

## Ephesians | Reconciled In Christ

### “A 3D Reality” – Wes Hodgson

1. What did you sense God was highlighting to you personally through the message?
2. We looked at how our world desires us to live in a 2D reality; only the ego and environment matter. Do you agree or disagree with that? If you agree, how have you seen that in your own life?
3. We looked at the ideas of being chosen and redeemed; which one stood out to you the most and why?
4. Wes talked about a time where God revealed himself to him personally, and the truth went from the head to the heart; do you have any personal stories like that you would be willing to share?
5. What is a step of obedience you can take in light of this message?
