

# SEEING JESUS FOR WHO HE REALLY IS

LUKE 4:15-30

1. Do you know *about* Jesus or do you *know* Jesus?
2. Share with someone this week about a significant shift in your life of understanding who Jesus is.
3. Read Galatians 5. What sins do you keep coming back to? After spending time in God's word, pray daily this week that you would be "led by the Spirit!"
4. Reread Luke 4:18-19. What parts of that passage is Jesus doing in your life right now?
