

Talk It Over
July 23-24, 2022

“Do you not know that the unrighteous and the wrongdoers will not inherit or have any share in the Kingdom of God? Do not be deceived (misled): neither the impure and immoral, nor idolaters, nor adulterers, nor those who participate in homosexuality, nor cheats (swindlers and thieves), nor greedy graspers, nor drunkards, nor foulmouthed revilers and slanderers, nor extortioners and robbers will inherit or have any share in the Kingdom of God.” - I Corinthians 6:9-10 (AMPC)

His Word is the only solution to racism, abortion, drug addiction, alcoholism, sexual immorality, sexual perversion, homosexuality, same-sex marriage, and transgenderism.

God is a loving, forgiving, restoring, healing, saving, delivering God.

Homosexuals do not want to be perceived as abnormal or dangerous. They want to be tolerated, accepted, approved, and celebrated, welcoming their behavior with open arms.

God speaks loudly and clearly about the sin of homosexuality.

People are not born homosexuals. There is no homosexual gene.

There is no adultery gene.

There is no fornication gene.

There is no lying gene.

There is no alcoholic gene.

There is no drug addiction gene.

Homosexuality is a choice, a behavior. We are not to give in to our sinful, lustful desires, whatever they may be.

An attraction to the same sex should be dealt with as any other sexual sin. Resist the temptation – the lust to sin – as you should with adultery and fornication.

Homosexuals suffer greatly with physical, mental, and lifespan issues. It is a sin against your own body.

Homosexuals have a lifespan of up to 20 years less than those who are not.

But there is hope – God delivers from all sin by the blood of His Son.
