to serve the Church in a deeply committed way, and I believe they still will. We need all eleven of these leaders for big, important things this year as we return to the priorities we named in our strategic planning two years ago: welcome, relationships, and shelter.

An enormous thanks goes to Hanna Holmquist who served incredibly faithfully as our Council President this year. She dedicated countless hours to tending our community of faith, and her preparation and poise led our meeting to its unifying actions. We must also express due gratitude for Keith Corbett who concludes a season of dedicated service on Council.

From the fellowship at our tables to the people around the world who will receive those quilts, God's grace continues to weave us together in action and purpose.

In Christ's love,
Peace, Pastor Jess

A Lifelong Journey: Introducing Adult Steppingstones

In Holy Baptism, the main event has always been the Word of God proclaimed, declaring someone a child of God, giving them the gifts of the Holy Spirit, and welcoming them into the Body of Christ. Around that gift gather others who promise to raise the baptized in faith and a congregation that promises to support them.

For years, our congregation has sought to keep these baptismal promises in a variety of ways, particularly through our Steppingstones ministry. We have supported children as they learn the Lord's Prayer, receive the holy scriptures, and explore Holy Communion. Through faithful catechesis and faith formation in Journey and Confirmation, we have joyfully taught and accompanied young people, nurturing them in faith and prayer at stops along their journey.

But a life of faith does not conclude when someone completes Confirmation classes or graduates from high school. Adulthood brings its own markers on the journey: transitions, triumphs, joys, and seasons of vulnerability. Faith is a gift worth exploring throughout all of life, and there's no better way than to intentionally mark life's holy seasons with prayer, blessing, learning, and fellowship. This year we are marking three Steppingstones for holy seasons in adulthood. They are opportunities for the church to nurture adults in faith and prayer through life's unfolding chapters.

The Caregiving Steppingstone (October 18)

Caregiving is a profound vocation entered out of deep love. However, the daily reality of caring for another can also lead to burnout, exhaustion, and spiritual depletion. In worship on Sunday, we'll include a recognition, prayer, and blessing for anyone serving as a caregiver. (No one will be singled out individually). We also have a caregivers devotional written by trustworthy authors from around the South Dakota Synod. May this Steppingstone be a "cup of cold water" for those who may be parched from the call of caregiving. As always, contact the church office if you'd like a pastoral visit or if you'd like a Caregivers Devotional.

The Grandparenting Steppingstone (February 7)

Grandparenting is often a season of joy, but it can also be accompanied by the grief of distance, worries about health, or the anxiety of watching your children raise their own families. Drawing on the biblical image of Simeon and Anna, who waited faithfully in the temple, we will celebrate the holy vocation of waiting, praying, and blessing the next generation.

The Jubilee Steppingstone (Spring 2027)

Finally, in the spring, we will hold a Jubilee Steppingstone to celebrate those who are 65 and older. It is a time to honor God's ongoing work throughout life, recognize the gift of wisdom and perspective, and explore how the gifts of baptism continue to flourish in a new chapter of life.

I look forward to recognizing, blessing,
and supporting these holy seasons together.

Peace, Pastor Trey

Annual Stewardship Appeal 2027

Rooted and Reaching: Our Journey Forward Together

Dear Friends in Christ,

Our 2027 Annual Stewardship Appeal theme is "*Rooted and Reaching*," anchored in Colossians 2:6-7: "*Rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.*"

Like a healthy tree with deep roots, we are ready to branch out. We are called to reach out *reely* in deeper fellowship, *further* to discover the gifts in each of us, and *forward* to guide the next generation.

To live fully into this vision, we lift up three key priorities:

1. Cultivating Connection

This year, we are building more dedicated pathways for meaningful mutual support, so it is easy to find a clear, immediate place of belonging.

2. Revealing Hidden Potential

We are going beyond filling standard volunteer slots & actively deploying your untapped gifts.

3. Empowering the Future

To ensure long-term vitality for FLC, we are fostering intentional collaboration across the generations.

What Happens Next?

Watch for your stewardship appeal packet in the mail soon, including a detailed brochure expanding these priorities and a Statement of Intent. For now, please pray over Colossians 2:6-7 and consider how God is calling you to invest your time, talents, and financial resources. Together, let us remain deeply rooted in Christ and boldly reach toward the beautiful future prepared for us.

With deep gratitude, The Generosity Team
Lyle Anderson, Kris Seas, Jodi Andrews, Stephanie Bebensee, and Pastor Jess

Mission Coffeehouse Mission of the Month

We were able to send a check in the amount of \$1,406.57 to Lutherans Outdoors of SD from the July 2026 Mission of the Month.

The Mission Coffeehouse is sending August 2026 Tip Jar check to Lutheran Disaster Response in the amount of \$1,380.14.

"So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand." - Isaiah 41:10

What the Coffeehouse means to me

(LaDeane wrote this for the 20th Birthday Celebration)

When Pastor Jess Daum contacted me for an interview, I had recently accepted another job offer. I was interested in the management position at the Mission Coffeehouse, so I accepted the interview. It worked out just the way it should have. I am starting my 4th year of employment and I couldn't be happier. I am grateful to be a part of this amazing ministry, rewarding career and a wonderful family of friends.

Jeanne Eclov retired from the Mission Coffeehouse after 9 years of extraordinary service. You will still see her smile around here occasionally as she volunteers on occasion. I was blessed to have such a wonderful lady train me in. Jeanne is the culprit behind the delicious caramel rolls that I continue to make on Tuesday and Thursday mornings. 😊 This amazing addition is bringing more customers through the doors.

Not only did I get trained in with Jeanne, but I also worked alongside Deb Bortnem. No words can describe how grateful I feel. Not one, but two amazing individuals that I can now call a friend.

As most of you may know, Deb continues her part-time employment and full-time volunteer help. I am confident that I can speak for many others when I say that we are so lucky to have her with us. We like to refer to Deb as the energizer bunny. 😊 If she isn't busy keeping the coffeehouse in top shape, we will surely find her on a new task.

The 'Fill the Cup' campaign was taking off when I started my employment in 2023. It was time for an equipment update. With the help of our congregation, community, family and friends, we raised well over our \$15,000 goal reaching around \$19,000. We were able to install a new sink, dish sanitizer, refrigerated sandwich prep cooler, ceiling fan and a few other small upgrades.

The Mission Coffeehouse is one of a kind that started out in thought as a simple coffee shop ministry and is now a unique place for morning coffee or afternoon lunch. Our dedicated volunteers utilize their time and talent to help create this amazing atmosphere of our ministry and mission. I give so much credit to Carol Harwood, Carol Vanliere and Jeanne Eclov for all they did to continue this mission, support our community and create what we now have today.

With the support of God, First Lutheran Church and the Mission Coffeehouse I will continue our coffeehouse traditions and strive each day to be the very best I can be.

LaDeane Harrison
Current Mission Coffeehouse Manager

The Mission Coffeehouse celebrated its 20th Anniversary in September. On September 23, a daylong celebration brought together friends and supporters to mark this special milestone. Musical entertainment was provided by Mary Ermel and Pat Anderson on piano, along with Betty Franklin on harp. Throughout the month, photo displays highlighted memorable moments and cherished experiences from the past 20 years. Current and former Mission Coffeehouse managers also shared written reflections on the impact and history of the Coffeehouse. In addition, visitors were invited to leave notes describing what the Mission Coffeehouse has meant to them. This page features photos from the anniversary celebration, along with a selection of the heartfelt messages left by friends of the Mission Coffeehouse.

MUSIC DEPARTMENT UPDATE

**"FOR EVERYTHING THERE IS A SEASON,
AND A TIME FOR EVERY MATTER UNDER HEAVEN" ECCLESIASTES 3:1**

My season as the sanctuary choir director has come to an end. I am very thankful for the opportunity that I was given directing the Sanctuary Choir. This will give me more flexibility in our personal life. I would like to thank all the faithful singers who have shown me love and support.

Sanctuary Choir has a new director! April Mendiola, M.M. will be the new director. April is the new choral director, music educator, and vocal instructor at SDSU. She has extensive experience in directing and I am anxious to see and hear how our choir grows and improves under her leadership.

There was a Meet and Greet for April on Wed. September 16th at 7:00 pm along with a short rehearsal. Regular rehearsals will be held every Wednesday night at 7pm in the Mission Coffeehouse meeting room.

New members are welcome anytime!!

Handbells Choir rehearsals have also begun. They practice at 5:45pm on Wednesday nights in the Music Office. If interested, stop by a practice or call the church office for more information.

Praise be to God for the gift of music.

Pat Anderson, Music Coordinator for the 8:30 service.

ANNUAL MEETING
Many people attended the annual meeting and enjoyed the potluck style lunch! During the actual meeting portion, children were entertained by volunteers from the SDSU University Lutheran Center.

We are off to a wonderful start at preschool! The children are settling into their routines, making new friends, and having lots of fun learning and exploring together.

We are especially excited to begin Chapel! This will be a special time to come together to sing, pray, hear Bible stories, and learn about God's love. What a blessing to watch our little ones grow in both learning and faith!

There is lots of Fall Fun ahead! Some classes will head to Dakota Nature Park for a fall scavenger hunt, while others will visit the fire station. During "G" week, we may even taste Green Eggs and Ham, and "H" week will bring crazy hair and fun hats! Our Junior Kindergarten class is also enjoying Kids in the Kitchen on Fridays, creating tasty treats that match our Letter of the Week.

We are looking forward to our annual Fall Festival at the end of October and celebrating Thanksgiving together in November. Fall Parent/Teacher Conferences will be held October 26-30, giving families and teachers a chance to connect and celebrate each child's growth.

We feel so blessed to have our preschool filled with little voices, big smiles, lots of learning, and God's love!

Blessings,
Kami Bartels
Director, First Lutheran Preschool

CHILDREN, YOUTH & FAMILY MINISTRY

Do you know the story of Jesus Feeding the 5,000? How deeply could you talk about it? Did you know that this passage is in all four Gospels? During our time on the High School Summer Trip through Camp Amnicon, we dove into this story- we didn't bring our bibles out on trail with us, but we had meaningful discussions about the meaning and the significance of this story and how it relates to what's happening in the world today.

Lexa Kieckhefer, Gavin Smith, and I had an amazing time in Voyageurs National Park with some new friends! Within God's creation we got to see his amazing handiwork through nature, community, and moments of peace. In total, we canoed approximately 35 miles in 4 days! We got to see some animals that we rarely see around here including loons, a black bear cub, and a river otter!

Speaking about animals, children who attended VBS (Vacation Bible School) were transported to the Alaskan Wilderness as we talked about how Jesus is with us no matter what! We welcomed an average of 50 kids every night! We had fun in worship, bible study, games, and crafts. On Thursday evening, kids put together treats for our friends at the Brookings Humane Society. Thank you for making VBS such an impactful experience for the children, volunteers, and church!

Regular CYF activities are in full swing and guess what?! It's never too late to register your children for activities here at First Lutheran or to sign up to volunteer! As we get into some of the 'hectic' months with Steppingstones, regular gatherings, special activities, and Youth Gathering prep, I offer a reminder my friends: God is with us through it all.

As the school year gets underway, work schedules become busier, and family calendars fill up and it can be easy to feel overwhelmed. Over the next few months, I challenge both you and myself to find moments of peace amid the chaos. Maybe that means listening to a devotional podcast during your morning commute, spending a few quiet minutes in prayer, or simply taking a moment to pause and breathe.

I pray as we enter into a more 'hectic' time, that we are reminded to pause and rest. I mean, God did it after creating the world?! We should follow God's example.

FLC QUILTERS NEWS

And Off They Go!!!

On Sunday afternoon, September 27th, 400 quilts and 55 personal care kits were loaded onto a semi in the First Lutheran Church parking lot to begin the journey to the east coast of the United States as well as to Africa and Middle East countries for families in need. Eighty-five boxes were filled with South Dakota care, warmth, and love. With the present cost of fuel, the shipping costs for the quilts and kits were nearly \$2000 this year.

Thank you to everyone who purchased quilt raffle tickets, purchased gifts of the quilts and nap robes, or had a Sunday morning cinnamon roll – you helped send these quilts on their way! Thanks also to everyone who helped haul the boxes out to the parking lot Sunday noon during the annual meeting and the students from the University Lutheran Center who loaded the boxes onto the semi. The quilters appreciated all of your help!

Thank You!

Photos to left:

1-3) During the Annual Meeting, members of the congregation helped moved the quilts out to the sidewalk to wait for the semi to arrive. 4) Students from the University Lutheran Center came to help load the semi and were pretty smart when they made a train (5) to move them. 6) Some of the many banana boxes full of quilts waiting to be loaded. 5 quilts fit in a box.
