"Everyone has noticed how hard it is to turn our thoughts to God when everything is going well with us... While what we call 'our own life' remains agreeable, we will not surrender it to Him. What, then, can God do in our interests but make 'our own life' less agreeable to us, and take away the plausible sources of false happiness?" — C.S. Lewis

**Doris Ridenour** is a long time area resident who turns 90 on July 31. She was moved by God to help our community when COVID-19 hit and generously provided food through the church each week. We are grateful to her faithful response to God's call in her life for that work. Please see bulletin board on how we can help brighten her birthday.
