

## DISCIPLESHIP, Part 2

LUKE 14:28-35

1. What do your time, money and passions indicate is the most valuable thing in your life?
2. How would your life look different if you lived like Jesus was really worth following?
3. What adjustments do you need to make in your life to clearly see “the surpassing worth of knowing Christ?”

Dwell on the first part of Philippians 3:8 this week  
“Indeed, I count everything as loss because of the surpassing worth of knowing Christ Jesus my Lord.”
