Merry Christmas everybody, and welcome back to the Christmas Box journey of looking for the Messiah. Today we learn that he is the word made flesh. Yesterday we read the story of Jesus birth and we asked the question, who is this child? And today we explore the answer. He is the word made flesh. The Apostle John testified that this Jesus is the word made flesh. In other words, it's like the words and the expectations of the Old Testament prophets jumped off the page and became a person. Everything the Old Testament predicted about the Messiah, everything we have seen in the past 23 days, and so much more is fulfilled in this one. Man, Jesus, we are so thrilled that you joined us on this journey this year, and we pray that it's been enriching for you in understanding on a deeper level who Jesus the Messiah truly is. So on behalf of the Christmas box team, we just want to say Merry Christmas and thank you for joining us on this incredible journey.
