

Talk It Over
July 16-17, 2022

“Before I formed you in the womb I knew [and] approved of you [as My chosen instrument], and before you were born I separated and set you apart, consecrating you; [and] I appointed you as a prophet to the nations.” - Jeremiah 1:5 (AMPC)

“If you faint in the day of adversity, your strength is small. Deliver those who are drawn away to death, and those who totter to the slaughter, hold them back [from their doom]. If you [profess ignorance and] say, ‘Behold, we did not know this, does not He Who weighs and ponders the heart perceive and consider it? And He Who guards your life, does not He know it? And shall not He render to [you and] every man according to his works?’” - Proverbs 24:10-12 (AMPC)

It is reported that one in four American women have aborted their baby.

We kill marriages by divorce, and we kill unborn babies because they conflict with our desires. They stand in the way of our unencumbered self-enhancement.

America suffers today from a spiritual malady caused by a lack of intimacy with God.

David wants to see God’s view of him. He wants God’s definition, His perspective.

“Investigate” or “search” is a Hebrew word meaning “to dig.” God, You “dig” me. You dig into the core of my being – you know and understand me.

“Infant” refers to a young child.

God foreknew and named children before they were born. God speaks of the child’s sexual identity, name, purpose, or plan.

John the Baptist was filled with the Holy Spirit while in his mother’s womb.

The life of the flesh is in the blood (Leviticus 17:11). Since life is in the blood and our life comes from God, a piece of God is in every infant in the womb.

Women who have aborted a child can suffer from symptoms such as: guilt, grief, isolation, depression, anger, and unforgiveness...sometimes leading to destructive behaviors involving relationships or drug and alcohol abuse.

God always takes broken lives, redeems them, and makes them useful for His Kingdom. In all things (including abortion), He works for our good.

Abortion does not define you – God, through His Word, defines you. Abortion can be forgiven. He forgives, He heals, He restores!
