Hey everybody. Welcome back to the Christmas box journey of looking for the Messiah. Today is day 20, and today we learned that he will be the suffering servant, Isaiah, who we've been talking about the last few weeks, continued to prophesy about the coming Messiah, about Emmanuel who would come and who would heal his people so that they would eventually turn to the Lord and serve the Lord by finally being a light to the nations. And now here in Isaiah's book and chapter 53, Isaiah prophesies that Emmanuel, the suffering servant of the Lord would take the sins of his people Israel upon himself, and he would mercifully and graciously die in their place and take their sins from them. He would die in their place like the Passover lamb that we learned about on day six. Though he would be innocent, he would take the punishment that Israel deserved. And so today we learned that he will be the suffering servant. Join us tomorrow as we continue to look.
