Signs of Blockage v1-10, 17-22

Signs of Health v11-16

Questions:

1. Have you experienced abusive authority? How have you found help in moving toward healing and recovering your power? What step might God be inviting you to take?
2. Where do you carry authority and power and influence in the world? What kind of leader, citizen, employer, parent, or client are you? How might God invite you to serve others?
3. Where do you feel protective about resources and opportunities for others? Is there a personal challenge for you in Ez 34:17-22?
4. How is it for you entering into the quiet reflective time in the services this summer?
