

THE LAW OF CHANGE

Talk It Over
June 25-26, 2022

“And all of us, as with unveiled face, [because we] continued to behold [in the Word of God] as in a mirror the glory of the Lord, are constantly being transfigured into His very own image in ever increasing splendor and from one degree of glory to another; [for this comes] from the Lord [Who is] the Spirit.” - II Corinthians 3:18 (AMPC)

For sure, God created us as free moral agents and intended us to live as free citizens in His Kingdom on Earth.

This freedom comes to us through a process of transformation.

This means “to change into another form.” This change reveals a new life. In this process, that which is on the inside shows forth on the outside.

Intimacy with Jesus brings a revelation of His glory, which in turn causes our transformation.

As we look into His glorious face, He shines His face (His Presence) upon us.

God transforms us by enlarging our capacity to receive, conceive, and worship Him.

We become truly free as we are empowered to realize all the best and highest capacities of His nature within our being.

Through conflict, liberty is achieved, and power is realized, developed, and increased.

While there is no question of the fullness of spiritual resources, Christians often fail to draw on them.

“Transformation” is the only reasonable – indeed, the only possible – way to attain to the wholeness which must become ours if we are to ever fully live and walk in fellowship with God.

“Transformation” has three parts:
trans – beyond, above, over
form – shape of substance, matter
ation – action or results

Your ability to think and go beyond your form determines the quality of your life.

Changed people continually go beyond their “form” and exceed their current circumstance.
