GIVING GREAT EFFORT

## **FORGIVENESS**

**MATTHEW 18:21-35**

1. Are you a forgiving person?
2. What situations do you find harder to forgive than others?
3. What is the amount the first servant owed the king? What does that communicate to us?
4. Meditate on what sins God has forgiven you of. How does that affect our ability to forgive others and enable us to forgive others?
