

A RECALL TO TRUE WORSHIP

**Talk It Over
October 15-16, 2022**

“A time will come, however, indeed it is already here, when the true (genuine) worshipers will worship the Father in Spirit and in Truth (reality); for the Father is seeking just such people as these as His worshipers. God is a Spirit (a spiritual Being) and those who worship Him must worship Him in Spirit and in Truth (reality).” - John 4:23-24 (AMPC)

In order to live victoriously in this world, we must grasp and understand the most powerful weapon in our Christian arsenal.

This weapon has always been at the center of all spiritual warfare and conflict.

Fundamentally, worship is the foundation for everything God planned for us. Worship brings His glory into our lives. Forever He is looking for worshippers.

We have to begin with the “who” of worship since how we respond to Him in worship determines how we see God – Who He is to us.

Literally, it is in pure worship that we become the worship offering.

All the spiritual disciplines – prayer, meditating on His Word, love, faith, surrender, obedience – culminate in worship.

Worship is man’s highest purpose, his highest destiny, his highest life.

God created man a “living soul,” and that soul – the seat and organ of his mind, will, and emotions – was linked on the one side through the body with the visible outer world. (The five senses)

On the other side, it was linked through his spirit with the unseen and the divine. (The sixth sense) (The fourth dimension)

There is a fleshly wisdom for life and a spiritual wisdom for life.

When we are ruled by our spirit, filled with His Holy Spirit, we constantly desire His Presence. His Presence brings His glory. His glory is all that He is.
