

PRAYING

FROM PAMPLIN

Praying for Israel/Gaza

The grief and sorrow across Israel and into the Gaza Strip is unimaginable. Thousands have been killed and wounded as the terrorist organization Hamas attacked Israel Oct. 7, and war has ensued. Families are grieving the loss of loved ones as others try to determine the whereabouts of those who are missing. Palestinians in Gaza are having to flee their homes as Israel is responding to Hamas' leadership in Gaza. Let's pray for Israel and Gaza.

Pray for peace in the Holy Land.

Pray for the protection of innocent people that are caught up in the conflict.

Pray for justice for Israel and that God will bless those who bless Israel.

Pray for Christian believers in Israel and for Palestinian Christians in Gaza. Pray for the missionaries who are advancing the gospel amongst these two people groups.

Pray that Christ would be made known as God fulfills His eternal purposes for Israel.

Pray for repentance for those who have not followed Christ.

Application:

- Ask God to allow you to see.

- Know that God will never in this life let you see everything clearly - trust Him anyway.
