What does it look like when Jesus really changes your life? Following Christ is about more than attending church, knowing the right answers, or trying harder to be a better person. When Christ changes us on the inside, that change ought to become visible on the outside.Today, we'll continue our journey through Colossians as Paul turns our attention from who Christ is to how we are called to live because of Him. In Colossians 3:1–17, we'll discover what it means to leave the old life behind, put on the character of Christ, and allow Him to shape our everyday attitudes, relationships, and actions. A new life in Christ should produce a new way of living.

OCC Packing Party - Join us November 11th after the evening meal as we come together to pack shoeboxes and share God's love with children around the world! Every box is an opportunity to share God's love and bring joy to a child!

Prime Timers are hitting the road again Thursday November 12th. They are headed to The Chocolate Covered Strawberry in Gallatin for good food and fellowship. The bus will leave the church at 10:30. Please let Ann Bates know if you will be joining them.
