

Becoming Mature: Dust of the Rabbi

Life Group Discussion Questions

Reflect on Sunday's message and take time to share honestly, listen well, and encourage one another.

Matthew 28:19-20

1. When you think about your journey as a follower of Jesus, who has had the biggest impact on your faith? What did they do that made such a difference?

2. Think about the people you spend the most time with. What do you think they would say you get most excited about, value most, or prioritize most in life?

3. If someone spent a significant amount of time with you, what aspects of Jesus' character, ways, and mission would they likely begin to pick up? What aspects of your own attitudes or behaviours might they pick up that are less Christlike?

- 4 The message on Sunday said that discipleship requires both quality time and intentionality. What's the difference between simply spending time with someone and intentionally helping them grow as a follower of Jesus? What might that look like in an ordinary week?
- 5 If you aren't intentionally discipling someone right now, what's holding you back? Is it a lack of confidence, time, opportunity, clarity about what discipleship looks like, or something else?
- 6 We can't effectively help others follow Jesus if we aren't following Him ourselves. Where do you most need to grow in abiding in Christ and taking on His character, ways, and mission? How might that affect the people around you?
- 7 Think about the people God has already placed in your everyday life—at home, work, school, in your friendships, or in your life group. Is there someone you sense God might be inviting you to invest in more intentionally? What could be your next step?

"A mature disciple is someone who abides in Christ and takes on the character, ways, and mission of Jesus and helps others to do the same."
