

TEXT: Mark 2:1-12

**TITLE: Promoting the Worship
Experience with Jesus**

When we have the chance to be with others to meet with Jesus it should be crowded (v.1,2; Hebr.10:25).

The central part of the Worship Experience must always be to receive a message from God's Word (v.2).

The church is not safe quarantine for the non-infected but it's a treatment center for the infected (v.3).

There will always be obstacles that keep us from getting the worship experience; DO IT ANYWAY (v.4).

Don't let other people with their negativity
keep you and those you influence away from
Worship (v.4).

Jesus saw their faith because of their actions;
faith without works is a dead faith anyway (v.5;
Jms.2:17,20,26).

Jesus always begins with healing spiritual needs because they are most essential (v.5; Is.53:5).

There's always going to be critics of how worship is done but only Jesus can forgive sins (v.6,7; Jn.14:6).

Jesus knows your thoughts and attitudes
before you ever express them and why you
came to worship (v.8).

But Jesus is able to meet all our needs
(spiritual, physical, emotional, material)
through the worship experience (v.9,10,11).

The end result of a true worship experience is realizing we met Jesus in ways we never did before (v.12).

Are you experiencing a true worship experience? Amazed by what God did? Giving Him all the glory as you go? (v.12).

Our God is an awesome God, He reigns from Heaven above, with wisdom, power and love, our God is an awesome God.
