The Secret of the Garden

Pastor Jack Brace, [jackb@churchbcc.org](mailto:jackb@churchbcc.org)

---

The rich garden imagery both here in the Song of Songs as well as throughout the Story of God enables us to understand more fully what human love is and how it contributes to the redemptive process unfolding at this very moment. Today we will explore three aspects of this process that are revealed in the Garden.

I. The Garden demonstrates the essence of God's character. (7:11–12)

II. The Garden declares God's intention for relationships. (8:13)

III. The Garden hints at God's ultimate future. (7:13)
