FROM PAMPLIN

## Missions *Puerto Rico*

In our missions prayer time this week, we go to Puerto Rico. Hundreds of new evangelical churches are needed. In recent years Puerto Rico has been hit by two destructive hurricanes, earthquakes, an economic crisis, and COVID-19. Our North American Mission Board has been helping meet needs there, especially by sending teams of volunteers to rebuild houses and churches through our Send Relief ministry program.

Now to the missionary we want to pray for is **Itamar Elizalde**. She was born on the island but had moved away. She returned as a missionary to help reach Puerto Rico for Christ. Itamar coordinates volunteers, both visiting Southern Baptist and local ones. Her ministry is to help get needs met and also to share Jesus Christ. One of her great joys is the prayer of thanksgiving prayed as volunteers finish building or rebuilding a home.

A woman named Rosa called to ask for food. Itamar called a church near Rosa and asked them to help. The pastor and his wife took food to Rosa, but also invited her to church. Rosa later prayed to receive Christ and is now a church member. Our church supports both the North American Mission Board and Itamar, our missionary there in Puerto Rico, through the Cooperative Program. Be sure to pray for her.
