Would You Help?

A brief survey has been sent to you via email, mail or is available on the back table. The survey is not very long and we would like people of all ages to participate. **We hope you will take a few minutes to respond.** The results will help us evaluate how we are serving as a church during the COVID-19 pandemic and help us improve and to plan for restarting other ministries. **Please have completed surveys returned by Wednesday, June 24th.**

Thinking Outside of the Box

Although we have been unable to have our typical Vacation Bible School this summer, does that mean we can't still reach out to area youth with the gospel? Would you help consider ways to do that? Possibly through a "Backyard Bible School" where kids/parents invite smaller groups of kids over for one-two days (or evenings)? During that time together, a small team of people from the church would assist with a bible lesson, craft, games, etc. Please let Pastor John or Pastor Mark your thoughts or if you would be willing to help with something like this.

Church Camp(s) 2020?

Please join us in praying for camps like Stony Glen & Camp Eli and missionaries like Dale Kinkade & the Ziemer family who use them to present the gospel and train young people in God's Word. We pray that restrictions will soon lift so camps can still be used this summer. **Please join us Wednesday at 6** to plan a camp we hope to have in August.
