Doing our part during cold, flu and COVID season: We encourage everyone to regularly wash hands, use hand sanitizer, wear masks if desired, not linger in halls and to be courteous when interacting with those around you so we can all continue to worship in person. If you happen to have any symptoms, we ask that you please join us virtually on Youtube Live or on Facebook accessible from church web site at www.firstcommunity.ws .

THANK YOU to everyone who participated in last week's "Trunk or Treat"! We had about 60 children and many who passed out goodies to help us enjoy a little sense of normalcy and fun.
