# 7 core values: authentic **community**

ROMANS 12:3-21

1. Are the “mercies of God” motivating your life?
2. Are you hiding in a “turtle shell” or “putting on a mask?” What holds you back from being real with people?
3. Do you seek to know the needs of those that God has placed around you?
4. What is God calling you to sacrifice to cultivate authentic community? (time, preferences, pride, selfishness. . .)
