

JESUS AND THE SADDUCEES

LUKE 20:27-41

1. How does denying the 'resurrection' like the Sadducees do in v. 27 effect our daily living? Are you living a life that reflects the resurrection?
2. How does Jesus respond to people who have questions about the gospel?
3. How does Jesus' response in v. 38, saying, "he is the God of the living", communicate His present love to us?
