MINI SERIES ON STEWARDSHIP – LIVING A LEGACY

Stewardship is the faith practice of doing our best to take good care of all that God has given us. We “steward” our time, talents, and treasures well when we are mindful that they are all first a gift from God. How is God calling you to use all that you have faithfully? How is God challenging you to go and grow as a steward?

This week: Caring Conversation Challenge

We encourage you to have a household faith conversation about stewardship. Use these questions to guide you as you talk with those of all ages you consider part of your household. If you are an individual, line up a time to talk with someone you care about in your life by phone, zoom, or in person.

- What are you currently giving to our congregation when it comes to time, talent, and treasure?
- What are you faithfully giving beyond our congregation in the community and the world?
- Why do you give what you give?
- How might you grow your generosity and increase your giving?
- What could happen if you take these steps toward growth in stewardship?

NOW IS THE TIME TO JOIN WOMEN’S BIBLE STUDY! Beginning Tuesday, November 16th, we will begin a new six-week study focusing on advent and getting ready for Christmas.
