

WHO WILL GO FIND THE LOST SON?

LUKE 15:31-32

1. If the shepherd goes out looking for the lost sheep, and the woman looks for the lost coin, who should have gone out to look for the lost son?
2. Why is being called “son” in v.31 so significant?
3. How would a “true older brother” have transformed the parable? How does the gospel change all of our relationships?
