

RESPONDING TO JESUS

LUKE 24:13-35

1. What does Jesus do the very Sunday he resurrects? What does that tell us about His priorities?
2. Consider v.16 and ponder what it means that “but their eyes were kept from recognizing him”.
3. According to v.27, what is at the heart of every good sermon and bible study?
4. Write out your own salvation testimony. How many ways did Jesus stand before your very eyes and you didn't see him until v.31, your eyes were opened and you recognized him?
