

PRAYER AND PURPOSE

LUKE 4:42-44

1. Take a moment to examine your prayer life. Is it lacking in anyway? What keeps you from talking to God?
2. What does it mean for Jesus to pray, “Abba, Father”? Why is that critical to the heart of prayer and a healthy prayer life?
3. How does prayer shape Jesus purpose in ministry?
4. When is the last time you went to “a desolate place” to be alone and pray?
