Philippians | There's No Looking Back Philippians 3:12–14

Pastor Prentice Park, prenticep@churchbcc.org

Paul's encouragement to the church is to always be looking forward in our life, running the race with the ultimate prize being and knowing Christ more intimately. Often times this can be difficult because of our past, or because we get distracted by our own feeling of guilt, shame or regret. The work of Jesus should compel us to live life running forward—growing, healing and transforming ourselves.
