Margin Pt 2  
Pastor Craig Coulter

*Margin: Is the space between our current pace – and our limits.*

### **SO LET'S TALK ABOUT OUR SCHEDULES:**

#### **Psalm 90 – MOSES lived to 120**

- Moses was raised as an Egyptian.
- THEN – he was a shepherd for 40 years
- THEN – Moses is God's mouthpiece to Pharaoh.
- THEN – Moses led the nation of Israel.

Now – this guy has some perspective on **TIME!**

(v. 1) *Lord, you have been our dwelling place **throughout** ALL generations.*

(v. 2) *Before the mountains were born or you brought forth the whole world, from everlasting to everlasting – YOU are God!*

(v. 3) *You turn people back to dust, saying, "Return to dust, you mortals."*

(v. 4) *A thousand years in your sight are like a day that has just gone by, OR like a watch in the night.*

(v. 5) *YET – you sweep people away in the sleep of death – they are like the new grass of the morning:*

(v. 6) *In the morning it springs up new, but by evening it is dry and withered.*

(v. 10) *Our days may come to 70 years, or 80, if our strength endures; yet the best of our years are but trouble and sorrow, for they quickly pass, and we fly away.*

(v. 11) *If only we knew the power of your anger! Your wrath is as great as the fear that is your due.*

(v. 12) *Teach us to number our days, that we may gain a heart of wisdom.*

#### **SUMMARY STATEMENT:**

- Remembering our time is limited, provides us with wisdom to know how to spend our limited time.
