*“So God created man in His own image, in the image and likeness of God He created him; male and female He created them.” - Genesis 1:27 (AMPC)*

*“Then the Lord God formed man from the dust of the ground and breathed into his nostrils the breath of Spirit of life, and man became a living being.” - Genesis 2:7 (AMPC)*

*“And the rib or part of his side which the Lord God had taken from the man He built up and made into a woman, and He brought her to the man. Then Adam said, ‘This [creature] is now bone of my bones and flesh of my flesh; she shall be called Woman, because she was taken out of a man.’ Therefore a man shall leave his father and his mother and shall become united and cleave to his wife, and they shall become one flesh.” - Genesis 2:22-24 (AMPC)*

It has taken America 225+ years to arrive at a cultural norm of accepting and celebrating homosexuality.

What once was thought of as perverse, unclean, and even illegal is now celebrated on social media, by the government, major league sports teams, woke corporations, and even some religious organizations.

In America today, approximately 3-7% of the total population consider themselves homosexual. The LGBTQ community is less than 10% of the total population.

Concerning transgenderism, a noted, celebrated psychiatrist, Dr. Paul R. McHugh, said, “It is a ‘mental disorder’ that merits treatment and that ‘sex change is impossible.’” He further states, “Transgender surgery is not the solution for people who suffer a disorder of ‘assumption’ – the notion that their maleness or femaleness is different than what nature assigned to them biologically.”

A Vanderbilt University study noted that of children who had expressed transgender feelings, over time, 70-80% “spontaneously lost those feelings.”

Dr. McHugh also states, “This intensely felt sense of being transgendered constitutes a mental disorder in two respects. The first is the idea of sex misalignment is simply mistaken – it does not correspond with physical reality. The second is that it can lead to grim psychological outcomes.”

Our solutions are God and His Word.

God created, established, and owns the institution of marriage. He defined it as joining a man and a woman together to procreate and fill the Earth.

Marriage is a covenant between a man and a woman, a male and a female. Period.

We must return to God’s version of creation and reject Satan’s perversion.
