

THE FATHER, COMPASSION & FORGIVENESS

LUKE 15:19-24

1. Discuss the compassion of the Father and what that means to you.
2. Focus on the end of v.20, where it says he “ran, embraced and kissed” his son. How is that a picture of the gospel and how does that transform your heart?
3. Discuss all aspects of the reconciliation process: conviction, confession, repentance, restoration and reconciliation.
4. In v.24, what is the reason the father had to celebrate? When is the last time you celebrated reconciliation in your life?
