## Sermon Notes

- ⇒ What is *one* thing you will commit to be working on, to show others in your life, that your words and/or actions are more in line with Jesus and how he lived life?
- ⇒ Great dysfunction can occur when one's love for “position” is greater than his/her love for God. Do you have an accountability partner(s) in your life?
  - ⇒ If not, are you willing to seek one or more out? Jesus followers that may well lead you toward realizing how you can serve others in an even *more*, Christ-like manner?
- ⇒ We need opportunities/people in our lives to remedy the tendency we all have to focus primarily on ourselves; so much of the time. What would an outsider say about the greatness they observe you seeking most? Is what you imagine them saying convicting enough to call you to servanthood, even more?
