DOM Report

Philemon 1:3-7 "Grace to you and peace from God our Father and the Lord Jesus Christ. I thank my God always when I remember you in my prayers, because I hear of your love and of the faith that you have toward the Lord Jesus and for all the saints, and I pray that the sharing of your faith may become effective for the full knowledge of every good thing that is in us for the sake of Christ. For I have derived much joy and comfort from your love, my brother, because the hearts of the saints have been refreshed through you."

In the past year we have seen many changes across our community. In fact, we live and serve in a rapidly changing community. We are among the fastest growing areas in the nation. The nations are literally coming to us. Looking just at the numbers, population growth outpaces baptisms and cumulative church growth across Wilson County. This means we are quite literally growing more lost every day. This may seem like reason for worry but I believe it is quite the opposite. This is reason for praise. Whatever our church style, location, size, resources, there are plenty of lost people to go around! As individual faith families, may God find us hungry for souls. May He give us eyes to see the lost as He does, His heart to hurt for them as He does, and His voice to speak to them on His behalf. As an association of churches, may we be united by this incredible call to do whatever it takes to make it hard for people to get to Hell from Wilson County. And may our shared Master and our shared Mission be greater to us than everything in this world which works so hard to divide us.

It is because of this awesome opportunity we have been working toward a restructuring of our priorities as an association. We are to no longer play defense, fighting for our survival maintaining what is at the cost of what could be. We are called to risk it all, to go for broke, either we win Wilson county to Jesus or we die trying. This restructuring, which I hope you will eagerly affirm, will create teams which will be filled by members of our churches and tasked to push hard to instigate, resource, support, and celebrate churches starting new churches to reach new people we are not currently reaching. I dream of an association that looks a little less like a family reunion and a little more like Heaven. There are cultural groups, affinity groups, disability groups, and countless other pockets of people whom God is putting before us and it is time our churches embrace the humility to help send out people and support people to not only reach them but teach them to reach more. We need leaders to instigate and assist our churches to strengthen the work of their sister churches. We need every church being the strongest version of who God made them to be in order to reach Wilson county for Jesus. No church will reach everybody but every church can reach somebody.

No church will ever be the church for everybody but every church can be the church for somebody. No church is good at everything but nearly every church is good at something. So, we will be pushing churches to something radical. Partnerships with other churches to help them become stronger without strings attached, forsaking any temptation to build our kingdom at the expense of others but instead to build His kingdom at our own expense. We will be pushing churches, all who have a missional heart to then have missional feet, sending out people from themselves into kingdom work for which they will likely not receive any reward in this life. I dream of a future that we celebrate countless missionaries and countless mission trips, short term, long term, and forever missions would flow liberally out from our partnership. That we would embrace, big church and small church, raising up and sending out kingdom leaders. Giving our best people and trusting Him to honor that great sacrifice. We will pray and learn and work to find the best ways to do something so counterintuitive in training people to leave us. What a crazy thought that people will be leaving our churches and we could actually celebrate it because that is the plan.

The subtle yet powerful thing this organizational shift hopes to accomplish as well is a shift in how we think of the association. The association was never meant to be another organization we support, another entity we prop up, but instead of saying that we are all part of the association.... We are the association. The power will rest in the hands of our churches, not only at an annual meeting through a vote but everyday through koinonia.

Your BCM has already embraced this through things like Faith Fest where churches are invited on campus to interact with students without apology. Through BCM worship nights where you are invited to join in equally always. Through BCM Sundays in your churches where they will come to serve and lead, through using pastors and leaders here in our association to teach and disciple students. Students from across Tennessee and even across the globe. Students who are commissioned every year to other colleges, to careers, or back to home countries as missionaries continuing the gospel work wherever life leads them.

A number of churches are embracing this ethos as they work together, without pride but in true partnership together as they plan and prepare for a summer day camp, serving kids across our community while ensuring they hear the gospel clearly and regularly throughout. Providing also an option for churches who dream of an opportunity but are without the bandwidth, manpower, or funds to go away for kids camp or even do an effective VBS. When the idea of kingdom work is no longer a catchy motto but a firm conviction. When we are no longer content to save the world on our own or fight off all of Hell by ourselves. When we stop

thinking bigger churches must be devious and smaller churches must be defective. When we finally believe that we are truly better together and when we stop asking what others can do for us but what we can do for others and what exponentially more we can do for Jesus, together. My friends, it is then we may just see His kingdom come, His will be done, and something I believe Heaven can not help but pour out blessing upon.

My friends..... my family.... I hold you in my heart as family. I pray for you as such and I stand ready always to serve you as such.... Family, the need has never been greater. The opportunity has never been greater. The people God has given us to meet the need and embrace the opportunity have also never been greater. Let us leave out of here tonight as one people united by one mission under one Master. And may God find us faithful as we do whatever it takes to make it hard for people to get to Hell from Wilson County. And if they do, in the words of Charles Spurgeon, may they have to crawl over our bodies to get there and let not even one person go there unwarned and unprayed for. Heaven demands no less and the lost all around us deserve no less than this.

In addition to these, your association now has a dedicated video recording area to assist churches who want to record announcements, messages, or be interviewed to create a record of the story of your church, the story of someone's testimony, or the story of a pastor's call to ministry, etc.

Through a new partnership with Adam Shadoan, right here in our association, a church management app is available for you to take advantage of free of charge. This is a way for any church to use technology to better minister to their people and shrink the cracks people fall through in churches.

There is another resource in development to help churches develop simple and attractive websites at extremely low cost with very minimal effort or expertise.

New resources are constantly being acquired or developed right here in our own association. Please feel free to share what resources would best help your church fulfill your mission more naturally and with less difficulty. Your associational office is here to serve you as you serve Jesus so well.

These proposed changes have the goal of helping the association become fast, flexible, focused, and friendly in our work. The association exists to serve the churches of our network as they are serving Jesus. We must adapt to be more effective at that.

Each ministry team is made up of people within our association with specific gifts and passions to instigate the work. Each team will be able to recruit others toward their tasks and will be empowered to accomplish their tasks in a manner consistent with the mission and collaborative priorities of the Wilson County Baptists.

Start Team will strive facilitate the planting of any churches, assisting any existing churches who align with our network into the association, and making partnerships that will encourage the start of new works.

Strengthen Team will strive to facilitate trainings and resources, cultivate healthy fostering relationships between churches, mentoring, and help improve pastor wellness

Send Team would primarily create mission partnerships and opportunities, both local and foreign. Connecting churches together in mission opportunities and cultivating healthy mission relationships as they believe would best engage churches.

These descriptions are not limiting and each team would be empowered to expand their work as they agree. For the first year they would discern their goals and specific strategic focus as a team going forward. This is all to better empower our people and strengthen our collaborative work while focusing our efforts, together. The association is the people of our association. It will be only what we make it to be with our involvement.

We are the Wilson County Baptists.

Wilson County Baptist Association **CONSTITUTION**

The body shall be known as Wilson County Baptist Association.

ARTICLE I – PURPOSE

The purpose of this Association shall be

1. To promote the general missionary, benevolent, and educational work as carried on by the Tennessee Baptist Convention and the Southern Baptist Convention,
2. To exercise special care for the spiritual need of the geographical region immediately surrounding the member churches, and
3. To foster brotherly love and spiritual unity among the churches.
4. To not, at any time or any way, act as a church. Since Southern Baptists have historically viewed the ordinances, baptism and the Lord's Supper, as church ordinances, the association, nor any entity of the association should not observe them. The ordinances may be observed in associational building when they are observed by a local church.

ARTICLE II – MEMBERSHIP

1. The group of churches that constitute this common fellowship shall be Baptist churches that are in harmony and cooperation with objects set forth in this constitution; and shall be in doctrinal harmony with the historic faith and practice of Baptists, substantially as set forth in the Baptist Faith and Message 2000, a statement adopted by the Southern Baptist Convention.
2. The organized body known as the Association, when authoritatively assembled, shall be composed of messengers duly elected by the churches and reported by letter from the churches. Such messengers shall be received on the following basis: Five Messengers from each Church.
3. Churches applying for membership in Wilson County Baptist Association must present their petitions to the Executive Board or at the Annual Association Meeting one year preceding the one at which action is to be taken. When petitions have been properly submitted, the churches may be received into this Association in annual session or in the Executive Board if satisfactory evidence is given of soundness of faith and harmony with the objects of this Body. Reception of churches by Executive Board is subject to final approval by the Association in annual session. A two-thirds majority vote of the messengers present and voting shall be required for the reception of a church into membership of the Association.
4. The Association shall have no right or power to exercise ecclesiastical jurisdiction over the churches. It may advise, counsel, and propose measures, but cannot enforce them upon the

churches. However, the Association retains the right to refuse to recognize messengers from any church which departs from the objects of this body, or which persists in disorderly practice.

5. Each member church shall provide to the office for publication in the minutes the annual church profile.

ARTICLE III – MEETINGS

1. Regular: The Association shall meet annually at such time and place as it shall designate at its preceding meeting.

2. Special: Special meetings of the Association may be called at any time by action of the Executive Board. The member churches shall be notified in writing at least two weeks before the called meeting. The purpose of the special meeting shall be limited to the stated purpose.

The Moderator shall be an ex-officio member of all committees, shall appoint a Committee on Committees, and shall perform such other duties as he may be charged with by the Association. No one shall be eligible as Moderator for more than two fully served consecutive terms (Vice-Moderator filling the unexpired term of a Moderator does not count towards the two full terms).

b. Vice-Moderator: The Vice-Moderator shall assist the Moderator in all the work, as he may direct, and shall become Moderator in the event of Moderator's death or inability to perform duties.

c. Clerk: The Clerk shall keep a record of proceedings of the annual Associational meetings and Executive Board meetings. The clerk shall be responsible for having the Annual Minute Book prepared and distributed.

d. Treasurer: The Treasurer shall keep a full and correct record of all money received and distributed by the Treasurer under the direction of the association and report same monthly to the Executive Board and annually to the Association.

e. Trustees: Three Trustees shall be elected, each to serve a term of three years on a rotating system; one Trustee to be elected each year for a term of three years. The Committee on Committees shall bring recommendations to the Association for Trustees. Trustees shall serve as legal custodians of the property of the Association and shall perform such duties as assigned to them by the Association. In all matters they are subject to the Association.

ARTICLE V – EXECUTIVE BOARD

1. Membership: The Executive Board of the Association shall be of the Moderator, Vice-Moderator, Clerk, Treasurer, Trustees, a pastor and one Lay Member of each church (the said lay members to be elected by the local church), the Ministry Team Directors and the Director of Missions.

2. Together Strengthening Churches
3. Together Sending Churches

Statement of faith

The shared statement of faith and theological basis of church partnership with the association is the Baptist Faith and Message 2000.

Proposed Associational Organization Chart

Notes

Ministry Teams are equipped to instigate and ensure the completion of the associational priorities.

Oversight and Asset Committees are created through the merging of responsibilities of existing committees. For example, Oversight would include administration, constitution, any cultural impact work.

Other current committees would then fall under each appropriate ministry team.

Woman's Missionary Union
Wilson County Baptist Association
September 2025 - August 2026

Wilson County Baptist Association Woman's Missionary Union (WMU) continued another year of "What JOY!", the national WMU theme, as well as, the watchword from 1 Thessalonians 2:8 "We cared so much for you that we were pleased to share with you not only the gospel of God but also our own lives, because you had become dear to us." (CSB) Leadership Team members who served this year include: WMU Director, Julie M. Howard; Treasurer, Peggy Tramel; Church-wide Mission Involvement Consultant, Rebecca Lee Riddle; Women on Mission Consultant, Freida Sharpe, and Publications, Huetta Sanders.

Fall Celebration kicked off the new year on Saturday, September 6, 2025, at Victory Baptist Church in Mt. Juliet, TN. "A Tennessee Picnic - Together", theme for the meeting, was chosen to coincide with the September emphasis of the Golden Offering for Tennessee Missions (GOTM) and fit with "Together. We pray. We give. We go.". Two ministries within Tennessee were selected to be highlighted during this gathering. First, Blue Oval City was to be presented by Ben Colwell, pastor of Brownsville Baptist Church, Brownsville, TN. Sadly he became seriously ill and was unable to be present. In lieu of his absence, Julie Howard shared briefly about Disaster Relief efforts in the state of Tennessee and the accompanying video provided by GOTM promotional resources was shown. Rebecca Lee Riddle then spoke about the huge annual evangelistic opportunity for Tennesseans - Bonnaroo - relating her years of volunteer service at Bonnaroo using henna tattoos under The Jesus Tent. Secondly, Nathan Clark, Director of Cumberland Baptist Collegiate Ministries (BCM), presented a detailed report on all things happening with students at Cumberland University through the BCM. From Bible studies, worship nights, and Tuesday lunches, there is room for all our churches to be involved in the BCM. All students, especially international students, desire community. This extends beyond Cumberland University requiring college ministries within Wilson County Baptist Association churches. Bonnie Saindon from Shiloh Baptist Church presented the prayer calendar. An offering of \$409.00 was collected and presented to Nathan Clark for items needed for the BCM. Thirty-two were in attendance.

Brazil was the focus of our International Mission Study held October 18, 2025 at Round Lick Baptist Church. Rebecca Lee Riddle, Church-wide Consultant for WCBA WMU, presented Brazil to attendees through multiple means. Statistics on Brazil's population, the country's overall spiritual condition, and Southern Baptist missionary presence were shocking. Interactive matching games were interspersed with prayer for Brazil and IMB missionaries diligently working to share Jesus with the masses. Brazilian foods of limonada, brigadeiros, pao de queijo (cheese bread), and feijoada (Brazilian black bean stew) were served following the presentation. Seventeen attended the IM study.¹

Monday, November 3, 2025, the Baptist Women's Day of Prayer event took place in the upstairs conference room at the WCBA office. This being the 75th Anniversary of the Day of Prayer, women and men from across the county gathered to hear from a former IMB couple who served in NAME - North Africa and the Middle East. Their story exemplified the theme "Living the Good News" as they lived and worked among the people of Israel sharing Jesus. Brett and Lyubov West recalled life there through October 6, 2023. And then October 7 happened. Living under constant barrage of sirens indicating missile attacks and not knowing whether or not all family members made it to protective shelter took a huge toll on the West family. At the time of this meeting, they were residing at Mary's House, the TN WMU built and sponsored house for international missionaries on stateside assignment. Time at Mary's house was a welcome respite for the West family. Attendees broke into small groups for prayer covering the world by continental union. Refreshments of cookies, coffee, and hot cider were served. Fifteen attended this event.

TN WMU continues to cultivate a partnership with the Denver - Front Range corridor of Colorado where the spiritual climate is apathy and 95% are lost. The WMU GO TEAM had two representatives from Wilson County to participate last September 11-15, 2025. Following orientation, the team visited the Send Relief Ministry Center, also known as Jesus on Colfax, in Denver. Half of the team, including Bryan and Julie Howard from Wilson County, helped clean and mop the building while other team members sorted clothing inside a stuffed shipping container for distribution to area refugees and those

in need. The GO TEAM spent time with eight church planters over a three day period sharing gifts for the family, encouragement to stand firm, and prayer for the city and the church planter. From meeting in an Afghan house church where a full Afghan meal was served, to prayer walking vacant land for Valor Church, to meeting at a coffee shop behind what had been a Baptist Church decades earlier turned athletic gym, to attending a Mongolian service in the middle of the day where translator devices did not work, stories of God's grace and guidance resounded over and over again. Still Colorado is a dark, hard place where NAMB church planters deal with loneliness, liberalism, and few harvest workers. With God's guidance and grace, they continue to press forward shining a light in the darkness with the Good News of Jesus Christ.

A unique opportunity occurred in February, 2026. TN WMU sent a GO TEAM to Milan, Italy during the second week of the 2026 Winter Olympics for the purpose of conducting street evangelism. Bryan and Julie Howard representing Wilson County WMU were a part of the team. During the two weeks of volunteer presence, 5563 gospel conversations transpired and 41 professions of faith were recorded. The Howards have shared their experiences with various church groups and associations five times since returning from Italy.

Missions Get-Together was again held at First Baptist Church, Dickson, TN on April 17-18, 2026. The central theme "Created for This...To Know Him and Make Him Known" was centered around Ephesians 2:10. Catherine Renfrow, National Director of Women's Evangelism at the North American Mission Board, was the keynote speaker. Jenna and Zoe led worship through song. Wilson County WMU Leadership Team donated a "Laundry Day" basket for the silent auction which brought in \$100.00. Proceeds from the auction benefit the TN-N-Touch Endowment held at the WMU Foundation, Birmingham, AL. The Tennessee WMU State Annual Meeting took place on Saturday morning of this state-wide two-day event. Women on Mission members from at least five Wilson County churches were in attendance.

Other items of interest for the year include:

- Rebecca Lee Riddle was elected to serve a four year term on the TN WMU Executive Board;
- Julie Howard served her third year on the TN WMU Scholarship Committee;
- Rebecca Riddle and Julie Howard participated in monthly zoom meetings of the Leadership Cohort for discussion sessions based on the book Leading Women Well by Emily W. Dean with Tika Scoles, Northside Baptist Church, Murfreesboro, facilitator;
- Julie Howard addressed Silver Springs Baptist Church during the evening service on July 5, 2026 concerning all things WMU.
- Julie Howard completed her third year as team lead for the Missionary house team.
- Mary's House: The West family left June 5, 2026; The Worthy family arrived on July 22, 2026.
- MMC House: Rebekah Norman deployed to Slovakia January 4, 2026; Brett and Donna Freeman arrived April 10, 2026 and left August 24, 2026.

WCBA WMU continues to put forward a positive influence for all ages in our churches. Women on Mission and myMission groups have continued to spearhead collections for all major offerings: Golden Offering for Tennessee Missions, Lottie Moon Christmas Offering for International Missions, and Annie Armstrong Easter Offering for North American Missions, as well as, teaching and supporting the Cooperative Program. Missions education is of utmost importance in demonstrating Jesus' love to others.

Lastly, WCBA WMU celebrates in reporting another year with new age level groups beginning in one of our churches. Silver Springs Baptist Church, Mt. Juliet, officially began a new GA group, a new RA group, and a new Women on Mission group in August, 2026.

"What Joy!" it is to lead in an organization tasked to make disciples that live on mission. Your Leadership Team is ready and willing to assist your church in missions education at any time.

Respectfully submitted,

Julie M. Howard

On April 10, Union University broke ground on a new freestanding chapel on the eastern edge of campus. Located next to the existing G.M. Savage Memorial Chapel that has been in existence for 50 years, the new chapel will be clearly visible from the heavily trafficked Highway 45 Bypass.

Demolition of the current chapel took place at the end of the spring semester. Construction is expected to take more than a year, with plans for the new chapel to open in early 2028.

The new chapel will meet the evolving needs of our Union community and will stand as a symbol of our enduring convictions. The steeple will rise above every other building on campus, symbolizing Union's commitment to keep Christ at the forefront of all we do.

The facility will be a place where students, faculty, and staff gather to worship, to reflect, and to engage with the truths of Scripture. It will also serve as a vibrant center for the arts, hosting concerts, lectures, and other events that enrich the local community.

Cost for the new chapel is estimated at \$30 million, and more than \$15 million has been raised through current gifts and commitments.

Among other highlights on the Union campus in recent months:

- Union purchased the Mid-American Baptist Theological Seminary property on Appling Road in Cordova, Tennessee. We are in the process of selling our existing Germantown property and have moved our operations to the new Union University Memphis location for the fall 2026 semester.
- We began new academic offerings in the fall of 2026, including a classics major and concentrations in computer and civil engineering.
- We were pleased to host Rosaria Butterfield as the featured guest for this year's Crabtree Family Life Series in February. Speaking to the whole Union community three times, Rosaria told about how the Lord saved her from her former identity as a lesbian activist. Her message was a powerful testimony to God's grace. All three of her addresses are available to view at vimeo.com/unionuniversity.

The Lord has been faithful to Union for more than 200 years, and we continue to trust in his providence today. We are also incredibly thankful for Tennessee Baptists and are honored to be Kingdom partners with you. Thank you for praying for us and for supporting us.

Gratefully,

The *Baptist and Reflector (B&R)* is 191 years old this year, making it one of the 25 oldest, continuously published newspapers in the United States. Since 1835, the *B&R* has produced news features, and editorials that tell the story of Tennessee Baptists while also informing their biblical worldview.

The *B&R* is an award-winning newspaper frequently recognized by the Baptist Communicators Association for excellence in journalism, and is produced 26 times a year, reaching nearly 40,000 readers.

Additionally, the *B&R* website (BaptistandReflector.org) has grown steadily since it was introduced in late 2015, with more than 400,000 page views. The weekly e-newsletter has 21,000 subscribers and highlights breaking news, top stories from the print edition and news that appears in the online edition. The *Baptist and Reflector* continues to grow in our social media platforms such as Facebook, Instagram and X.

Over the past year, the *B&R* has added approximately 800 news subscribers. This came following the renewal of *B&R* Day, which was moved from the fall to the spring (April) after a year off for restructuring. Hundreds of TBC churches requested thousands of complementary copies for distribution. The paper has also seen a resurgence in advertising with the addition of several new organizations (including several universities) appearing for the first time ever.

Throughout the year, the *B&R* reported extensively on the continued efforts of Tennessee Baptist Disaster Relief volunteers working to rebuild homes for the people of East Tennessee still recovering from the devastating effects of Hurricane Helene in 2024. With the TBC establishing a new ministry course for Tennessee Baptists, the paper has also reported Tennessee Baptist Mission Board's restructuring of ministries and how those ministries have gained traction in strengthening and multiplying gospel leaders, evangelistic disciples and healthy churches. And of course there is a significant amount of reporting given to how God is at work in and through Tennessee Baptists and their churches in their local communities and around the world.

The *B&R* staff monitors, reports, and distributes the most pertinent stories related to the Southern Baptist Convention and cultural trends that could affect Tennessee Baptists.

The paper continually seeks new subscribers, either through individual subscriptions or through a multiple-subscription church rate plan. Every church needs a subscription and every church's leadership team, like pastors, ministers, deacons, Sunday School teachers, etc., need to stay informed about Baptist life in Tennessee.

For more information about subscriptions, visit BaptistandReflector.org and click subscribe, or call the *Baptist & Reflector* office at (615) 371-2003.

Carson-Newman University — Associational Report 2026

As we celebrate 175 years of God's providence and provision for Carson-Newman University, we reflect on the instrumental role Tennessee Baptists have played throughout its history. Your partnership and support enable us as Christian educators to help our students reach their full potential as educated citizens and worldwide servant-leaders. Highlights of this past year include:

- We welcomed 2,922 students for the 2025-2026 year, representing 44 states and 49 countries.
- This year, we opened the Tom Elliff Center for Missions on campus, honoring respected longtime pastor and missionary Dr. Tom Elliff. Under the leadership of Dr. Phil Young and Alan Duncan, the Center is already teaching students how to be intentional with the gospel at home and abroad, regardless of their areas of study. The Center is connecting churches, students, and missionaries to advance the Kingdom.
- This fall, the University launches The Sager Center for Preaching and Pastoral Ministry, honoring the life and ministry of Dr. Doug Sager, longtime pastor of First Baptist Concord in Knoxville. The Center, led by Dr. Jonathan Akin, exists to equip, encourage, and empower East Tennessee pastors and ministry leaders for faithful gospel service. Through training, mentoring, and fellowship, the Center combines biblical foundations with practical ministry training to prepare church leaders to grow churches and advance Christ's Kingdom.
- This past year, we had many hallelujah moments, including 33 baptisms of students (including 18 football players), chapel services that led to an additional 31 professions of faith, 132 students wrestling with a call to ministry, and 121 follow-ups for gospel conversations.
- The University opened the new Child Development Lab in the fall. The facility is now home to a teacher-training program for Child and Family Studies majors.
- More than 40 students and staff members went on mission trips locally, nationally, and internationally.
- This year's Serve Day had over 600 students take part in 41 service projects across four counties and pack over 11,000 meals, which were shipped to Syria, reflecting C-N's mission of preparing educated citizens and worldwide servant-leaders.
- Appalachian Ministries of the Smokies' Ministry Center set a record in 2025 for the number of people served: 1,691 families, which encompasses 4,460 individuals; 19 home repair projects completed; and the Samaritan House served 30 families.
- Campus Ministries honored 58 graduating students with the Ministry & Missions cord in recognition of their service while a student at C-N.
- A group of about 20 students who feel called to the ministry began meeting regularly in the fall to be mentored in preaching. Since then, the young men have connected with Baptist associations and preached in over 40 churches across Jefferson, Cocke, and Hamblen counties.
- Campus Ministries chapel services were well attended, with a 22% increase over last year. Several local church pastors have spoken on campus this year.
- We launched a new enrollment campaign entitled "Here & Now." The theme underscores that C-N students do not have to wait until after graduation to make a difference in the world around them. They can have a lasting impact for Christ while students.
- This year, U.S. News & World Report championed Carson-Newman's online programs. The publication has C-N leading all Tennessee private universities in two categories and No. 2 among the state's private universities in two other categories. C-N's online nursing program was named one of the nation's best by The Princeton Review, while C-N was named "A Christian College of Distinction" by Colleges of Distinction.

The King's Academy

Association Meeting Report

2026

For 145 years, The King's Academy, a ministry of Harrison-Chilhowee Baptist Academy, has faithfully served Tennessee Baptists through Christ-centered education. As we begin our 146th year of ministry, we are grateful for God's continued faithfulness and encouraged by the renewed momentum He is providing throughout every aspect of Academy life. As a missional Christian school, we intentionally welcome students from a variety of faith backgrounds while remaining unwavering in our commitment to biblical truth and the transforming power of the Gospel. Every student is invited into a community where they are known, loved, and equipped for life and eternity.

Most importantly, we celebrate God's work in the lives of our students. This past year, 29 students made decisions to follow Jesus Christ. Whether through academics, chapel, residence life, athletics, fine arts, or other co-curricular experiences, every aspect of The King's Academy is intentionally designed to help students grow intellectually, spiritually, physically, and relationally as they discover and prepare to fulfill God's purpose for their lives.

God continues to bless this ministry with encouraging growth. As we continue through the admissions cycle, current projections indicate enrollment growth of approximately 7–9.5% for the 2026–2027 school year, while student retention has reached 93.4%—the highest level in the past five years. Our influence also continues to expand globally, with students from 27 countries expected to be on campus as the school year begins. Our boarding program is projected to increase over 92%, nearly doubling opportunities for daily discipleship, biblical mentoring, cultural enrichment, and Gospel-centered community.

This year we are intentionally strengthening what makes TKA education distinctively Christian. We are placing a renewed emphasis on Christian apologetics within our Bible curriculum while implementing *Teaching for Transformation* to intentionally integrate a biblical worldview across every academic discipline. We are also launching *Catalyst*, an innovative entrepreneurship and leadership initiative that will become one of the Academy's signature programs, while continuing to expand opportunities in STEM and Robotics to prepare students to think critically, lead faithfully, and steward their God-given gifts in an increasingly complex world.

This fall also marks the return of varsity football as The King's Academy begins its 98th season of competition. More than the return of a signature athletic program, this reflects the renewed strength of the Academy while providing another opportunity for students to develop Christlike character, servant leadership, discipline, perseverance, and teamwork.

As we look ahead, we remain committed to advancing the Gospel through Christ-centered education, strengthening discipleship, pursuing excellence in our academic and co-curricular programs, and preparing graduates to faithfully influence their homes, churches, communities, and professions for the glory of God. Thank you for your faithful prayers and partnership as together we continue impacting lives for Christ across Tennessee and around the world.

In Christ,

Dr. Fred Eaves
President & Head of School
The King's Academy

Tennessee Baptist Adult

Homes, Inc.

Report to Associations, 2026

The Census Remains above 95%

Two years ago, we closed one of our group homes. Our census at the time of the closure was 85% of our beds occupied. As regrettable as it was to close a home and reduce our capacity, the result is that we are financially healthier than we were prior to that closure. I am happy to report that our census remains above 95% now! We believe that our downsize has made us "right sized."

Coming to an Association Near You (Hopefully)

We began this year a concerted effort to schedule and host events in as many Baptist Associations as we can over the coming months and years. These events are called "Dinner, Songs, and Stories." We have worked with several Association Ministry Specialists over the past year to help us find (1) an evening, (2) a church that is willing to host the event, (3) a caterer for a meal, and (4) a list of the churches/pastors in their Associations. The evening consists of a complimentary dinner and a short 30-minute presentation to help churches learn more about the ministry of Tennessee Baptist Adult Homes. All in all, the entire evening's event lasts 90 minutes or less. I would love to have a conversation with you about bringing a Dinner, Songs, and Stories event to your Association. I can be contacted at 615-371-2067, or manderson@tnbaptist.org.

Our Father's Day Offering Continues to Grow

You may recall that in 2024 we set a record of \$547,000 in offerings received through the Father's Day Offering! It was the first time we had ever reached \$500,000. Well, I'm pleased to report to you that we set another record last year of \$567,000 received. We have set our 2026 Father's Day Offering Goal at an ambitious \$600,000. As of July 23, 2026, the total of gifts received through the 2026 Father's Day Offering equals \$182,730.30. The total of receipts through the Father's Day Offering as of the same date last year was \$169,398. If we can stay 7.5% ahead of last year, we will surpass our \$600,000 goal. We are amazed and humbled by the generosity of Tennessee Baptists. Our humility is surpassed only by our gratitude.

Thank you, Tennessee Baptists, for your prayers and your financial support! Thank you for...

Showing What Love Is!

Sincerely,

Mark Anderson, President/Treasurer

Tennessee Baptist Children's Homes

Welcoming children in hard places with the love of Christ

May 5, 2026 was TBCH's 135th birthday! Literally thousands of children have been cared for by TN Baptists throughout the years. Because of the faithfulness of churches, businesses and individuals who have a heart for children and families who are struggling, we have been able to serve 250 children and their families over the past year. Thank you for your prayers, for your service, and for sharing your financial resources with TBCH. Our ministry operates without the use of government funds. We have chosen to rely on God's provision through His people to supply the resources necessary to meet the needs of the children and families we serve.

TBCH serves children through two programs. Our **Foster Care** program allows us to place children who are in the state's custody into homes where Jesus is loved and served and where children will have this godly influence in their lives for however long they reside in that home. Our foster care team and volunteers span from Memphis to Kingsport. The other program for providing gospel centered care is our **Residential Care** program. Our campuses in Brentwood, Chattanooga and Millington are all in the process of exciting changes related to our **Firm Foundations Project**. Phase 1 of our construction project in Brentwood is nearing completion. Phase 2 in Millington will consist of a third home for children built over the next year. And in Chattanooga, we are currently constructing three children's homes and a home for our Independent Living residents. The driving force behind these construction projects is to provide individual bedrooms and baths for the added safety and wellbeing of each child.

Thank you to those of you whose church gives faithfully to the Cooperative Program and also makes a direct gift to TBCH through the Mother's Day Offering or through your annual missions offerings!

- 250 children served over the past year
- 18 adoptions in the last fiscal year and 10 so far this year
- 8 spiritual decisions including salvation and baptisms so far this year- Praise the Lord!
- 79 foster homes statewide as of the writing of this report
- 151 children in care as of the writing of this report

Finally, please pray for us! One of our biggest needs right now is a Houseparent Missionary couple at The Ranch in Millington. Will you join us in asking the Lord to send us these frontline missionaries to serve the young people who are need of our care? Thank you.

This report shares information about some of the state events, ministries, and initiatives that have taken place.

Christian Job Corps (CJC) is a ministry of WMU that seeks to help men and women break the cycle of poverty through job and life skill classes, Bible study, and mentoring. TN WMU's missionary care ministries are supported through funds from the Missions for Life Fund and the Golden Offering for Tennessee Missions (GOTM).

- **Missionary Parents Fellowship (MPF):** On September 27, 2025, 10 parents of International Mission Board (IMB) missionaries gathered via Zoom for a time of fellowship, information, prayer, and encouragement. TN WMU supports the Tennessee MPF by maintaining its database, distributing communication/promotion materials, and helping to coordinate and host the annual state retreat.
- **Encourage Collegiate MKs:** Each year TN WMU assigns Missionary Kids (MKs) who attend college in Tennessee to every association so churches can encourage them. Fifteen MKs were assigned to associations for the 2025-2026 school year.
- **Former Missionary Fellowships:** Former missionaries in West, Middle, and East Tennessee gather several times each year for fellowship, connection, and encouragement. TN WMU provides funds for meals during these gatherings.
- **Christmas Gifts:** In December 2025, TN WMU sent a \$150 gift to 20 MKs whose parents serve with IMB and are from Tennessee.
- **MK Re-Entry Retreat:** Six missionary kids from Tennessee received travel assistance funds to attend the MK Re-Entry Retreat, hosted by WMU of Texas and the IMB, from August 4-7, 2025.
- **Missionary Homes in Mt. Juliet:** Tennessee Baptist Mission Board has two missionary homes in Mt. Juliet that provide much-needed rest for missionaries on stateside assignment: the TN WMU Missionary House (Mary's House) and the Missions Mobilization Center (MMC) Missions House. TN WMU handles reservations and hosts missionary families at both houses. Donated gift cards are used to stock pantry staples and other household items.

As part of the prayer advocacy partnership with Denver, TN WMU sent a mission team of eight women to Denver in September 2025. The team met with nine church planters and prayed for them, their ministries, families, and the communities around the churches. TN WMU has sent 11 teams to serve in Denver over the past nine years, meeting with more than 35 church planters to pray and serve their communities.

The 2025 Connection was held in Murfreesboro on September 5–7, 2025, with 96 girls and leaders from 13 churches in attendance. The event featured Bible study leader Kelly Chilcote and IMB missionary speaker Lisa Jungheim.

RA Camp-o-Ree was held on October 17–19, 2025, at Linden Valley Baptist Conference Center with over 300 boys, leaders, and personnel in attendance. Boys participated in a multitude of activities, challenges, and crafts while enjoying the great outdoors, meeting missionaries, and attending two action-packed worship services. This missions camping event for boys in grades 1–12 is hosted by Mid-South Royal Ambassadors and TN WMU.

Over 60 people attended the WMU Gathering at Summit on Sunday, November 9, at West Jackson Baptist Church. TN WMU and Madison Chester Crockett Baptist Association WMU partnered to host this time of fellowship and inspiration.

TN WMU's latest children's missions event kit was released in January 2026 as a free downloadable resource. The theme of the KMX kit is NAME and focuses on eight missionaries from Tennessee who are taking the NAME of Jesus to the North Africa/Middle East (NAME) region, and it also highlights reaching people from those countries living in our state. It includes a Bible story, missions stories, and ideas for games, crafts, food, decorations, and more

TN WMU sent an Olympic Outreach Team of 12 men and women to serve in Milan from February 14-22, 2026, during the second week of the Olympics. The team used three unique souvenir pins to engage with visitors and athletes from around the globe, many of whom have little or no gospel access in their home countries, and to sow gospel seeds.

The 2026 Missions Get-Together was held at First Baptist Church, Dickson, on April 17–18, with a total attendance of 547 people representing over 120 churches. Participants donated over 1,800 items, \$40 in cash, and \$2,000 in gift cards for TN Christian Job Corps sites across the state through the event's ministry project. An additional \$15,516.44 was given through the event's missions offering, benefiting the 2027 MK Re-Entry Retreat (90%) and the TN WMU Tennessee N Touch Endowment (10%).

The 2026 TN WMU Annual Meeting took place on April 18 during the Saturday morning general session of the Missions Get-Together. The meeting included highlights of TN WMU's work and the election of 2026–2027 state officers and new Executive Board Members.

- State Officers: President, Anna Huggins; Recording Secretary, Shelly Mowery; Vice President East, Martha Wilson; Vice President Middle, Cynthia Scott; Vice President West, Julia Binford
- Executive Board Members: Lori Littleton, Amanda Decker, Lisa Kail

TN WMU awarded \$42,900 in scholarships to 40 students attending graduate, seminary, and undergraduate programs in Tennessee for the 2026–2027 school year. These scholarships are funded through endowments, invested funds, and the GOTM.

The 2025–2026 Tennessee Missions Emphasis theme was "All Things Tennessee," with a GOTM goal of \$2,700,000. The total amount given was \$2,979,189.68. With an additional \$265,675 in designated gifts to Golden Opportunity Projects, the grand total given was \$3,244,864.68. The offering year was September 1, 2025 – August 31, 2026.

Baptist Memorial Health Care System
Memphis, Tennessee
Jason Little, President and CEO

Baptist Memorial Health Care began as a 150-bed hospital in downtown Memphis in 1912. It was formed by the Southern Baptist Conventions of Tennessee, Mississippi and Arkansas because they recognized a tremendous need for a health care facility in this part of the country. The hospital eventually grew to become the largest private hospital in the world.

The Baptist Memorial Health Care system was created in 1981 to provide an integrated health care delivery system offering a full continuum of care to communities throughout the Mid-South. Today, a total of 25 hospitals in Arkansas, Tennessee and Mississippi; an 1,500-member physician group; and dozens of other entities are affiliated with Baptist.

Baptist Memorial Health Care's staff chaplains are a part of the health care team. Patients, family members and employees know they can ask for a chaplain at any time to augment our health care with spiritual or emotional care.

The Rev. Jimmy Terry Preaching Series, hosted by Baptist's Pastoral Care Department, observed its seventh anniversary this year. The series, named in memory of a beloved member of Baptist's Board of Trustees and the founder of Tabernacle Baptist Church in Clarksville, Tennessee, welcomes a speaker each month to deliver an evangelical message from Baptist's flagship hospital. Video recordings of each event are posted on our Facebook page. They have been viewed more than 98,000 times in the past year.

Baptist Memorial Health Care and the Fayette County Board of Commissioners broke ground on Baptist Memorial Hospital-Fayette County. The hospital will include eight emergency department beds and eight inpatient beds with on-site telehealth capabilities, inpatient and outpatient imaging services and lab services. Baptist Fayette County will serve 11 cities and 41,000 residents.

The Leapfrog Group awarded spring 2026 "A" Hospital Safety Grades to Baptist Memorial Hospital-Carroll County and Baptist Memorial Hospital-Union City. This is Baptist Carroll County's seventh A in a row and Baptist Union City's sixth consecutive A. Leapfrog also awarded Baptist Memorial Hospital for Women and the Spence and Becky Wilson Baptist Children's Hospital the 2025 Leapfrog Top Teaching Hospital Award. These awards are among the most competitive in U.S. health care. Thousands of teaching hospitals are evaluated and only a select few meet Leapfrog's rigorous standards for patient safety, reduced infection rates, surgical outcomes, maternity care and advanced technology.

The Centers for Medicare and Medicaid Services awarded Baptist Union City five stars for quality – the agency's highest distinction – and cleanliness. It is one of only four hospitals in Tennessee and 290 in the nation to earn five stars for quality, which is based on 46 measurements from five categories. CMS uses the national, standardized patient experience survey to determine cleanliness ratings.
