

**Talk It Over
October 8-9, 2022**

*“A time will come, however, indeed it is already here, when the true (genuine) worshipers will worship the Father in Spirit and in Truth (reality); for the Father is seeking just such people as these as His worshipers. God is a Spirit (a spiritual Being) and those who worship Him must worship Him in Spirit and in Truth (reality).”
- John 4:23-24 (AMPC)*

“Let us all come forward and draw near with true (honest and sincere) hearts in unqualified assurance and absolute conviction engendered by faith (by that leaning of the entire human personality on God in absolute trust and confidence in His power, wisdom, and goodness), having our hearts sprinkled and purified from a guilty (evil) conscience and our bodies cleansed with pure water.” - Hebrews 10:22 (AMPC)

For all of us, worship is the single greatest, most important thing we do.

We become “who and what” we worship. Worship transforms us into the image of the One worshipped.

Obedient worship makes possible a reinvestment of God’s rule among mankind.

For too long, the Church at large has emphasized evangelism, teaching, fellowship, missions, and community service to the neglect of its very source of power and energy — worship.

Life energy arises out of worship energy. You will be as spiritually strong as you are worship conscious.

The heart of man is too deep to be filled by anything short of God.

Worship elevates us to our highest possible level of life.

Man is thus enlarged, increased, and energized with God’s enriching Presence.

Holiness, righteousness, justice, and mercy are all attributes of God’s very nature and are learned by being in His Presence.

All of Heaven’s resources and personnel are available for the defense of the one who abides there.

In this dynamic, intimate love relationship with Him, we begin to sense a heart attitude of submission.

Worship does not end at church.

Worship prepares, empowers, enlightens, and equips us to go out into our world and live His message — His Gospel.
